I AM Light, glowing Light,  
Radiating Light, intensified Light.  
God consumes my darkness,  
Transmuting it into Light.  

This day I AM a focus of the Central Sun.  
Flowing through me is a crystal river,  
A living fountain of Light  
That can never be qualified  
By human thought and feeling.  
I AM an outpost of the Divine.  
Such darkness as has used me is swallowed up  
By the mighty river of Light which I AM.  

I AM, I AM, I AM Light;  
I live, I live in Light.  
I AM Light’s fullest dimension;  
I AM Light’s purest intention.  
I AM Light, Light, Light  
Flooding the world everywhere I move,  
Blessing, strengthening, and conveying

MY LOVELY I AM PRESENCE

My lovely I AM Presence
  I love thee, take my hand
And walk with me and talk with me
  And make me understand
The truth of thy reality
  Thy flame within my heart
O Christ of me, expand in me
  Love's vict’ry which thou art!

My lovely I AM Presence
  Thy Presence I would be
In action in this world of form
  To set all life here free!
O make me strong, all free from wrong
  My own Christ pow’rs release
That where there’s suff’ring I may bring
  Thy healing balm of peace.

My lovely I AM Presence
  Give God-protection here
By blue and violet flames remove
  The cause and core of fear.
O put me in my perfect place
  And keep me there supplied
With all my plan divine requires
  By thou my constant guide!

My lovely I AM Presence
  Possess now all of me
I joyously surrender all
  My personality.
Let me remember only good
  Thy gifts that freely flow
Let me express Christ brotherhood

The threefold flame within my heart

    Ascension in the Light!

I AM, I AM, I AM the Fire Breath of God
From the heart of beloved Alpha and Omega.
This day I AM the Immaculate Concept
In expression everywhere I move.
Now I AM full of joy
For now I AM the full expression

NEARER, I AM, TO THEE

Nearer, I AM, to Thee
    God Self Divine
Let me thy Light now see
    My own God Design.
Be Thou my mind and soul
    Cleanse me and make me whole
'Til I attain my goal
    And ascend to Thee!

Holy Christ Self of me
    Reveal thy pow’r
Let me thyself now be
    Every passing hour.
Now at thy holy shrine
    I see God’s plan divine
Love shall my world refine
    And make me like Thee.

I see thy Presence now
    Bright as the Sun
Thy crown upon my brow
    Means my vict’ry won.
I hear thy welcome voice
    And angels now rejoice
That, given Freedom’s choice,
    I return to Thee

Melody: hymn "Nearer, My God, to Thee" by Lowell Mason.

that cometh into the world
I AM the Way
I AM the Truth
I AM the Life
I AM the Resurrection
I AM the Ascension in the Light
I AM the fulfillment of all my needs and requirements

I AM the illimitable Light of God
made manifest everywhere
I AM the Light of the Holy of Holies
I AM a son of God
I AM the Light in the holy mountain of God
A PRAYER

O Light that shines from heaven’s shore
Into this heart of mine
Now through me thy sweet radiance pour
And make my soul divine.

Teach me to know that thou art love
The one and only pow’r
That lifts mankind to realms above
In life’s despairing hour.

Blaze through my inner consciousness
Thy all-transmuting fire
That I may live in righteousness
And have but one desire.

To live and love my fellowman
And thy example be
That through me all shall understand
Thy Law that sets life free.

Melody: hymn "Oh, For a Closer Walk with God" by L. Devereux.
THE SOUL’S AWAKENING

Look through my soul, O Christ divine
    Now let thy fire my world refine
Look through my heart, O “I AM” of me
    From wrong desires now set me free.

Refrain:
    Lovingly now I wait for thee
    Gladly, O God, thy will to see
    Lift me to thee, illumine me
    Spirit divine.

Look through my eyes, O Light of Truth
    Teach me thy law, eternal youth
Place in my hands thy wonderful key
    That shall unlock the door for me.

Speak and my ears shall hear thy voice
    Angelic choirs with me rejoice
Guide now my feet, no more let me roam
    From that one Path that leads all Home.
I AM COMING HOME

I AM the soul demanding wholeness of the One
By my free will, according to the law
I now command the light, I AM a living soul
And by free will I now return unto the Whole.
By my free will I now discard all discord
Into the flame, the flame of sacred fire
I hear the voice of the Good Shepherd calling me
O Father, O my Mother, I AM coming Home!

I went forth from the center of thy flaming will
By love I would return, I would fulfill
The law, the truth—by love of Alpha it is done
And lo, I come unto the altar of the heart.
And now I kneel before the flame, the Three-in-One
To start the flame of Love, of Wisdom’s fire
I come, O Lord! I hear thy Word! I AM thy soul
O Father, O my Mother, I AM coming Home!

I walk into the living center of the One
I claim the flame, I balance life’s aim
I AM the soul of God returning to the Christ
And I AM sealed, I AM ascending to the Sun.
Hail, Alpha! Hail, Omega! We are One!
I AM secure within the heart of God.
And I AM fired by Love’s own law, the mind of Christ
O Father, O my Mother, I AM coming Home!

(next page)
This life I call my own, it is the Life of God
By the authority of living flame
I make my way along the path, and day by day
I AM becoming more and more of thee, my aim.
By the authority of God, I chart my course
I AM transparent immortality
I see the goal of Jesus Christ ascended
O Father, O my Mother, I AM coming Home!
PRAYER OF SAINT FRANCIS

Lord, make me an instrument of thy peace
Where there is hatred, let me sow love
Where there is injury, pardon's peace
Where there is doubt, faith's holy dove.

   I would bear light where there is darkness
   I would bring hope where there's despair
   And when there's sadness, I would bring gladness
   I AM Saint Francis, this is my prayer.

Interlude—3-1/2 measures, 6/8 time

Master, grant that I may not so much seek to be
Consoled, as to others I may console
To be understood, as to understand
To be loved, as to love.

   For 'tis in giving that we receive
   And in pard'ning, pardon we share
   And in dying we are born to eternity
   I AM Saint Francis, this is my prayer.
“JUBILATE!”
LET THY KINGDOM FAIR, O FATHER

Let thy kingdom fair, O Father
Now appear to every heart
Let the eyes of heart expand
Eyes of soul now understand.
Let the eyes of heart expand
Eyes of soul now understand.

Let that darkness now be broken
Shatter it in God’s own name!
Claim the vict’ry God would give them
On the souls of men descend.
Claim the vict’ry God would give them
On the souls of men descend.

Blessed ones, awake! awake! and
Feel the beauty for God’s sake
He has giv’n his all to thee
Know that I AM Liberty!
He has giv’n his all to thee
Know that I AM Liberty!

Now thy flame is flashing! flashing!
Flame is heav’nly joy so rare
Take it now and to the Light bow
Feel that God is ever thou.
Take it now and to the Light bow
Feel that God is ever thou.
THE JOY THAT BURSTS AFLAME

His is the joy that bursts aflame
In bushes and in trees
This is the pow’r, God’s holy name
That sets all mankind free—
Encircling all and flowing through
In bonds of cosmic light
Removes the pall of ignorance
Removing all distress.

His is the joy that bursts aflame
To purify all men
To purify mankind and dress
All in their raiment white—
The raiment that will help to win
To help to win the fight
Because it is composed of light
That light is Life within.

His is the joy that bursts aflame
A witness unto him
Who is the Lord and King of kings
It shines forth in the night.
It also is enthroned within
The hearts and minds of all
Who sing his praises out into
The world and universe.

THE JOY THAT BURSTS AFLAME
(continued)

Forevermore his Word goes forth
That which sent forth to do
Returneth not unto him void
But captures all those who
See God as love and love alone
And that all else is naught
But only God is that which is
This Truth our God has brought.

Forevermore his Word goes forth
To penetrate the veil
Of substance dense and thoughts impure
Ne’er fruit that will endure.
For only God will make secure
In Light and Life and Love
The I AM Presence, which you are
That shines forth from afar.

Forevermore his Word goes forth
His Presence shines to all
As star that falleth to the earth
To raise and free the world—
O not as wormwood or as gall
Not bitterness or pall
But as the Light to free us all
The Light that frees us all.
Joyful, joyful, we adore thee
   God of glory, Lord of Love
Hearts unfold like flow’rs before thee
   Praising thee their Sun above.
Melt the clouds of sin and sadness
   Drive the dark of doubt away
Giver of immortal gladness
   Fill us with the light of day.

All thy works with joy surround thee
   Earth and heav’n reflect thy rays
Stars and angels sing around thee
   Center of unbroken praise.
Field and forest, vale and mountain
   Blooming meadow, flashing sea
Chanting bird and flowing fountain
   Call us to rejoice in thee.

Thou art giving and forgiving
   Ever blessing, ever blest
Wellspring of the joy of living
   Ocean depth of happy rest.
Thou our Father, Christ our brother
   All who live in love are thine
Teach us how to love each other
   Lift us to the joy divine.

(next page)
Mortals, join the mighty chorus
    Which the morning stars began
Father love is reigning o’er us
    Brother love binds man to man.
Ever singing, march we onward
    Victors in the midst of strife
Joyful music lifts us Sunward
    In the triumph song of Life.
A HYMN OF PRAISE

O Love that will not let me go
Which sets my heart and soul aglow
Alleluia! Alleluia!
To thee, God Presence, do we sing
And all our praises ever ring
Life all-giving! Life sustaining!
Alleluia! Alleluia! Alleluia!

Hail to our Master Saint Germain
We praise thy violet singing flame
Alleluia! Alleluia!
Thou art a mighty friend of light
Thy banner high unfurling right
Vict’ry claiming! Vict’ry winning!
Alleluia! Alleluia! Alleluia!

O Master Jesus, gracious Lord
Now through the Father all adore
Alleluia! Alleluia!
Thy harmony and joy enseal
Christ universal, O reveal
Peace instilling! Peace enfolding!
Alleluia! Alleluia! Alleluia!

For all ascended hosts above
Our grateful hearts are filled with love
Alleluia! Alleluia!
Your tender care and service real
Your presence, radiance do we feel
Give we honor! Give we glory!
Alleluia! Alleluia! Alleluia!

Melody: hymn “All creatures of our God and King” (hymn tune "Lasst uns erfreuen");
“Alleluia,” seventeenth-century Easter hymn (a Thanksgiving hymn)
The sweetest psalm I ever knew
Directed to the God I view
“Obedience”—I AM to thee
O Law of Beauty, keep me free
Command me now thyself to see
Command me now thyself to be.

I AM, O Shepherd, so divine
Abide within this heart of mine
Pulsate, arise, O mighty fire
Make every facet now all thine
Command me now and set me free
Thy perfect image now to be.

O Freedom’s song will fill my soul
For Freedom is thy highest goal
Thy way is love and great delight
To steer my course to heaven’s height
Command me now to shed thy Light
Effulgence of thy wonder bright.

Obedience is not bondage chain
Obedience will secure great gain
Thy laws of Truth produce good fruit
A holy science that is proof
A heav’nly vision faith-inspired
Of victory to free our youth.

Now sweep thy beams around the world
Command thy Light to ever shine
Thy holy rays to bathe the earth
In Light divine, thy comfort blaze
E’er pouring forth God-energy
Expand thy love, great God I AM.
O trust and obey Him—He tenderly speaks
As cosmic dominion, each ’lumined one seeks
His law is so right, it is THE only way
You’ll win in the fight, win by Purity’s ray.

All wounds He will heal, for His love will enfold
His radiance seals and His grace does uphold
What joy we will know, as the right way we go
Serenely receiving each gift He bestows.

The way may seem hidden, the labors in vain
But heaven has bidden, be free from all pain
Accept then your mission, let go of all fear
Expand then your vision, and see—He IS here!
I AM THE TREE OF LIFE
(Dialogue between the Father and the Son)

I AM the Tree of Life that stands so tall
And with what measure can ye measure all?
Allness of God shrinks not from joy of truth
Inward perception seeks the peace of proof.

I AM thy stature, rising upward bold
Background of universal framework old
Defending strength, the pow’r to overcome
I AM the root, the vine, the branches, one.

I AM thy Son, thy Flame, the Three-in-One
Divinely blest and rising to the Sun
Drenched with celestial golden-fire hue
God’s light is streaming, concepts are renewed.

The holy light of God shines o’er mankind
Earth is the Lord’s, the fullness of his Mind
The righteous kneel, to God their hands extend
“Action” their byword to God’s will defend.

The Christ within the humble hearts of all
Will shape his flame, his image to recall
As rainbow rays and heav’nly joy surround
Each heart with grace, the cup of Life abounds.

“Thou art my Son, begotten from above”
Men’s hearts respond to know the Father’s love
“Thou art my Son, this day I honor thee
Thou art my Son in whom I AM well pleased.”

A cry resounding down the hall of Life
Responds in joy to greet the Father’s light:
“I AM thy Son returning to thy flame
Father, I’m coming, I AM coming Home!”

I walk in the footsteps of Afra.
I AM a brother, a sister to all.
I AM true to myself and to my God.
I bear the honor of God in my heart.
I enter into union with the Holy Spirit.

I AM one with the Prince of Peace,
The Prince of Peace.
I shall walk in the Spirit from this day on.
For this is the day, the day of my victory.
This is my hour and the power of light.
I shall lead my people to the throne of glory.
Receive me now, O God!
Receive me now, O God!

A CHALICE PURE AND HOLY

As we raise again our cup of light
  Songs of praise and pray’rs are blending
To thee blessed I AM Presence bright
  Feeling now thy love descending.
From our hearts
  In loving adoration, now flows
Gratitude for pow’rs divine
  Raising all to the ascension.

Now the light from thine own cosmic heart
  Fills our cup to overflowing
And we stand as from the world apart
  Love’s great pow’r within us glowing.
As we raise our eyes
  Thy light from heaven we see
In our consciousness divine
  All the life on earth enfolding.

May our hearts become a chalice pure
  Ever thy great love dispensing
To all life that we may peace ensure
  Every need and sorrow sensing.
May our footsteps walk
  In paths so narrow and straight
Gently guided by thy hand
  Mastery of life attaining.
INTROIT TO THE HOLY CHRIST SELF

1. Holy Christ Self above me
   Thou balance of my soul
   Let thy blessed radiance
   Descend and make me whole.

Refrain:
   Thy flame within me ever blazes
   Thy peace about me ever raises
   Thy love protects and holds me
   Thy dazzling light enfolds me.
   I AM thy threefold radiance
   I AM thy living Presence
   Expanding, expanding, expanding now.

2. Holy Christ Flame within me
   Come, expand thy triune light
   Flood my being with the essence
   Of the pink, blue, gold and white.

3. Holy lifeline to my Presence
   Friend and brother ever dear
   Let me keep thy holy vigil
   Be thyself in action here.
Beloved Threefold Flame within our hearts expand
And charge thy healing essence through us now
Let joyous radiance penetrate through every heart
Our beings fill with substance from God’s heart.

Let us accept the truth that every call is heard
Our needs are known and masters’ love is stirred
And back upon the line of energy we’ve spent
To make the call, the answer comes, ’tis heaven sent.

So very still, O let us listen from within
To feel the pow’r, the healing to begin
Call on forgiveness for the cause of all that’s wrong
And henceforth live in Light, in wisdom grow.

O Master Jesus, come bring us thy quick relief
We do believe, transmute all unbelief
And let thy consciousness of God’s great truth prevail
The I AM calls are answered, God’s Light never fails!
O Mighty Threefold Flame of Life*
Thou gift of God, that is so pure
Take all my thoughts and energy
And ever make them all secure.
The bond of brotherhood
And understanding fair
Send forth unto my soul
The gift of holy prayer
Send forth the gift of holy prayer.

Communication’s strands of love
How they e’er woo by heaven’s law
A tender blessing for the good
Releasing in man holy awe.
   Draw to the throne of grace
   Behold thy sacred face
   Joy of pure God-delight
   That frees from all that’s been
   The sinful nature of all men.

Christ, raise me to Self-mastery
The living passion of the free
Determination now arise
And lift me ever to the skies.
   I AM!  I AM!  I AM!
   Enfolds life, being all
   Within the God-command
   That shatters human pall
   Amen!  Amen!  Amen!

*Hold last note of each line three beats.

To serve that purpose from above
That comes to earth at any hour
Responding to the call of pow’r
   Thy shining wisdom send
God’s love to all extend
Expand it for all men
I consecrate my will
To God on high, his plan fulfill.

Seated one day at the organ,
I was weary and ill at ease,
And my fingers wander’d idly
over the noisy keys;
I know not what I was playing,
Or what I was dreaming then,
But I struck one chord of music
*Like the sound of a great Amen. *(2x)

It flooded the crimson twilight
Like the close of an Angel’s Psalm,
And it lay on my fever’d spirit
with a touch of infinite calm.
It quieted pain and sorrow
like love overcoming strife,
It seem’d the harmonious echo
from our discordant life.

It link’d all perplexed meanings
into one perfect peace
And trembled away into silence
as if it were loth to cease;
I have sought, but I seek it vainly,
that one lost chord divine,
That came from the soul of the organ
And enter’d into mine.

*It may be that Death’s bright Angel
Will speak in that chord again;
It may be that only in Heav’n
We shall hear that grand Amen! *(2x)

Amen!

Words by Adelaide Anne Proctor. Music by Sir Arthur Sullivan
O Cosmic Christs of other spheres
To you I call beyond the years
Whose light rays from so far away
Are beamed through me right now today.
Through valiant effort we will win
Our vict’ry over pain and sin
Transmuting all the woes of earth
And freeing men for Light’s new birth.

The magnet of the holy Sun
The I AM Presence of each one
Will lift men from the dust of stain
To where Love’s glory lives again.
And when the tears at last are dry—
Wiped by God’s image from our eye
Our vict’ry’s bloom an ode will be
To Life’s celestial harmony.

The efforts made, forgotten then
Will all be changed by vision fair
The music of the spheres we’ll sing
Shall gladden all life everywhere.
So come, then, blessed radiant ones
Thy councils wise shall purify
As angel songs now fill the skies
To lead men back to paradise.

MARCH OF THE ONE HUNDRED AND FORTY-FOUR THOUSAND

Introduction—8 measures, 4/4 time

Chorus:
Alleluia, Alleluia!
I AM THAT I AM
Alleluia, Alleluia!
I AM THAT I AM be praised!

Praise God in his holy dwelling
Praise him on his mighty throne
Praise him for his wonderful deeds
Praise him for his sovereign majesty!

Praise him with the sound of the trumpet
Praise him now with organs and harps
Praise him with the timbrel and dance
Praise him with the sound of string and reed!

(Sing chorus)

Praise him with the high sounding cymbals
Now with the loud cymbals give praise
O let everything that has breath
Let all living creatures praise the Lord!

Praise God, the Almighty Father
Praise Christ, his beloved Son
Give praise to the Spirit of Love
Forever and ever praise the Lord!

Lord God of Hosts, Lord God of Hosts
Thou who hath strung the Pleiades
And gladdened eyes of little child
The wise and foolish all are thine.
There is no greater urge or goal
Than holding freedom in the soul.

O let us do, then, what we can
And daily make an effort great
By God’s great love, let all walk straight
On path, on path as freedom’s friend
O beauteous hearts who will defend
The worthy mission by the pow’r of Christ.

Christ before me, light my way
Christ behind me all the day*
Christ above me as I pray
Christ within me lives today.

’Tis freedom flame where’er he goes
The Holy Spirit, like a rose
Opening its tiny, tiny bud
Its scent releases all thy love
And hallows mind and being all
Love’s service great
For which I call.

Amen.

*Repeat two lines of music for next two lines of words.
GLORY AND PRAISE

Glory and praise to our God on high
Glory and praise for the gift of Life
Glory and love to the hosts of Light
Mighty I AM, the Holy Christ Self, the Threefold Flame!

To the plants of the field, we return our thanks
For the air that we breathe, Life’s eternal flame
For the gifts of the sea, we send love to thee
For sunshine and rain, for harvest and grain—
    all nature we praise!

Glory and praise to the Central Sun
Alpha, Omega, our love to you
Elohim, stars of the morning light
Rainbow rays from heavenly heights!

Mighty hosts of Light
Release thy violet fire, thy lightning-blue perfection
Great ascended hosts
Now rend the human veil through purity and love.

(softly)
Mighty hosts of Light
We call to thee to raise the consciousness of mankind
Through love and light inspire obedience, illumination
The plan divine for golden age now dawning!

(full voice)
Saint Germain, God Freedom
We seek to serve the Light, to do the right
To hold the concept of the Christ for all—
To serve the Light
To love the Light
The I AM Light
For we are Light!  (hold 7 beats, rest 1)

(over)
Praise to the Mighty I AM in all!
Praise to creation, the great and small!
Praise to the heavenly hosts of Light
Raising all life, enfolding in Light!

Expanding the Light, God’s plan fulfill—
O Mighty I AM!
Expanding the Light, God’s plan fulfill—
O Mighty I AM
Praise to the I AM!
God of our fathers, whose Almighty Hand
Leads forth in beauty all the starry band
Of shining worlds in splendor through the skies
Our grateful songs before thy throne arise.

Thy love divine hath led us in the past
In this free land, by thee our lot is cast
Be thou our ruler, guardian, guide, and stay
Thy Word our law, thy paths our chosen way.

From war’s alarms, from deadly pestilence
Be thy strong arm our ever sure defense
Thy true religion in our hearts increase
Thy bounteous goodness nourish us in peace.

Refresh thy people on their toilsome way
Lead us from night to never-ending day
Fill all our lives with love and grace divine
And glory, laud, and praise be ever thine.

Words by Daniel Crane Roberts (hymn tune “National Hymn” by George William Warren)
We gather together to ask the Lord’s blessing
He chastens and hastens his will to make known
The wicked oppressing, cease them from distressing
Sing praises to his name, he forgets not his own.

Beside us to guide us, our God with us joining
Ordaining, maintaining his kingdom divine
So from the beginning the fight we were winning
Thou, Lord, wast at our side—all glory be thine!

We all do extol thee, thou Leader in battle
And pray that thou still our Defender wilt be
Let thy congregation escape tribulation!
Thy name be ever praised! O Lord, make us free!

Lord make us free!*

AMAZING GRACE

Amazing grace! how sweet the sound
That saved a soul like me!
I once was lost, but now am found
Was blind, but now I see.

'Twas grace that taught my heart to fear
And grace my fears relieved;
How precious did that grace appear
The hour I first believed!

Through many dangers, toils, and snares
I have already come;
'Tis grace hath brought me safe thus far
And grace will lead me home.

The Lord has promised good to me
His word my hope secures;
He will my shield and portion be
As long as life endures.

Yea, when this flesh and heart shall fail
And mortal life shall cease,
I shall possess, beyond the veil
A life of joy and peace.

When we’ve been there ten thousand years
Bright shining as the sun,
We’ve no less days to sing God’s praise
Than when we first begun.

HALLELUJAH, AMEN

*Hallelujah, Amen, Amen
Hallelujah, Amen.* (3x)
Amen, Amen
Hallelujah, Hallelujah, Hallelujah.
Hallelujah, Amen, Amen
Hallelujah, Amen.

O Judah, rejoice, rejoice!
Rejoice, O Judah, in songs divine
With Cherubim and Seraphim harmonious join (2x)
Hallelujah, Amen, Amen
Hallelujah, Amen.
And in songs divine, harmonious join
Hallelujah, Amen, Amen
Hallelujah, Amen ......
Amen ...... Amen ..
Hallelujah, Amen.

LO, THE CONQUERING HERO COMES

Introduction—8 measures, 2/2 time
Lo, now the conqu’ring hero comes!
Sound the trumpets, beat the drums.

Interlude—8 measures, 2/2 time
Let us all prepare, the laurels bring
Songs of triumph to him sing
Let all prepare, the laurels bring
Songs of triumph to him sing.

Honor to those who with valor have won!
Laud we their name for deeds nobly done.
Highest praises now proclaim
All honor and glory to their name.
Honor to those who with valor have won!
Laud we their name for deeds nobly done.

Lo, now the conqu’ring hero comes!
Sound the trumpets, beat the drums.
Let us all prepare, the laurels bring
Songs of triumph to him sing.
Lo, now the conqu’ring hero comes!
Sound the trumpets, beat the drums.

From Judas Maccabaeus by George Frederick Handel
In fancy I stood by the shore one day
   Of the beautiful murm’ring sea
I saw the great crowds as they thronged the way
   Of the Master of Galilee.
I saw how the man who was blind from birth
   In a moment was made to see
The lame were made whole by the matchless skill
   Of the Master of Galilee.

And I felt I could love him forever
   So gracious and tender was he
I claimed him that day as my Saviour
   Our Jesus of Galilee.

His look of compassion, his words of love
   They shall never forgotten be
When sin-sick and helpless he saw me there
   This Master of Galilee.
He showed me his hand and his riven side
   And he whispered, “It was for thee.”
My burden fell off at the pierced feet
   Of the Master of Galilee.

And I felt I could love him forever
   So gracious and tender was he
I claimed him that day as my Saviour
   Our Jesus of Galilee.

(over)
I heard him speak “Peace” to the angry waves
    Of that turbulent, raging sea
And lo, at his Word are the waters stilled
    This Master of Galilee.
A peaceful, a quiet, and holy calm
    Now and ever abides with me
He holdeth my life in his mighty hands
    This Master of Galilee.

And I felt I could love him forever
    So gracious and tender was he
I claimed him that day as my Saviour
    Our Jesus of Galilee.

Come ye who are driven and tempest-tossed
    And his blessed salvation see
He’ll quiet life’s storms with his “Peace, be still”
    This Master of Galilee.
He bids me to go and the story tell
    What he ever to you will be
If only you let him with you abide
    This Master of Galilee.

O my friend, won’t you love him forever
    So gracious and tender is he
Accept him today as your Saviour
    This Jesus of Galilee.
Jesus, Master divine
    Jesus, sweet Brother mine
Let thy Light through me shine
    Possess my world today.

Take thou my hand and hold it fast
    Let me express thy peace at last
Flood now my world with all thou hast
    I claim thy Vict’ry now!

Jesus, thou art my Lord
    Jesus, the I AM Word
Blue lightning is the sword
    Which cuts me free today.

Hold thou for me my God-control
    Now purify, complete my soul
Keep me up-reaching toward my goal
    Thou art the guide for me!

Jesus, I love thy name
    Jesus, its pow’r and fame
Transmute by violet flame
    All shadows of this world.

I call thee now, come blaze thy Light
    Come, set me free, make all things right
Help me to be God’s I AM might
    My plan divine fulfill!

(over)
Jesus, victor supreme
    Jesus, thy whole lifestream
A God-example’s been
    To all evolving here.

Help me the Christ in all to see
    Thy full example true to be
Help me express God-mastery
    In all I do each day!
I AM the true life of the Flame
A focus of God’s I AM name
Descending cycle from the sun
My radiant source, thou Lovely One.

I AM thy chalice ever free
My purposed aim like thee to be
A ray of Light’s expanding love
A focus for God’s Comfort Dove.

Thy ray now anchored in my form
Does my divinity adorn
Thy Flame, a rising sacred fire
Each moment takes me ever higher

Until at last, made purer still
Eternal focus of thy will
I AM thy crystal chalice pure
An anchor of thy love secure.

A healing fountain to the earth
I AM real proof of Life’s rebirth
Which by the power of thy name
Ascends today thy love to claim.

I AM thy radiance crystal clear
Forever pouring through me here
Thy living joy fore’er expanding
I AM with thee all life commanding!
Our Father who art in heaven
Hallowed be thy name
Hallowed be thy name
Hallowed be thy name, I AM.

I AM thy kingdom come
I AM thy will being done
I AM on earth even as I AM in heaven,
in heaven, in heaven
I AM on earth even as I AM in heaven.

(I AM in heaven, I AM in heaven)
Interlude—4 measures, 3/4 time

I AM giving this day daily bread to all
I AM forgiving all life this day even as
I AM also all life forgiving me,
life forgiving me, life forgiving me.

Interlude—4 measures, 4/4 time

I AM leading all men away from temptation
I AM deliv’ring all men from ev’ry evil condition
I AM the kingdom
I AM the power and
I AM the glory of God in eternal, immortal
manifestation—
All this I AM, all this I AM, I AM.

(all this I AM, all this I AM)
I AM THAT I AM
I AM the Open Door which no man can shut
I AM the Light which lighteth every man
that cometh into the world
I AM the Way
I AM the Truth
I AM the Life
I AM the Resurrection
I AM the Ascension in the Light
I AM the fulfillment of all my needs and requirements
of the hour
I AM abundant supply poured out upon all Life
I AM perfect sight and hearing
I AM the manifest perfection of being
I AM the illimitable Light of God
made manifest everywhere
I AM the Light of the Holy of Holies
I AM a son of God
I AM the Light in the holy mountain of God

God, God, God! (4x)
God!

With feeling deep and wisdom pure
My soul draws nigh to thee
I AM thy gratitude expressed
In ev’ry part of me!
For earth and sea and sky are all
Within thy kingdom fair
And I AM also a real part
Of life that’s ev’rywhere.

Now when a part of this vast life
Believes itself alone
And feels left out and quite apart
As though real joy had flown
Let us who can by heaven’s grace
The breach of fear now seal
And bring assurance to each soul
That God will always heal.

Then practice is the way to preach
The gospel of delight
That acts to free mankind from fear
And steers each soul aright.
So let us go and make this known
That God be daily thanked
For each small grace he gives to all
From heaven’s cosmic bank!
TO THE SEVEN ARCHANGELS

Michael, Michael, Michael
Prince of the archangels
From the grateful hearts of all
Do songs of praise arise.
For thy heavenly presence
All on earth adore thee
God from the Sun
In all the name implies.

Michael, Michael, Michael
May the guardian angels
From thy heavenly legions
Stand forth to set all free.
Purify, illumine
Manifest the glory
Of light’s perfection
That each one may be.

Jophiel and Chamuel
Gabriel and Raphael
Uriel and Zadkiel
And mighty hosts of light.
Cherubim and seraphim
From the realms of glory
Rend now the veil
That dims our human sight.

(over)
Blessed seven archangels
   For illumination
We invoke thy presence
   In hymns of praise to thee.
Keep us consecrated
   To God’s plan fulfilling
In purity
   Thy ministers to be.
TO GOD’S ANGELS

Dear angels, bright angels now hov’ring above
Are watching, protecting, and guiding with love
Dear angels of heaven, our songs rise to thee
In quiet communion thy beauty we see.

Dear angels, blest angels, send comfort to earth
In minist’ring, healing, and giving rebirth
Perfection’s great light now enfold every soul
To teach us and help us to all reach our goal.

Dear angels, God’s angels, thou cohorts of Light
Though presently veiled from our earthly sight
God’s peace and God’s love are the keys to your heart
We love you and pray that you never depart.

Then one day, dear angels, we’ll rise up to thee
To dwell in the realms of thy creativity
We then shall ascend borne on Light’s shining ray
Majestic, triumphant, bring in the new day.
I’LL WALK WITH GOD

I’ll walk with God from this day on
His helping hand I’ll lean upon
This is my pray’r, my humble plea
May the Lord be ever with me.

There is no death, though eyes grow dim
There is no fear when I’m near to him.
I’ll lean on him forever
And he’ll forsake me never.

He will not fail me
As long as my faith is strong
Whatever road I may walk along.

I’ll walk with God, I’ll take his hand
I’ll talk with God, he’ll understand
I’ll pray to him, each day to him
And he’ll hear the words that I say.
His hand will guide my throne and rod
And I’ll never walk alone
While I walk with God!

Words by Paul Francis Webster. Music by Nicholas Brodzsky
I AM the Way up from the plain
To the summit of happiness’ reign.
I AM the Way o'ercoming each hour
By the flame of Christlike power.
I AM the Way appearing now
In victory's Light to which I bow.
I AM the goal of freedom's might,
I AM the strength of heaven's Light.
Through Christ I pass each test aright,
Through purity I AM God's might.
Receptive to the Christ within,
I AM the Way that now begins.
The strife is o'er, his Way is peace—
By Victory's flame of full release,
I AM the Way's resurging glow
That's with me then each step I go,
Until the gate of freedom won,
I rise transcendent to the Sun!
I AM the Life triumphant,
I AM God-identified!
God is my life established
That cannot be denied.
I AM thyself in action,
I come and go in thee.
I AM thine own perfection
For all eternity.

All finite choices done with,
Behold reality!
Through ritual of becoming
I AM all one in thee.
The scarlet stain transmuted
Into thy essence white,
As snowy wings enfold me
In dazzling rainbows bright,

Ascends as confirmation of
Thy presence full of love
From the chalice of my being
To God’s great heart above.
I AM thy life all-seeing
As shades of darkness flee.
The touch of thy great being
Now rends the veil for me!

(next page)
Before me is the goalpost,
Through mist its light I see;
And though I walk the valley
Of shadow I AM free.
I know that thou art with me,
Thy rod does amplify
The power of my freedom—
Life’s every need supply.
MY LIFE IS THINE

All that I had thought my own—
My name, my fame, my contacts
  (fears and blames)—
I cast them all within thy flame;
And in the glow of mastery
My Christed radiance now I see
Descending from the heart of God,
A special gift of thine own love.

Descending now, thy Presence fair
In answer to my humble prayer
Reveals thyself as Light in me;
The Presence of Eternity
In time consents to honor thee
And be restored to rightful place
Wherein my eyes behold thy face
Appear transcendent as the dawn,
The brightness of a cosmic morn
Where sweet surrender then is born
And consecration comes to me
Forevermore to be like thee.

I AM thyself in action here;
Thy grace, O God, in me appears!
Thy kingdom come—my life is thine—
And thus we triumph over time!
Praise to the Lord, the Almighty,
the King of Creation!
O my soul, praise him, for he is
thy health and salvation!
   All ye who hear
   Now to his temple draw near
   Join me in glad adoration.

Praise to the Lord, who o’er all things
so wondrously reigneth
Shelters thee under his wings, yea,
so gently sustaineth!
   Hast thou not seen
   How thy desires e’er have been
   Granted in what he ordaineth?

Praise to the Lord, who doth prosper
thy work and defend thee!
Surely his goodness and mercy here
daily attend thee
   Ponder anew
   What the Almighty can do
   If with his love he befriend thee!

Praise thou the Lord, who with marvelous wisdom
hath made thee
Decked thee with health, and with loving hand
guided and stayed thee.
   How oft in grief
   Hath not he brought thee relief
   Spreading his wings to o’ershade thee!

(over)

Words by Joachim Neander, translated by Catherine Winkworth (hymn tune “Lobe den Herren”)
Praise to the Lord! O let all that is in me adore him!
All that hath life and breath, come now with praises before him!
Let the Amen
Sound from his people again
Gladly for aye we adore him.
O Lord my God! When I in awesome wonder
Consider all the worlds thy hands have made
I see the stars, I hear the rolling thunder
Thy pow’r throughout the universe displayed—

Refrain:
Then sings my soul, my Saviour-God to thee
How great thou art, how great thou art!
Then sings my soul, my Saviour-God to thee
How great thou art, how great thou art!

O Light within, thou art my inner splendor—
The Christ in man, the Flame, the Three-in-One
When I invoke thy will, O Great Defender
I see the goal of Life for every Son—

Thy Spirit bold, thy Flame of Love so tender—
Thou Holy One in nature and all hearts
When I would praise and loving service render
I speak thy name: “I AM”—how great thou art!
COME, THOU ALMIGHTY KING

Come, thou Almighty King
Help us thy name to sing
Help us to praise:
Father, all glorious
O’er all victorious
Come and reign over us
   Ancient of Days.

Come, thou Incarnate Word
Gird on thy mighty sword
Our pray’r attend:
Come and thy people bless
And give thy Word success
Spirit of Holiness
   On us descend.

Come, Holy Comforter
Thy sacred witness bear
In this glad hour:
Thou who Almighty art
Now rule in ev’ry heart
And ne’er from us depart
   Spirit of Pow’r.

To the Great One in Three
Eternal praises be
Hence evermore.
His sov’reign majesty
May we in glory see
And through eternity
   Love and adore.

Melody: hymn tune “Italian Hymn, Trinity” or “Moscow” by Felice de Giardini
BEAUTIFUL SAVIOUR! KING OF CREATION

Beautiful Saviour!
King of Creation!
Son of God in his name “I AM”!
   Truly I’d love thee
   Truly I’d serve thee
Light of my soul, my joy, my crown.

Fair are the meadows
Fair are the woodlands
Robed in flow’rs of blooming spring.
   Jesus is fairer
   Jesus is purer
He makes the hopeful heart to sing.

Beautiful Saviour!
Lord of the nations!
Son of God in his name “I AM”!
   Glory and honor
   Praise, adoration
Now and forevermore be thine!

Melody: hymn “Fairest Lord Jesus” (hymn tune “Crusader’s Hymn” or “Saint Elizabeth” arranged by Richard S. Willis)
O Master, let me walk with thee
In lowly paths of service free
Tell me thy secret, help me bear
The strain of toil, the fret of care.

Help me the slow of heart to move
By some clear, winning word of love
Teach me the wayward feet to stay
And guide them in the Homeward way.

Teach me thy patience! still with thee
In closer, dearer company
In work that keeps faith sweet and strong
In trust that triumphs over wrong.

In hope that sends a shining ray
Far down the future’s broad’ning way
In peace that only thou canst give
With thee, O Master, let me live.

Words by Washington Gladden. Music by H. Percy Smith (hymn tune "Maryton")
IN THE GARDEN

I come to the garden alone
   While the dew is still on the roses
And the voice I hear, falling on my ear
   The Son of God discloses.

Refrain:
   And he walks with me, and he talks with me
      And he tells me I am his own
   And the joy we share as we tarry there
      None other has ever known.

He speaks, and the sound of his voice
   Is so sweet the birds hush their singing
And the melody that he gave to me
   Within my heart is ringing.

I’d stay in the garden with him
   Though the night around me be falling
But he bids me go; through the voice of woe
   His voice to me is calling.

Words and hymn tune by C. Austin Miles
Lead, kindly Light, amid th’ encircling gloom
Lead thou me on!
The night is dark, and I am far from home
Lead thou me on!
Keep thou my feet; I do not ask to see
The distant scene, one step enough for me.

I was not ever thus, nor prayed that thou
Shouldst lead me on
I loved to choose and see my path, but now
Lead thou me on!
I loved the garish day, and, spite of fears,
   Pride ruled my will; remember not past years.

So long thy pow’r hath blest me, sure it still
Will lead me on
O’er moor and fen, o’er crag and torrent, ’til
The night is gone
And with the morn those angel faces smile
   Which I have loved long since, and lost awhile!

Dearest Jesus, we sing to thee
Our voices full with praise and thanksgiving.
And unto you we bring our hearts pure and free
Our joy of serving and living.

Fairest Magda, roses we bring
Perfumed with essence sweet and rare
The distillation of our love for you
As sweet as the incense of pray'r.

Twin flames of immortal splendor
Help us to realize the goal
And woo with love so tender my soul!

Blessed Jesus and Magda dear
O lead us from mortal illusion!
Infuse our souls with reality
Dissolving all doubt and confusion.

In our sweet communion with thee
Fashion a Grail of hearts perfected
And keep Camelot in thy embrace
Held fast and secure forever.
DEAREST JESUS, FAIREST MAGDA

Dearest Jesus, we sing to thee
Our voices full with praise and thanksgiving.
And unto you we bring our hearts pure and free
Our joy of serving and living.

Fairest Magda, roses we bring
Perfumed with essence sweet and rare
The distillation of our love for you
As sweet as the incense of pray’r.

Twin flames of immortal splendor
Help us to realize the goal
And woo with love so tender my soul!

Blessed Jesus and Magda dear
O lead us from mortal illusion!
Infuse our souls with reality
Dissolving all doubt and confusion.

In our sweet communion with thee
Fashion a Grail of hearts perfected
And keep Camelot in thy embrace
Held fast and secure forever.
We sing to thee, dearest Jesus, fairest Magda.
Love divine, all love excelling
   Joy of heav’n, to earth come down
Fix in us thy humble dwelling
   All thy faithful mercies crown.
Jesus, thou art all compassion
   Pure, unbounded love thou art
Visit us with thy salvation
   Enter every trembling heart.

Breathe, O breathe thy loving Spirit
   Into every troubled breast
Let us all in thee inherit
   Let us find that second rest.
Take away our bent to sinning
   Alpha and Omega be
End of faith, as its beginning
   Set our hearts at liberty.

Come, Almighty, to deliver
   Let us all thy Life receive
Suddenly return, and never
   Nevermore thy temples leave.
Thee we would be always blessing
   Serve thee as thy hosts above
Pray and praise thee without ceasing
   Glory in thy perfect love.

(over)
Finish then thy new creation
  Pure and spotless let us be
Let us see thy great salvation
  Perfectly restored in thee:
Changed from glory into glory
  'Til in heav'n we take our place
'Til we cast our crowns before thee
  Lost in wonder, love, and praise.
O worship the King, all glorious above
    O gratefully sing his power and his love
Our shield and defender, the Ancient of Days
    Pavilioned in splendor and girded with praise.

O tell of his might, O sing of his grace
    Whose robe is the light, whose canopy space
His chariots of wrath the deep thunderclouset form
    And dark is his path on the wings of the storm.

Thy bountiful care, what tongue can recite?
    It breathes in the air, it shines in the light
It streams from the hills, it descends to the plain
    And sweetly distills in the dew and the rain.

Frail children of dust, and feeble as frail
    In thee do we trust, nor find thee to fail
Thy mercies how tender! how firm to the end!
    Our Maker, Defender, Redeemer, and Friend!

Words by Robert Grant. Music adapted from Johann Michael Haydn (hymn tune "Lyons")
All glory, laud, and honor
To thee—Redeemer, King
To whom the lips of children
Made sweet hosannas ring.
The people of the Hebrews
With palms before thee went
Our praise and pray'r and anthems
Before thee we present.

Thou art the King of Israel
Thou David's royal son
Who in the Lord's name comest
The King and Blessed One.
To thee, before thy passion
They sang their hymns of praise
To thee, now high exalted
Our melody we raise.

Thou didst accept their praises
Accept the pray'rs we bring
Who in all good delightest
Thou good and gracious King.
All glory, laud, and honor
To thee—Redeemer, King
To whom the lips of children
Made sweet hosannas ring.
GIVE OF YOUR BEST TO THE MASTER

Give of your best to the Master
Give of the strength of your youth
Throw your soul’s fresh, glowing ardor
Into the battle for Truth.
Jesus has set the example
Dauntless was he, young and brave
Give him your loyal devotion
Give him the best that you have.

Refrain:
Give of your best to the Master
Give of the strength of your youth
Clad in salvation’s full armor
Join in the battle for Truth.

Give of your best to the Master
Give him first place in your heart
Give him first place in your service
Consecrate ev’ry part.
Give, and to you shall be given
God his beloved Son gave
Gratefully seeking to serve him
Give him the best that you have.

Give of your best to the Master
Naught else is worthy his love
He gave himself for your ransom
Gave up his glory above
Laid down his life without murmur
You from sin’s ruin to save—
Give him your heart’s adoration
Give him the best that you have.
Rejoice, ye pure in heart
Rejoice, give thanks and sing
Your festal banner wave on high
The cross of Christ your King.

Refrain:
Rejoice (rejoice), rejoice (rejoice),
Rejoice, give thanks and sing.

Bright youth and snow-crowned age
Strong men and maidens meek
Raise high your free, exulting song
God’s wondrous praises speak.

With all the angel choirs
With all the saints on earth
Pour out the strains of joy and bliss
True rapture, noblest mirth.

Yes, on through life’s long path
Still chanting as ye go
From youth to age, by night and day
In gladness and in woe.

Then on, ye pure in heart
Rejoice, give thanks and sing
Your glorious banner wave on high
The cross of Christ your King.

Words by Edward Hayes Plumptre. Music by Arthur H. Messiter (hymn tune “Marion”)
I'm pressing on the upward way
   New heights I'm gaining every day
Still praying as I onward bound
   “Lord, plant my feet on higher ground.”

Refrain:
   Lord, lift me up and let me stand
      By faith, on heaven’s tableland
A higher plane than I have found
   Lord, plant my feet on higher ground.

My heart has no desire to stay
   Where doubts arise and fears dismay
Though some may dwell where these abound
   My pray’r, my aim, is higher ground.

I want to live above the world
   Though Satan’s darts at me are hurled
For faith has caught the joyful sound
   The song of saints on higher ground.

I want to scale the utmost height
   And catch a gleam of glory bright
But still I’ll pray ’til heav’n I’ve found
   “Lord, lead me on to higher ground.”
THE SONG OF SAINT STEPHEN

When Stephen, full of pow’r and grace
Went forth throughout the land
He bore no shield before his face
No weapon in his hand
But only in his heart a flame
And on his lips a sword
Wherewith he smote and overcame
The foemen of the Lord.

When Stephen preached against the laws
And by those laws was tried
He had no friend to plead his cause
No spokesman at his side
But only in his heart a flame
And in his eyes a light
Wherewith God’s daybreak to proclaim
And rend the veils of night.

When Stephen, young and doomed to die
Fell crushed beneath the stones
He had no curse nor vengeful cry
For those who broke his bones
But only in his heart a flame
And on his lips a pray’r
That God, in sweet forgiveness’ name
Should understand and spare.

Words by Jan Struther (hymn tune "Job" or "Kingsfold")
THE SONG OF SAINT STEPHEN
(continued)

Let me, O Lord, thy cause defend
A knight without a sword
No shield I ask, no faithful friend
No vengeance, no reward
But only in my heart a flame
And in my soul a dream
So that the stones of earthly shame
A jeweled crown may seem.
ONWARD, CHRISTIAN SOLDIERS

Onward, Christian soldiers, marching as to war
With the cross of Jesus going on before!
Christ, the royal master, leads against the foe
Forward into battle, see his banners go!

Refrain: Onward, Christian soldiers, marching as to war
With the cross of Jesus going on before!

Like a mighty army moves the Church of God
Brothers, we are treading where the saints have trod
We are not divided, all one body we
One in hope and doctrine, one in charity.

Crowns and thrones may perish, kingdoms rise and wane
But the Church of Jesus constant will remain
Gates of hell can never ’gainst that Church prevail
We have Christ’s own promise, which can never fail.

Onward, then, ye people! Join our happy throng
Blend with ours your voices in the triumph song
Glory, laud, and honor unto Christ the King
This through countless ages men and angels sing.

In the Name of the I AM THAT I AM,
I invoke the Electronic Presence of Jesus Christ:
   They shall not pass!  (3x)
By the authority of the cosmic cross of white fire
   it shall be:
That all that is directed against the Christ within me,
   within the holy innocents,
   within our beloved messengers,
   within every son and daughter of God
Is now turned back
   by the authority of Alpha and Omega,
   by the authority of my Lord and Saviour Jesus Christ,
   by the authority of Saint Germain!

Interlude—4-1/2 beats

I AM THAT I AM within the center of this temple
   and I declare in the fullness of
   the entire Spirit of the Great White Brotherhood:

   (spoken)
That those who, then, practice the black arts
   against the Children of the Light
Are now bound by the hosts of the Lord,
Do now receive the judgment of the Lord Christ
   within me, within Jesus,
   and within every Ascended Master,
Do now receive, then, the full return—
   multiplied by the energy of the Cosmic Christ—
   of their nefarious deeds which they have practiced
   since the very incarnation of the Word!

   2 beats

   (sung)
Lo, I AM a Son of God!
Lo, I AM a Flame of God!
Lo, I stand upon the Rock of the living Word
And I declare with Jesus, the living Son of God:
They shall not pass!  (3x)
O sanctissima, O piissima

Et macula non est in te
(And there is no sin in you)

Mater amata, intemerata
(Beloved Mother, O chaste one)

Ora, ora pro nobis.
(Pray, pray for us)

Sicut lilium, inter spinas
(As a lily among the thorns)

(So are you, Mary, among women)

Mater amata, intemerata
(Beloved Mother, O chaste one)

Ora, ora pro nobis.
(Pray, pray for us)

Being of sanctity
Flower of immortality
Revered thy flame of consecration
O Mary, hallow’d is thy name
Your soul a symphony, holy and pure
to the Christ in man.
O Father, bless her for her faith in thee
Expand her holy mantle of Light
Inspire the great, magnificent concept
The image lovely, so gentle and mild
Born of Divinity.

Interlude—2 measures, 4/4 time

Holy Madonna
Pure in soul and mind
We bow to the Light you bore the earth
The Christ who enters each heart to raise
All to love, the goal of self-mastery—
the path of great worth.
Dear Mary, we invoke thy blessed rays
Of healing power that flows from your heart
O Raphael, consecrate our pathway
And help us cosmic grace impart
Light, teach us all thou art!

Interlude—2 measures, 4/4 time

Blest Queen of Heaven
Great art thou!
Instruct and bless our youth and children
Enfold them with thy Presence now
Restore the mem’ry of their holy vows

O Mother of the World, we are thy flames
Our holy God-design we claim
Rejoice, rejoice, O heavenly powers
For earth does seek thee, the God Star our aim
Victory in God’s name.
HAIL, HOLY QUEEN, ENTHRONED ABOVE

Hail, Holy Queen, enthroned above, O Maria!
Hail, Mother of Mercy and of Love, O Maria!

Triumph, all ye cherubim; sing with us, ye seraphim
Heav’n and earth resound the hymn:
Salve, salve, salve, Regina!
Hail, hail, hail, Queen (of Heaven)

Our Life, our sweetness here below, O Maria!
Our hope in sorrow and in woe, O Maria!

Turn then, most gracious advocate, O Maria!
T’wards us thine eyes compassionate, O Maria!

When this our exile is complete, O Maria!
Show us thy son, our Jesus sweet, O Maria!

O clement, gracious, Mother sweet, O Maria!
O Virgin Mary, we entreat, O Maria!

ON THIS DAY, O BEAUTIFUL MOTHER

Chorus:
   On this day, O beautiful Mother
   On this day we give thee our love.
   Near thee, Madonna, fondly we hover
   Trusting thy gentle care to prove.

1. On this day we ask to share
   Dearest Mother, thy sweet care.
   Aid us ere our feet astray
   Wander from thy guiding way.

2. Queen of Angels, deign to hear
   Lisping children’s humble pray’r.
   Young hearts gain, O Virgin pure
   Sweetly to thyself allure.

3. Rose of Sharon, lovely flow’r
   Beauteous bud of Eden’s bow’r
   Cherished lily of the vale
   Virgin Mother, Queen we hail.
THE HAIL MARY

Hail, Mary, full of grace
the Lord is with thee.
Blessed art thou among women
and blessed is the fruit
of thy womb, Jesus.

Interlude—2 measures, 4/4 time

Holy Mary, Mother of God
Pray for us, sons and daughters of God
Now and at the hour of our victory
Over sin, disease, and death.

(Sing four times)
THE SACRED NAME OF MARY

Dear Mary’s name we love to hear
   Her healing pow’r is ever near
We praise with voices ever clear
   The sacred name of Mary.

Refrain:
   Mary! O how sweet thy name
      Thou who through divine acclaim
Mother of all men became
      Thy name we bless forever.

The name of Mary forms a part
   Of love’s great pow’r in every heart
And will God’s peace to all impart
   The holy name of Mary.

The name of Mary is so sweet
   The concept of the Christ complete
We see as each time we repeat
   The blessed name of Mary.

THE MAGNIFICAT

Chorus:
My soul doth magnify the Lord
And my spirit hath rejoiced in God
my Saviour.
For he hath regarded the low estate
of his handmaiden
of his handmaiden.

For, behold, from henceforth
All generations shall call me blessed.
For he that is mighty
hath done to me great things
And holy is his name
And holy is his name.
And his mercy is on them that fear him
from generation to generation.

He hath showed strength with his arm
He hath scattered the proud
in the imagination of their hearts
He hath put down the mighty from their seats
and exalted them of low degree
He hath filled the hungry with good things
and the rich he hath sent empty away.

He hath holpen his servant Israel
in remembrance of his mercy
As he spake to our fathers, to Abraham
and to his seed for ever.

(Sing chorus) Luke 1:46–55
MARY

Gloria in excelsis!
   Gloria in excelsis!
      Gloria in excelsis Deo!
Mary, Mary, let every tongue proclaim
Glory, honor, praise to thy holy name
Mary, Mary, hearing our every call
Mary, Mary, whispering hope to all.

Lift up your voices, sing out, every nation
Sing love’s sweet story throughout all creation
Sing, elementals and angels above
Ring out the glory of heavenly love.

Soft is thy voice as an angel in heaven
Thy Sacred Heart to each one has been given
Beloved Mary, our hearts rise to thee
Make us now one with thy great Trinity.

Cast out all shadows and cast out all fear
Let the immaculate concept appear!
Let the immaculate concept appear!
Let the immaculate concept appear!

Come, Holy Christ Child, be born in each one
Blaze thy perfection, O Great Central Sun!
Blaze thy perfection, O Great Central Sun!
Blaze thy perfection, O Great Central Sun!

Interlude—2 measures, 2/2 time

Let the angels ring the bells of heaven

Interlude—1 measure, 4/4 time
(over)
Hallelujah, hallelujah, hallelujah!
Ring! Ring! Ring! Ring! Ring!
Hallelujah, hallelujah, hallelujah!
Gloria in excelsis!
   Gloria in excelsis!
      Gloria in excelsis Deo!
I witnessed the love radiating from Mary! 
I stood before the Virgin of Guadalupe! 
Oh, how she told me she’d waited so long 
For me to see her and take forth my song!

Mother Mary told me to be sure to tell you 
The time has come for her to appear to 
The eyes of children all of so much worth 
Across the face of our dear Mother Earth.

Ave Maria, I love you, too! 
Mother Mary told me, “I love you.”

From the holy ground where she appeared 
to Juan Diego 
I take this song to sing, and onward I go 
To tell the people she’ll be coming soon 
Clothed with the Sun, under her feet the moon!

Ave Maria, I love you, too! 
Mother Mary told me, “I love you.”

One thing she told me is that her love 
Is meant to flow to all under God’s law. 
Here’s how to call her and with her you can be 
Call Mother Mary to gain your victory:

(over)
THE VIRGIN OF GUADALUPE
(continued)

(speaken while verse is played)

Hail, Mary, full of grace! The Lord is with thee. Blessed art thou among women and blessed is the fruit of thy womb, Jesus.

Holy Mary, Mother of God, pray for us, sons and daughters of God, now and at the hour of our victory over sin, disease, and death.

*Ave Maria, I love you, too!
Mother Mary told me, “I love you.” *(2x)
MOTHER, DEAR MOTHER

Introduction—4 measures, 3/4 time

Mother, dear Mother
I love thee, I do!
Praise be unto heaven
For the gift of you.
Your smiling presence
Sweet essence from above
Bearing resemblance to
An angel of love!

My heart expands and
Glovs warm from within
Bidding thee, Mother
To enter in!
Mother, O Mother
Do hear my plea
Purified, sanctified
I long to be
I am satisfied to abide
Only in thee.

Interlude—3 measures, 3/4 time

Mother, dear Mother
This pledge I renew:
Always to be faithful
Ever noble and true.
I shall defend thee
O come what may!
Never to leave thee
To doubt thee or stray.

(over)
MOTHER, DEAR MOTHER
(continued)

I shall be brave
When surrounded by fear
How can I ever fail
When thou art so near me?
Mother, O Mother
Let thy Light shine!
Come to bless with happiness
Angel divine
I will give my all at thy call—
My life is thine.

I will give my all at thy call—
My life is thine.
Raphael,* glorious archangel
   Standing in earth's atmosphere
Blaze thy Light through and around us
   That all may God's pow'r revere.
There in thy radiant splendor
   Naught but perfection can live
Speak thy great love through each heartbeat
   And, in God's mercy, forgive.

Refrain:
Raphael dear, our heart's call do now hear
   Consecrate us, each one
To earth's great vict'ry won
   Every heart sings as thy great Presence brings
Healing* in thy bright wings.

We give our all to dear Raphael
   That we may heaven regain
With his great love flowing through us
   All shall e'er constant remain.
We call to our blest archangel
   Hold us e'er peaceful within
As through us he pours his blessing
   In us new life will begin.

Raphael, glorious archangel
   Bring us thy heavenly peace
As all outpicture thy Christ light
   Mankind in grace shall increase.
Blessings and love to thee always
   Raphael, from God's heart, we call
We give our life's consecration
   To thee and archangels all.

*This song may be used for any of the seven archangels and Archangel Uzziel. Substitute their names individually wherever "Raphael" appears and insert the appropriate quality in place of "healing" in refrain.

Melody: "Whispering Hope" by Alice Hawthorne
MARY’S DIAMOND HEART

Diamond Heart, Diamond Heart
Mary’s sweet Diamond Heart
Glow and glow through us below
Blaze through us, Diamond Heart!

In this world of sin set us free
By our Saint Joseph eternally

Blaze through us, Diamond Heart
Mary’s Diamond Heart, enter every heart
Glow! Glow! Glow!
CHRIST—THE IMMACULATE CONCEPT

There is a cosmic concept
   Held e’er within God’s heart
Of each one’s great perfection
   Of us it is a part.
Immaculate in essence
   Pure in its God-design
Outpicted in the Presence
   It is our plan divine.

Beloved Mother Mary
   E’er poised in list’ning grace
In holy adoration
   We see thy shining face
Raised ever to the concept
   Of Christ in all mankind
Help us attain perfection
   In body, soul, and mind.

Now do we give acceptance
   To this, God’s image pure
As its great light outpictures
   We shall fore’er endure.
Immaculate the concept
   Of that we e’er shall be
As God’s great plan fulfilling
   We now ascend, all free.

And on earth peace, good will t’ward men. (hold 8 beats)

BELOVED RAPHAEL AND MARY
Archangel and Archeia of the Fifth Ray
(continued)

O lilies of resurrection fire
O Light from far-off worlds, we call
All-Seeing Eye of God
Archangels of Truth, we call!

O let us partake of the communion cup
The bread of Life, the body of our Lord
Let love be the foundation
O heal the minds and hearts of man!

And Christ is born within our hearts
To each soul joy imparts
Fragrance from heaven’s bower
Teaching mankind every hour.

O Raphael and Mary, God loves us all!
And holds us from worldly pall
And raises us in living flame
To the beauty of his name!
WHAT CHILD IS THIS?

What child is this, who, laid to rest
   On Mary’s lap is sleeping
Whom angels greet with anthems sweet
   While shepherds watch are keeping?

This, this is Christ the King
   Whom shepherds guard and angels sing
Haste, haste to bring him laud
   The babe, the son of Mary.

Why lies he in such mean estate
   Where ox and ass are feeding?
Good Christian, fear: for sinners here
   The silent Word is pleading.

Nails, spear shall pierce him through
   The cross be borne for me, for you
Hail, hail the Word made flesh
   The babe, the son of Mary!

So bring him incense, gold and myrrh
   Come, peasant, king to own him
The King of kings salvation brings
   Let loving hearts enthrone him.

Raise, raise the song on high
   The Virgin sings her lullaby
Joy, joy, for Christ is born
   The babe, the son of Mary!

Mary, Mary, Mary …

Words by William C. Dix. Melody: “Greensleeves” (hymn tune “Greensleeves”)
GESÙ BAMBINO

When blossoms flowered 'mid the snows
Upon a winter night
Was born the child, the Christmas Rose
The King of love and Light.
The angels sang, the shepherds sang
The grateful earth rejoiced
And at his blessed birth
The stars their exultation voiced.
O come let us adore him
O come let us adore him
O come let us adore him
Christ the Lord.

Again the heart with rapture glows
To greet the holy night
That gave the world its Christmas Rose
Its King of love and Light.
Let every voice acclaim his name
The grateful chorus swell
From paradise to earth he came
That we with him might dwell.
O come let us adore him
O come let us adore him
O come let us adore him
Christ the Lord.

Ah... O come let us adore him
Ah... adore him, Christ the Lord
O come, O come, O come let us adore him
Let us adore him, Christ the Lord.
O HOLY NIGHT

O holy night! The stars are brightly shining
It is the night of the dear Saviour’s birth
Long lay the world in sin and error pining
’Til he appeared and the soul felt its worth.
A thrill of hope—the weary soul rejoices
For yonder breaks a new and glorious morn

Fall on your knees! O hear the angel voices!
O night divine! O night when Christ was born
O night divine! O night, O night divine!

Led by the light of faith serenely beaming
With glowing hearts, by his cradle we stand
So, led by light of a star sweetly gleaming
Here came the wise men from the Orient land.
The King of kings lay thus in lowly manger
In all our trials born to be our friend

He knows our need, to our weakness no stranger
Behold your King! Before the lowly bend!
Behold your King! your King! before him bend!

Truly he taught us to love one another
His law is love and his Gospel is peace.
Chains shall he break, for the slave is our brother
And in his name all oppression shall cease.
Sweet hymns of joy in grateful chorus raise we
Let all within us praise his holy name

Christ is the Lord, then ever, ever praise we
His pow’r and glory evermore proclaim
His pow’r and glory evermore proclaim.

THE BELLS OF SAINT MARY’S

The bells of Saint Mary’s
At sweet eventide
Shall call me, beloved
To come to your side.
And out in the valley
In sound of the sea
I know you’ll be waiting
Yes, waiting for me.

The bells of Saint Mary’s
Ah, hear, they are calling
The young loves, the true loves
Who come from the sea.
And so, my beloved
When red leaves are falling
The love bells shall ring out
Ring out for you and me.

And so, my beloved
When red leaves are falling
The love bells shall ring out
Ring out for you and me.

The bells of Saint Mary’s
Ah, hear, they are calling
The love bells shall ring out
Ring out for you and me.

BLESSED MOTHER MARY

Blessed Mother Mary
    In thy love and grace
And thy Mother feeling
    Enfold all the race
Consecrate us, Mary dear
    Body, spirit, soul, and mind
Let thy healing essence
    Bless now all mankind.

Raise mankind’s attention
    To thy realms on high
’Til they know God’s presence
    And on him rely
To grant now each one’s desire
    To his great perfection be
And stand forth in glory
    Free eternally.

Blessed Master Jesus
    Mother Mary dear
Help us give obedience
    In our service here
Raise all God’s life on earth
    Until just like thee we win
Our ascension’s vict’ry
    By God’s light within.
Behold the thunder and the lightning
Of the resurrection!
The stone is rolled away!
Arise! Arise!
He is risen!
Into the light of the New Day!

Angels of living fire, rejoice!
Let the trumpets sound!
He is risen!
He is risen!
Let the earth be filled with gladness
And joy abound
He is risen!

Let the trumpets sound
Holy sounds abound
Jesus Christ is risen!

The clouds have rolled away
See the dawning of the day

May peace reign in every heart
He is risen
He is risen.

Legions of angels hov’ring o’er
Rejoice! Rejoice!
A new day is born.

(over)
Let captains and kings
And princes and the mighty tremble
For the hour of judgment is come!

I AM the LORD thy God
In the very midst of thee
A smoking furnace, a burning lamp
The threefold flame of eternity
Behold the sealing of the Light
Behold the message of the Word.

Live, oh live, O souls of Light
As the Immortal One
Lives with thee, in one accord.

Behold the thunder and the lightning
Of the resurrection!

He is risen!
He is risen!
The LORD God liveth for evermore in man
Let the zeal of thy house
Be upon us in this hour
Holy Spirit, come with fire of the sun
Come with pow’r.

Sing, ye angels
Rejoice, ye people!
Let the cleansing light
The crystal ray
Pass through us

Come to worship with us
Jesus Christ is risen!

Interlude—4 measures, 4/4 time
Give fiats to Jesus Christ

Behold the thunder and the lightning
Of the resurrection!

Interlude—4 measures, 4/4 time
Give fiats to Jesus Christ

Jesus Christ is risen
I claim the mantle
I claim the mantle!
Jesus Christ is risen!
And I looked and, lo, a cosmic cross
    of white fire
Descending out of heaven
Into the atmosphere of the earth.  (hold 4 beats)

Chorus:
And glory shone around
Glory shone around
And peace did abound
And peace did abound  (hold 8 beats)
Peace did abound.  (hold 6 beats)

And I heard the angels singing
Alleluia!
I heard the angels sing:
He is risen!  (He is risen!)  (2x)
Christ the Lord is risen!  (Christ the Lord is risen!)
Christ the Lord is risen!
Alleluia!

And I saw legions of angels
    circling ’round  (hold 7 beats)
Descending in great glory
Singing, Alleluia!  (hold 7 beats)

(Sing chorus)

Singing, Alleluia, alleluia
    alleluia, alleluia
Christ is risen, Christ is risen!
    He is risen, he is risen!
Alleluia!
Alleluia, alleluia, alleluia!
Alleluia!
Last night I lay asleeping
There came a dream so fair
I stood in old Jerusalem
Beside the temple there
I heard the children singing
And ever as they sang
Methought the voice of angels
From heav’n in answer rang
Methought the voice of angels
From heav’n in answer rang

Jerusalem, Jerusalem
Lift up your gates and sing
Hosanna in the highest
Hosanna to your King!

And then methought my dream was changed
The streets no longer rang
Hushed were the glad hosannas
The little children sang
The sun grew dark with mystery
The morn was cold and chill
As the shadow of a cross arose
Upon a lonely hill
As the shadow of a cross arose
Upon a lonely hill.

Jerusalem, Jerusalem
Hark how the angels sing
Hosanna in the highest
Hosanna to your King!
THE HOLY CITY
(continued)

And once again the scene was changed
New earth there seemed to be
I saw the Holy City
Beside the tideless sea
The light of God was on its streets
The gates were open wide
And all who would might enter
And no one was denied
No need of moon or stars by night
Or sun to shine by day
It was the New Jerusalem
That would not pass away
It was the New Jerusalem
That would not pass away.

Jerusalem, Jerusalem
Sing for the night is o’er!
Hosanna in the highest
Hosanna forevermore!
Hosanna in the highest
Hosanna forevermore!
All glory, laud, and honor  
To thee—Redeemer, King  
To whom the lips of children  
Made sweet hosannas ring.  
The people of the Hebrews  
With palms before thee went  
Our praise and pray'r and anthems  
Before thee we present.

Thou art the King of Israel  
Thou David's royal son  
Who in the Lord's name comest  
The King and Blessed One.  
To thee, before thy passion  
They sang their hymns of praise  
To thee, now high exalted  
Our melody we raise.

Thou didst accept their praises  
Accept the pray'rs we bring  
Who in all good delightest  
Thou good and gracious King.  
All glory, laud, and honor  
To thee—Redeemer, King  
To whom the lips of children  
Made sweet hosannas ring.

OUR DEAR JESUS’ VICTORY

Jesus, we greet thee on this day of days
    Master of Love who trod the path before us
Thy understanding light and patient ways
    E’en as we think of thee, thy gifts restore.
Mem’ries arise of days gone by
    When, with thy gentle heart
We sought to bring Love’s ministry
    Hosanna! Our day is come!
Jesus, crown all with thy vict’ry who
    Serve thee and thy cause of Light.

Jesus, belov’d, before thy Light we bow
    Grateful to thee for vict’ry here and now
Thine not the vapory glory of the past
    Thine daily vict’ry over all at last.
Glory to God! All men are free
    Walking in wisdom’s ways
Of Love divine inspired by thee
    Hosanna! Glory to God!
Love’s adoration to him who
    Has taught us Love’s eternal way.

Faithful and true thou art, O friend of Light!
    Great thy solicitude for life and tender
Showing the Father’s love as heaven’s will
    To bring mankind to God, with peace instill.
Glory to God! In joyous shout
    Let all that lives rejoice
As the very stones of earth cry out
    “Hosanna! Praise be to God!”
Let resurrection’s great flame
    Now reveal all that God meant to be!

(next page)
OUR DEAR JESUS’ VICTORY
(continued)

Look now to him, O ye of every land!
   He has the pow’r of Love to raise and free you
He lived victorious on every hand
   He comes again to bless and heal and save.
Praise be to God, in heaven’s name
   Let elementals, angels, and masters
Join in holy praise.
   Hosanna! Glory to God!
Glory to Jesus, the Son
   Christ the Victor for eternity!
We bless thy name, dear Jesus
Whose peace—the Holy Dove
Is thy example for us
Through pure, unselfish love.
O blaze thy Christ light through us
From thy Most Sacred Heart
In dazzling light thou comest
O ne’er from us depart.

*Thou art the Christ triumphant
All men proclaim thy song
We hear earth choirs now chanting
To join the heav’nly throng.
Now angel voices blending
With all our songs sublime
Are telling of thy glory
In thy great heights divine.

As earth is bathed in beauty
On this glad Easter morn
Our Lord stands forth in vict’ry
And Light in us is born.
As through his resurrection
The Christ is glorified
So, too, the goal—ascension
Will never be denied.

*When singing to “I love to tell the story,” stanza two becomes a refrain.

EASTER TRIUMPH

Living Light of Easter morning
Christ has risen to show the way
Purity in love hath found him
Victor over sin and death.
Christ the Light, the shining radiance
Christ the Way, the Truth, the Life
Christ the Law for all the ages
Christ the Son whom God hath loved.

By the flame of resurrection
Light hath rolled the stone away
Angels guarding all around him
Blazed the light to assist his way
Cosmic Christs and cosmic masters
Shone their light—the darkness fled!
Then the thunder broke the silence
Christ stepped forth victorious!

Mother Mary kept her vigil
Holy women knelt in pray’r
Very early in the morning
Sought the Lord, Christ was not there.
“He’s not here, for he has risen
Come, see the place where Jesus lay
Tell all men,” thus spake the angel
“Christ by love hath conquered all.”

(over)
EASTER TRIUMPH
(continued)

And they went, lo, Jesus met them
And they came and worshiped him.
Words of joy, “Be not afraid
Go tell the brethren in Galilee:
I AM come to fill the promise
‘Suffer death—the third day, rise’
Thus shall men have hope in glory
Be with me in paradise.”

All can follow in his footsteps
Heal the sick, restore to life
Sight to blinded eyes reveal
Sin forgive—God’s promise seal
By the pow’r of I AM Light
All fulfilled by God’s own might.
Walk the Path as Jesus taught us
Resurrection’s glory then shall ye know.
CHRIST THE LORD IS RISEN TODAY

Christ the Lord is ris’n today, Alleluia
Sons of men and angels say, Alleluia
Raise your joys and triumphs high, Alleluia
Sing, ye heav’ns, and earth reply, Alleluia!

Lives again our glorious King, Alleluia
Where, O death, is now thy sting? Alleluia
Once he died, our souls to save, Alleluia
Where’s thy vict’ry, boasting grave? Alleluia!

Love’s redeeming work is done, Alleluia
Fought the fight, the battle won, Alleluia
Death in vain forbids him rise, Alleluia
Christ hath opened paradise, Alleluia!

Soar we now where Christ has led, Alleluia
Foll’wing our exalted Head, Alleluia
Made like him, like him we rise, Alleluia
Ours the cross, the grave, the skies, Alleluia!

Words by Charles Wesley and others (hymn tune from Lyra Davidica)
O Master Jesus, Love’s sweet king
Within my heart to thee I sing!
The Mighty I AM Presence fair
Proclaims Love’s vict’ry everywhere!

The crown of thorns which once thou wore
Remove from mankind evermore!
The thorn would but thy love abort
By inverse image form distort.

The rose’s fairer face we see
As God intended life to be
His love now blazes ’round thy head
Not thorn but crowning rose instead.

For Love itself transmutes all woe
As changes come and changes go
But none can mar the plan divine
Nor take from me God’s gift sublime.

I AM the victor now with thee
I feel the spur of Life in me
And know that raised I, too, shall be
By God’s own hand thy face to see.

I AM thy child as are all men
O come thou, Lord, to earth again
That all breathe rev’rence in thy name
To feel the balm that frees from pain.

The thorns of life are broken then
Our life moves upward to the Sun
Where coronation rays we wear
We hear thy voice now say, “Well done!”
Low in the grave he lay—Jesus my Saviour!
Waiting the coming day—Jesus my Lord!

Refrain:
Up from the grave he arose \( (\text{He arose!}) \)
With a mighty triumph o'er his foes \( (\text{He arose!}) \)
He arose a victor from the dark domain
And he lives forever with his saints to reign.
He arose! \( (\text{He arose!}) \) He arose! \( (\text{He arose!}) \)
Hallelujah! Christ arose!

Vainly they watch his bed—Jesus my Saviour!
Vainly they seal the dead—Jesus my Lord!

Death cannot keep his prey—Jesus my Saviour!
He tore the bars away—Jesus my Lord!
CROWN HIM WITH MANY CROWNS

Crown him with many crowns
    The Lamb upon his throne
Hark! how the heav’ny anthem drowns
    All music but its own!
Awake, my soul, and sing
    Of him who died for thee
And hail him as thy matchless King
    Through all eternity.

Crown him the Lord of Love!
    Behold his hands and side
Rich wounds, yet visible above
    In beauty glorified.
No angel in the sky
    Can fully bear that sight
But downward bends his wond’ring eye
    At mysteries so bright.

Crown him the Lord of Life
    Who triumphed o’er the grave
Who rose victorious to the strife
    For those he came to save.
His glories now we sing
    Who died and rose on high
Who died eternal Life to bring
    And lives that death may die.

Crown him the Lord of Heav’n
    One with the Father known
One with the Spirit through him giv’n
    From yonder glorious throne!
To thee be endless praise
    For thou for us hast died
Be thou, O Lord, through endless days
    Adored and magnified.

Words by Matthew Bridges. Music by George J. Elvey (hymn tune “Diademata”)
I LOVE TO TELL THE STORY

I love to tell the story
Of unseen things above,
Of Jesus and His glory,
Of Jesus and His love.
I love to tell the story,
Becaue I know ’tis true;
It satisfies my longings
As nothing else can do.

Chorus:
I love to tell the story,
’Twill be my theme in glory
To tell the old, old story
of Jesus and His love.

I love to tell the story,
More wonderful it seems
Than all the golden fancies
Of all our golden dreams.
I love to tell the story,
It did so much for me;
And that is just the reason
I tell it now to thee.

I love to tell the story,
’Tis pleasant to repeat
What seems, each time I tell it,
More wonderfully sweet.
I love to tell the story,
For some have never heard
The message of salvation
From God’s own holy Word.

(over)

Words by Catherine Hankey. Music by William G. Fischer
I LOVE TO TELL THE STORY
(continued)

I love to tell the story
For those who know it best
Seem hungering and thirsting
To hear it like the rest.
And when, in scenes of glory,
I sing the new, new song,
’Twill be the old, old story
That I have loved so long.
O BLEST FLAME OF RESURRECTION

O blest Flame of Resurrection
Blaze through all our worlds today
Let thy joyous, raising presence
Now and ever with us stay.

As thy purifying essence
Thou dost to each one impart
God’s great plan divine so perfect
Is revealed in every heart.

Blessed Flame of Resurrection
Surge through every earthly soul
’Til thy pow’r reveals within them
The perfection of their goal
There to be so young and lovely
Healthy, happy, too, and wise
Wielding Love’s eternal power
That brings sight to blinded eyes.

Help us use thy sacred power
On those friends who cannot hear
Now restore that gift of hearing
Ever perfect, crystal clear.
May thy pow’r of resurrection
Bring its balance to each mind
That’s confused and lost the pathway
’Mid the shadows of mankind.

Thou art e’er the resurrection
And the life of all we need
Thy great presence manifesting
All supply for word and deed.
Thus thy pow’r of resurrection
Is to all God’s gift of love
O beloved Christ within us
Raise us now to realms above.
BELOVED FLAME OF RESURRECTION

Beloved Flame of Resurrection
   Blaze through me thy Light always
Beloved Flame, resuscitation
   Make my heart to sing thy praise.

Blazing, blazing, blazing!

O blazing white Christ radiance
   Of God’s own I AM fire
Expand thy blessed Purity
   And free me from all wrong desire.

Blazing, blazing, blazing!

Beloved Flame of Resurrection
   Rise and rise to Love’s great height
Blessed Flame, regeneration
   Guide all men by thy great Light.

Blazing, blazing, blazing!

I AM, I AM thy chalice free
   Through whose crystal substance clear
All can see the Christ flame lily
   Of eternity appear

Blazing, blazing, blazing!

EASTER COMMUNION

O Jesus, blessed Master
By resurrection’s flame
Take thy dominion in me
O’er all the earth now reign.
We long so to discover
The fullness of thy love
To feel thee ever draw us
To God’s great heart above.

Thy body and thy essence
Is consecrated Light
A scintillating fragment
Of God—immortal, bright.
To sup with thee in glory
While treading vales of sin
Is vict’ry—our momentum
To conquer, now begin!

O draw in us thine image
Let shadows, sin, now fade
Let ego’s pow’r diminish
By seamless robe God made.
To fold all in his radiance
I offer all my heart
O take me, consecrate me
O make me all thou art.
BREAK THOU THE BREAD OF LIFE

Break thou the bread of Life
  Dear Lord, to me
As thou didst break the loaves beside the sea.
  Beyond the sacred page
I seek thee, Lord; my spirit pants for thee
  O living Word.

Bless thou the truth, dear Lord
  To me, to me
As thou didst bless the bread by Galilee.
  Then shall all bondage cease
All fetters fall, and I shall find my peace—
  My All-in-all.

Thou art the bread of Life
  O Lord, to me
Thy holy Word, the truth that saveth me.
  Give me to eat and live
With thee above; teach me to love thy truth
  For thou art Love.

O send thy Spirit, Lord
  Now unto me
That he may touch my eyes and make me see
  Show me the truth concealed
Within thy Word and in thy Book revealed
  I see thee, Lord.
The crumb of Life God broke
Is just a part of the whole loaf
And more will come each day
As you await the hand that feeds the soul
The hand that makes you whole.
PROCESSIONAL TRIUMPHANT

O come! O come! O come, let us adore him
O come! O come! O come, let us adore him
O come! O come! O come, let us adore him
Christ the Lord.

Shepherds come from afar, hasten, follow yonder star!
The Prince of Peace, O come, let us adore him
The Prince of Peace, O come, let us adore him
The Prince of Peace, O come, let us adore him
Christ the Lord.

Sing all ye people and call his name
Emmanuel, Emmanuel
Bells in the steeple ring out the name
Emmanuel, Emmanuel
Angels adore him—come sing your hymn o’er Bethlehem
Your voices ring!
“Praise to the Prince of Peace, the King of kings!”

Mary, beloved one, beckons “Come, see the Son
Stand now and be the Son and answer heaven’s call!”
Wise Men come honor him, kings bring your gifts to him
Bring heaven’s diadem and crown him Lord of all.

*“Alleluia! Alleluia!” Hark! Now the angels sing!
Calling, “Come, O come, ye faithful, crown him
King of kings!”* (2x)

King of kings, Lord of lords
Prince of Peace
All hail, Emmanuel!
THE BIRTHDAY OF A KING

In the little village of Bethlehem
There lay a child one day
And the sky was bright with a holy light
O’er the place where Jesus lay.

Alleluia! O how the angels sang
Alleluia! how it rang
And the sky was bright with a holy light
’Twas the birthday of a King.

’Twas a humble birthplace, but O how much
God gave to us that day
From the manger bed, what a path has led
What a perfect holy way.

Alleluia! O how the angels sang
Alleluia! how it rang
And the sky was bright with a holy light
’Twas the birthday of a King.
JOY TO THE WORLD

Joy to the world! the Lord is come
Let earth receive her King
Let ev’ry heart prepare him room
And heav’n and nature sing
And heav’n and nature sing
And heav’n, and heav’n and nature sing.

Joy to the world! the Saviour reigns
Let men their songs employ
While fields and floods, rocks, hills, and plains
Repeat the sounding joy
Repeat the sounding joy
Repeat, repeat the sounding joy.

No more let sin and sorrow grow
Nor thorns infest the ground
He comes to make his blessings flow
Far as the curse is found
Far as the curse is found
Far as, far as the curse is found.

He rules the world with truth and grace
And makes the nations prove
The glories of his righteousness
And wonders of his love
And wonders of his love
And wonders, and wonders of his love.

Words by Isaac Watts (hymn tune “Antioch,” arranged from George Frederick Handel by Lowell Mason)
HARK! THE HERALD ANGELS SING

Hark! the herald angels sing
“Glory to the newborn King!
Peace on earth and mercy mild
God and man are reconciled!”
Joyful, all ye nations, rise
Join the triumph of the skies
With th’ angelic hosts proclaim
“Christ is born in Bethlehem!”

Refrain:
Hark! the herald angels sing
“Glory to the newborn King!”

Christ, by highest heav’n adored
Christ, the everlasting Lord
Long desired, behold him come
Finding here his humble home.
Veiled in flesh the Godhead see
Hail th’ Incarnate Deity!
Pleased as man with men to dwell
Jesus our Immanuel.

Hail, the heav’n-born Prince of Peace!
Hail, the Sun of Righteousness!
Light and life to all he brings
Ris’n with healing in his wings.
Let us then with angels sing
“Glory to the newborn King!
Peace on earth and mercy mild
God and man are reconciled!”

Words by Charles Wesley. Music adapted from Felix Mendelssohn by William H. Cummings
ANGELS WE HAVE HEARD ON HIGH

Angels we have heard on high
Sweetly singing o’er the plains
And the mountains in reply
Echoing their joyous strains.

Refrain:
   Gloria in excelsis Deo
   Gloria in excelsis Deo

Shepherds, why this jubilee?
Why your joyous songs prolong?
What the gladsome tidings be
Which inspire your heav’nly song?

Come to Bethlehem, and see
Him whose birth the angels sing
Come adore on bended knee
Christ, the Lord, our newborn King.

Melody: hymn tune “Gloria”
ANGELS, FROM THE REALMS OF GLORY

Angels, from the realms of glory
Wing your flight o’er all the earth
Ye who sang Creation’s story
Now proclaim Messiah’s birth:

Chorus:
Come and worship, Come and worship
Worship Christ, the newborn King.

Shepherds, in the fields abiding
Watching o’er your flocks by night
God with man is now residing
Yonder shines the infant Light.

Sages, leave your contemplations
Brighter visions beam afar
Seek the great Desire of nations
Ye have seen his natal star.

Saints before the altar bending
Watching long in hope and fear
Suddenly the Lord, descending
In his temple shall appear.

Words by James Montgomery (hymn tune “Regent Square” by Henry Smart)
O COME, ALL YE FAITHFUL

O come, all ye faithful, joyful and triumphant
O come ye, O come ye to Bethlehem!
Come and behold him, born the King of angels!

Refrain:
O come, let us adore him
O come, let us adore him
O come, let us adore him
Christ, the Lord!

Sing, choirs of angels, sing in exultation
O sing, all ye citizens of heav’n above
Glory to God, all glory in the highest!

Yea, Lord, we greet thee, born this happy morning
Jesus, to thee be all glory giv’n
Word of the Father, now in flesh appearing!

Words anonymous. Translated from the Latin by Frederick Oakeley and others (hymn tune “Adeste Fideles” from John F. Wade’s Cantus Diversi)
Silent night! Holy night!
   All is calm, all is bright
'Round yon virgin mother and child
   Holy Infant, so tender and mild
Sleep in heavenly peace
   Sleep in heavenly peace.

Silent night! Holy night!
   Shepherds quake at the sight
Glories stream from heaven afar
   Heav’nly hosts sing, “Alleluia!”
Christ, the Saviour, is born
   Christ, the Saviour, is born!

Silent night! Holy night!
   Son of God, love’s pure Light
Radiant beams from thy holy face
   With the dawn of redeeming grace
Jesus, Lord, at thy birth
   Jesus, Lord, at thy birth.

Words by Joseph Mohr, translated by John F. Young (hymn tune “Stille Nacht” or “Holy Night” by Franz Gruber)
Away in a manger, no crib for his bed  
The little Lord Jesus laid down his sweet head  
The stars in the sky looked down where he lay  
The little Lord Jesus, asleep on the hay.

The cattle are lowing, the poor baby wakes  
But little Lord Jesus, no crying he makes  
I love thee, Lord Jesus, look down from the sky  
And stay by my cradle ’til morning is nigh.

Be near me, Lord Jesus, I ask thee to stay  
Close by me forever, and love me, I pray  
Bless all the dear children in thy tender care  
And fit us for heaven to live with thee there.

Melody: hymn tune “Mueller” by James R. Murray
O LITTLE TOWN OF BETHLEHEM

O little town of Bethlehem
  How still we see thee lie
Above thy deep and dreamless sleep
  The silent stars go by.
Yet in thy dark streets shineth
  The everlasting Light
The hopes and fears of all the years
  Are met in thee tonight.

For Christ is born of Mary
  And gathered all above
While mortals sleep, the angels keep
  Their watch of wond’ring love.
O morning stars, together
  Proclaim the holy birth
And praises sing to God, the King
  And peace to men on earth.

How silently, how silently
  The wondrous gift is giv’n
So God imparts to human hearts
  The blessings of his heav’n.
No ear may hear his coming
  But in this world of sin
Where meek souls will receive him, still
  The dear Christ enters in.

O Holy Child of Bethlehem
  Descend to us, we pray
Cast out our sin, and enter in
  Be born in us today.
We hear the Christmas angels
  The great, glad tidings tell
O come to us, abide with us
  Our Lord, Emmanuel.
IT CAME UPON THE MIDNIGHT CLEAR

It came upon the midnight clear
   That glorious song of old
From angels bending near the earth
   To touch their harps of gold:
“Peace on the earth, good will to men
   From heaven’s all-gracious King”
The world in solemn stillness lay
   To hear the angels sing.

Still through the cloven skies they come
   With peaceful wings unfurled
And still their heav’nly music floats
   O’er all the weary world.
Above its sad and lowly plains
   They bend on hov’ring wing
And ever o’er its Babel sounds
   The blessed angels sing.

O ye beneath life’s crushing load
   Whose forms are bending low
Who toil along the climbing way
   With painful steps and slow
Look now, for glad and golden hours
   Come swiftly on the wing
O rest beside the weary road
   And hear the angels sing.

Words by Edmund H. Sears (hymn tune “Carol” by Richard Storrs Willis)
IT CAME UPON THE MIDNIGHT CLEAR
(continued)

For lo! the days are hast’ning on
   By prophets seen of old
When with the ever-circling years
   Shall come the time foretold
When the new heaven and earth shall own
   The Prince of Peace their King
And the whole world send back the song
   Which now the angels sing.
The first Noel the angel did say
Was to certain poor shepherds in fields as they lay
In fields where they lay keeping their sheep
On a cold winter’s night that was so deep.

Refrain:
   Noel, Noel, Noel, Noel
   Born is the King of Israel.

And by the light of that same Star
Three wise men came from country far
To seek for a King was their intent
And to follow the Star wherever it went.

This Star drew nigh to the northwest
O’er Bethlehem it took its rest
And there it did both stop and stay
Right over the place where Jesus lay.

Then entered in, those wise men three
Full rev’rently upon their knee
And offered there in his presence
Their gold, and myrrh, and frankincense.
WE THREE KINGS OF ORIENT ARE

Kings:
We three kings of Orient are
  Bearing gifts we traverse afar
Field and fountain, moor, and mountain
  Following yonder star.

Refrain:
  O Star of wonder, Star of night,
   Star with royal beauty bright
  Westward leading, still proceeding
   Guide us to thy perfect Light.

Melchior:
Born a King on Bethlehem’s plain
  Gold I bring to crown him again
King, forever, ceasing never
  Over us all to reign.

Balthazar:
Frankincense to offer have I
  Incense owns a Deity nigh
Pray’r and praising, all men raising
  Worship him, God on high.

Caspar:
Myrrh the gift of sacrifice
  Given man to sanctify
Christ the Light, the hope of ages
  Christ the Incarnate Word.

All:
Glorious now behold him arise,
  King and God and sacrifice
Alleluia, alleluia!
  Earth to heav’n replies.

While shepherds watched their flocks by night
   All seated on the ground
The angel of the Lord came down
   And glory shone around
   And glory shone around.

“Fear not!” said he, for mighty dread
   Had seized their troubled mind
“Glad tidings of great joy I bring
   To you and all mankind
   To you and all mankind.

“To you, in David’s town, this day
   Is born of David’s line
The Saviour who is Christ the Lord
   And this shall be the sign
   And this shall be the sign:

“The heav’nly babe you there shall find
   To human view displayed
All meanly wrapped in swathing bands
   And in a manger laid
   And in a manger laid.”

“All glory be to God on high
   And to the earth be peace
Good will henceforth from heav’n to men
   Begin and never cease!
   Begin and never cease.”

Words by Nahum Tate (hymn tune “Christmas,” arranged from George Frederick Handel)
I heard the bells on Christmas Day
Their old, familiar carols play,
And wild and sweet the words repeat
Of peace on earth, good will to men.

I thought how, as the day had come
The belfries of all Christendom
Had rolled along th’ unbroken song
Of peace on earth, good will to men.

And in despair I bowed my head
“There is no peace on earth,” I said
“For hate is strong, and mocks the song
Of peace on earth, good will to men.”

Then pealed the bells more loud and deep
“God is not dead, nor doth he sleep
The wrong shall fail, the right prevail
With peace on earth, good will to men.”

Interlude

Words from “Christmas Bells” by Henry Wadsworth Longfellow (hymn tune “Waltham” by J. Baptiste Calkin; in hymnals, this tune may also be found under the title “Fling our the banner! let it float”)
O COME, O COME, EMMANUEL
To Jesus Christ and the Beloved Christ Self

O come, O come, Emmanuel
And ransom captive Israel
That mourns in lonely exile here
Until the Son of God appear.

Refrain:
    Rejoice! Rejoice!
    Emmanuel is come to thee
    O Israel!

O come thou Wisdom from on high
Who ord’rest all things mightily
To us the path of knowledge show
And teach us in her ways to go.

O come, O come, thou Lord of might
Who to thy tribes on Sinai’s height
In ancient times didst give the law
In cloud, and majesty, and awe.

O come, thou Rod of Jesse’s stem
From every foe deliver them
That trust thy mighty pow’r to save
And give them vict’ry o’er the grave.

O come, thou Key of David, come
And open wide our heav’nly home
Make safe the way that leads on high
And close the path to misery.

Melody: hymn tune adapted from plainsong. Mode I by Thomas Helmore, 1854
O come, Day-Spring from on high
And cheer us by thy drawing nigh
Disperse the gloomy clouds of night
And death’s dark shadow put to flight.

O come, Desire of nations, bind
In one the hearts of all mankind
Bid thou our sad divisions cease
And be thyself our King of Peace.

O COME, O COME, EMMANUEL
To Jesus Christ and the Beloved Christ Self

O Christmas Tree,
Fair Christmas Tree,
You tell a sacred story!
O Christmas Tree,
Fair Christmas Tree,
You speak of Christ’s own glory.
In wintry snows and summer sheen,
Your cheery leaves are always green.
O Christmas Tree,
Fair Christmas Tree,
You tell a sacred story!

O Christmas Tree,
Fair Christmas Tree,
A symbol of our Savior’s birth,
O Christmas Tree,
Fair Christmas Tree,
You bring us hope and songs of mirth!
Our holy faith you flash with light,
As twinkling stars shine through the night.
O Christmas Tree,
Fair Christmas Tree,
A symbol of our Savior’s birth.
GOOD CHRISTIAN MEN, REJOICE

Good Christian men, rejoice
   with heart and soul and voice!
Give ye heed to what we say: News! News!
Jesus Christ is born today!
Ox and ass before him bow
   and he is in the manger now.
Christ is born today!
Christ is born today!

Good Christian men, rejoice
   with heart and soul and voice!
Now ye hear of endless bliss: Joy! Joy!
Jesus Christ was born for this;
He hath ope’d the heav’nly door
   and man is blessed evermore.
Christ was born for this!
Christ was born for this!

Good Christian men, rejoice
   with heart and soul and voice!
Now ye need not fear the grave: Peace! Peace!
Jesus Christ was born to save;
Calls you one and calls you all
   to gain his everlasting hall.
Christ was born to save!
Christ was born to save!
GOD REST YE MERRY GENTLEMEN

God rest ye merry, gentlemen,
let nothing you dismay.
Remember Christ, our Saviour
was born on Christmas Day.
To save us all from Satan’s pow’r
when we were gone astray.
O tidings of comfort and joy, comfort and joy,
O tidings of comfort and joy.

From God our heav’nly Father,
a blessed angel came,
And unto certain shepherds
brought tidings of the same;
How that in Bethlehem was born
the Son of God by name.
O tidings of comfort and joy, comfort and joy,
O tidings of comfort and joy.

And when they came to Bethlehem
where our dear Saviour lay,
They found Him in a manger
where oxen feed on hay;
His Mother Mary kneeling down
unto the Lord did pray.
O tidings of comfort and joy, comfort and joy,
O tidings of comfort and joy.

Now to the Lord sing praises,
all you within this place,
And with true love and brotherhood
each other now embrace;
This holy tide of Christmas all other doth deface.
O tidings of comfort and joy, comfort and joy,
O tidings of comfort and joy.

Traditional.
GESÙ BAMBINO

When blossoms flowered 'mid the snows
Upon a winter night
Was born the child, the Christmas Rose
The King of love and Light.
The angels sang, the shepherds sang
The grateful earth rejoiced
And at his blessed birth
The stars their exultation voiced.

O come let us adore him
O come let us adore him
O come let us adore him
Christ the Lord.

Again the heart with rapture glows
To greet the holy night
That gave the world its Christmas Rose
Its King of love and Light.
Let every voice acclaim his name
The grateful chorus swell
From paradise to earth he came
That we with him might dwell.

O come let us adore him
O come let us adore him
O come let us adore him
Christ the Lord.

Ah... O come let us adore him
Ah... adore him, Christ the Lord
O come, O come, O come let us adore him
Let us adore him, Christ the Lord.
O holy night! The stars are brightly shining
It is the night of the dear Saviour’s birth
Long lay the world in sin and error pining
’Til he appeared and the soul felt its worth.
A thrill of hope—the weary soul rejoices
For yonder breaks a new and glorious morn
Fall on your knees! O hear the angel voices!
O night divine! O night when Christ was born
O night divine! O night, O night divine!

Led by the light of faith serenely beaming
With glowing hearts, by his cradle we stand
So, led by light of a star sweetly gleaming
Here came the wise men from the Orient land.
The King of kings lay thus in lowly manger
In all our trials born to be our friend
He knows our need, to our weakness no stranger
Behold your King! Before the lowly bend!
Behold your King! your King! before him bend!

Truly he taught us to love one another
His law is love and his Gospel is peace.
Chains shall he break, for the slave is our brother
And in his name all oppression shall cease.
Sweet hymns of joy in grateful chorus raise we
Let all within us praise his holy name
Christ is the Lord, then ever, ever praise we
His pow’r and glory evermore proclaim
His pow’r and glory evermore proclaim.
I’LL BE HOME FOR CHRISTMAS
Lanello Sings to His Worldwide Family

I’ll be home for Christmas
You can plan on me
Please have snow and mistletoe
And presents on the tree.

Christmas Eve will find me
Where the lovelight gleams
I’ll be home for Christmas
If only in my dreams.

WHITE CHRISTMAS

The sun is shining, the grass is green
The orange and palm trees sway
There’s never been such a day in Beverly Hills, L.A.
But it’s December, the twenty-fourth
And I am longing to be up North.

Chorus:
I’m dreaming of a white Christmas
Just like the ones I used to know
Where the treetops glisten
And children listen to hear sleigh bells in the snow.

I’m dreaming of a white Christmas
With ev’ry Christmas card I write:
“May your days be merry and bright
And may all your Christmases be white.”

WHAT CHILD IS THIS?

What child is this, who, laid to rest
On Mary's lap is sleeping
Whom angels greet with anthems sweet
While shepherds watch are keeping?

This, this is Christ the King
Whom shepherds guard and angels sing
Haste, haste to bring him laud
The babe, the son of Mary.

Why lies he in such mean estate
Where ox and ass are feeding?
Good Christian, fear: for sinners here
The silent Word is pleading.

Nails, spear shall pierce him through
The cross be borne for me, for you
Hail, hail the Word made flesh
The babe, the son of Mary!

So bring him incense, gold and myrrh
Come, peasant, king to own him
The King of kings salvation brings
Let loving hearts enthrone him.

Raise, raise the song on high
The Virgin sings her lullaby
Joy, joy, for Christ is born
The babe, the son of Mary!

Mary, Mary, Mary ...

I AM THE DOOR OF LOVE

I AM an ovoid of the Light
A door for blessed beings bright
To step right through into full view
And manifest all that is right.

The starry gate invisible
Holds all in heart of faith to be
A shining stairway to the stars
I’ll climb it all the way—you will see!

The hand of love from God above
Does move and guide me by his love
No shadow, shape, or form so gross
Can stay the One I love the most.

The hand of love from God above
Does move and guide me by his love
Who walks and talks with me today
Who gently teaches me to pray.

Let love descend now to defend
All of the action of the right
O raise the earth now by thy love
O God, make all things perfect and right.

The children of the Great Sun Flame
Enfolded in thy holy name
Enfolded by the power of Light
Establish in the I AM name.

’Tis Being only that does act
’Tis Being only that is love
This is the truth, the truth—then act
As God acts through his sacred love.

Melody: hymn “O Master, let me walk with thee” (hymn tune “Maryton” by Henry Percy Smith)
COME, BLESSED LIGHT

1. I hum a sacred tone to thee
   Beloved God so fair
   I see thy Light descending
   Through the hallow’d air.

2. The radiance of thy shining
   Now falls like gentle rain
   O know my heart is pining
   To be thy Son again.

Chorus:
   Come, blessed Light
   Never failing bright
   Come, blessed Love
   Stream forth tonight.
   Always enfold me
   By God’s grace now hold me
   Keep me close to thee
   In obedience free
   Come, blessed Light
   Come.

3. Come and sing a song to me
   O Great Redeemer mine
   Hum an anthem to the free
   The clasp of arms divine.

4. Now draw me near by love
   Enfold my being to thy own
   Thy Life renewed within me
   For error doth atone.

   (Sing chorus)  
   (over)
COME, BLESSED LIGHT
(continued)

5. The rainbow of thy promise
   Now gleams upon the air
   My life is lifted into Light
   I see thee ev’rywhere.

6. No shadow closes ’round me
   For ev’rywhere I go
   Thy Presence walks within me
   Making me to know and be
   That I AM always one with thee.

Final chorus:
   Come, blessed Light
   Never failing bright
   Come, blessed Love
   Stream forth tonight.
   Always enfold me
   By God’s grace now hold me
   Keep me close to thee
   In obedience free
   Come, blessed Light
THE HOLY SPIRIT STREAMETH

The Holy Spirit streameth
Its might and main for all
Enfolds the Star he beameth
To answer heart’s own call.

The flow of Holy Spirit
Delights the very air
It is the breath God raiseth
To free men everywhere.

THE BALM OF GILEAD

O Love of God, immortal Love
Enfold all in thy ray
Send compassion from above
To raise them all today!
In the fullness of thy power
Shed thy glorious beams
Upon the earth and all thereon
Where life in shadow seems!
Let the Light of God blaze forth
To cut men free from pain
Raise them up and clothe them, God
With thy Mighty I AM name!

MORE
To El Morya

1. More than the greatest love the world has known
   This is the love I give to you alone.
   More than the simple words I try to say
   I only live to love you more each day.

   Morya, I want you to know
   My heart longs to love you so
   My life will be in your keeping
   Waking, sleeping, laughing, weeping.

   Longer than always is a long, long time;
   But far beyond forever you’ll be mine
   I know I never lived before and my heart is very sure
   No one else could love you more.

2. More than the greatest love the world has known
   This is the love I give to Morya El.
   More than the simple words I try to say
   I only live to love you more each day.

   Morya, I want you to know
   My heart longs to love you so
   My life will be in your keeping
   Waking, sleeping, laughing, weeping.

   Longer than always is a long, long time;
   But far beyond forever you’ll be mine
   I know El Morya is my Life,
   And El Morya is my Love,
   And El Morya is my Heart.
MORE THAN YOU KNOW
To the Lord of My Heart

Lord of my heart, Morya.

*More than you know, more than you know,
Lord of my heart, I love you so.
Lately I find you’re on my mind,
More than you know.

All through the day, all through the night,
Lord of my heart, I know you’re right.
I need you so—
More than you’ll ever know.

Loving you the way that I do,
There’s nothing I can do about it,
Loving may be all you can give
But Morya, I can’t live without it.

Oh, how I’d cry, oh, how I’d cry,
If you got tired and said “good-bye,”
More than I’d show
Lord of my heart, Morya.* (2x)
THE GURU SONG
To Morya

My Guru is waiting,
Dear Morya, for me.
I’m longing to see him,
Know his Will for me.
I’ll sing a love song to him,
A rapture of God’s holy Will:

Chorus:
Blue heaven and Morya and I,
And Light shining in Master’s eye.
An angel wing whisp’ring a lullaby,
All the stars above you
will see I love you.

Oh, Morya, my Lord divine,
Now let my heart in yours entwine.
Darjeeling song calling,
Its voice enthralling
Will make you mine.

(Sing chorus again)

BEYOND THE BLUE HORIZON

Beyond the blue horizon
Waits a beautiful day.
Good-bye to things that bore me,
Morya’s waiting for me.
I see a new horizon,
My life has only begun.
Beyond the blue horizon
Lies a rising sun.

(Sing 4 times)
MASTER MORYA
Lord of the First Ray

Master Morya, beloved
Lord of heaven’s first ray
To the heart of creation
We are grateful each day.
For thy love and devotion
To all mankind’s release
Dedicate us to serving
’Til earth’s struggles shall cease
And all life is enfolded
In God’s mantle of peace.

’Mid Darjeeling’s great splendor
Thy retreat of God’s will
Draws all unto the Father
His great plan to fulfill.
Thy forgiveness and patience
And thy service so true
Are love’s magnetic powers
To vows ever renew
And give all inspiration
To earth’s freedom pursue.

Master, teacher, and brother
Thou art pointing the way
To our goal, the ascension
Free forever to stay.
Keep us loving each other
Thoughtful, gracious, and kind
Blessing, healing, and raising
Life ’til God’s way all find
Consecrate us in service
Body, soul, and mind.
GRATITUDE TO OUR MASTER MORYA
From the Chela to the Guru

Master Morya, we thank you for all that you do
In the raising of mankind of earth
Blazing forth your light rays through the hearts
of the few
Dedicating their souls to new birth.
Let us ever draw forth from the Presence above
The Light that illumines all men
So they see the good works of the Father of Love
And the masters walk with us again.

Master Morya, our hearts are o’erflowing with love
For the Light and the Truth that you bring
Teach us ever to live in the Presence above
That through us the angels may sing.
Let us all understand and ever expand
The knowledge of God’s sacred fire
That the earth may be raised to her place in the Sun
In fulfillment of your great desire.

Master Morya, we bless thee for being the one
To assist our belov’d Saint Germain
To expand his great work as before thou hast done
And to raise us again and again.
Thou art always adored, thou Great Cosmic Lord
Now step through the veil to our sight
That we all may be bathed in the Light from
thy heart
Dedicated as guardians of Light.
BELIEVE ME,
IF ALL THOSE ENDEARING YOUNG CHARMS
From the Guru to the Chela

Believe me, if all those endearing young charms
Which I gaze on so fondly to-day
Were to change by to-morrow and fleet in my arms
Like fairy-gifts fading away

Thou wouldst still be adored as this moment thou art
Let thy loveliness fade as it will
And around the dear ruin each wish of my heart
Would entwine itself verdantly still.

It is not while beauty and youth are thine own
And thy cheeks unprofaned by a tear
That the fervour and faith of a soul can be known
To which time will but make thee more dear.

No, the heart that has truly loved never forgets
But as truly loves on to the close
As the sun-flower turns on her God when he sets
The same look which she turn’d when he rose.
THE HARP THAT ONCE THROUGH TARA’S HALLS
The Challenge of the Guru to the Chela to Show by Heart That Freedom Lives

The harp that once through Tara’s halls
The soul of music shed
Now hangs as mute on Tara’s walls
As if that soul were fled.
So sleeps the pride of former days
So glory’s thrill is o’er
And hearts that once beat high for praise
Now feel that pulse no more.

*No more to chiefs and ladies bright
The harp of Tara swells
The chord alone that breaks at night
Its tale of ruin tells.
Thus Freedom now so seldom wakes
The only throb she gives
Is when some heart indignant breaks
To show that still she lives. *(2x)
WHEN IRISH EYES ARE SMILING
Verses Sung from the Guru to the Chela
Chorus Sung from the Chela to the Guru

There’s a tear in your eye, and I’m wondering why
For it never should be there at all.
With such pow’r in your smile,
sure a stone you’d beguile
So there’s never a teardrop should fall.
When your sweet lilting laughter’s
like some fairy song
And your eyes twinkle bright as can be
You should laugh all the while
and all other times smile
And now smile a smile for me.

Chorus:
When Irish eyes are smiling
Sure it’s like a morn in spring
In the lilt of Irish laughter
You can hear the angels sing.
When Irish hearts are happy
All the world seems bright and gay
And when Irish eyes are smiling
Sure they steal your heart away.

For your smile is a part of the love in your heart
And it makes even sunshine more bright.
Like the linnet’s sweet song, crooning all the day long
Comes your laughter so tender and light.
For the springtime of life is the sweetest of all
There is ne’er a real care or regret
And while springtime is ours throughout
all of youth’s hours
Let us smile each chance we get.

(Sing chorus twice)
EL MORYA, WE LOVE YOU

Now again, as days of old
Is the wondrous story told
Our beloved El Morya, we love you.

For your journey through the night
Seeking one eternal Light
Our beloved El Morya, we love you.

Hold your blazing Light transcendent
As we follow day by day
Blaze victorious, ever o’er us
Your eternal ray.

Hold us in your heart of splendor
As we seek that Star above
’Til at last we rise forever
In the arms of perfect Love.

’Til we stand forever free
Blazing light of victory
Our beloved El Morya, we love you.

’Til the cosmic Light has won
And we’re blazing like the sun
Our beloved El Morya, we love you.

Cutting all free from bondage of earth
Victorious ev’ry hour.

O Presence of the Diamond Heart
To India, thy home, we call
Flood from Darjeeling’s Palace of Light
The power that raises all.
O Morya! God-friend, on thee we depend
O from us never part
Our deepest love forever to thee
For the use of the Diamond Heart.

Devas who serve the Diamond Heart
In obedient love so well
Reveal thy great magnificence
To all who on earth now dwell.
Let all now awake, the human forsake
And find their peace in God’s will
O Presence of the Diamond Heart
In thee is God’s plan fulfilled.

O PRESENCE OF THE DIAMOND HEART

Blazing the glorious sacred fire
   Transmuting all fear and hate.
To thee we now call, O Great Central Sun
   Thy blessings without end
Ever to serve the Diamond Heart
   Our real eternal friend!

ONWARD, COURAGE!

Onward, courage!
Then blame not the Bard
When the wind and the gale
Sweep o’er the moor
And bow down the sail
For the ship shall move on
And the port be obtained
If the courage be high
And the will be maintained!

APPROACHING WINTER SOLSTICE

O Star within the hearts of men
Thou great celestial fire
Show forth thy wondrous blessing then
Good will—our great desire.

To stir the ashes on the grate
We hopefully now voice
For when we see ablazing there
Good will—’tis heaven’s choice.

The Christ in all is then reborn
The light of Love come down
New radiance of the golden morn
When good will fills a town.

The cheery blessings of the Light
Eclipse all lesser aims
The peace of Christ beams more bright
Where good will ever reigns.

THE LIGHT OF GOD’S WILL

The light of God’s will
Flows ever through me
The flow of real purpose
I now clearly see
O pearly white radiance
Command all life free!

HAIL TO THE CHIEF

Hail to El Morya, in triumph he advances
Hail to the Lord of the Ray, the Will of God
Dauntless and forthright, with courage are his stances
Service magnificent for Light do we laud.
For the dream he aspires is the dream all heav’n itself desires
Freedom of man, way of Truth all to see
To free planet Earth and the golden age inspire
O what a star of Light it shall be!

For you, El Morya, the Chief, Darjeeling Council
Blessings and love and our gratitude we pray
Thanks for your pledge, beaming light to all the faithful
Planting the seed divine to teach men the way.
For The Summit you guide with a hand so loving
in God’s Will
Thrust for a purpose, the purpose of right
So firmly we stand, our destiny fulfill
Great is our God and great is his might.

Morya, beloved, thou mentor of the Spirit
Flaming thy heart, for the Real in men to seal
Boundless thy zeal for the love of God incarnate
Hierarchs of Light and Father’s care you reveal.
With the armor of God, build America a sure defense
Circle her borders with Light’s holy bands
That God’s overmen may America defend
Warriors of peace, truth and right in their hands.

(over)
Hail to El Morya, defender of the righteous
Victor for God, will divine his melody
Hail to his banner, with knowledge he imbues us
Parting the veil, unfolding Life’s mystery.
For all men shall with angels and masters walk
and talk again
Luminous beings, the real to become
We call forth the Light, that his faith in all shall reign
Praise to his will, praise to God, Life is one!

Light will overcome!
Light will make us one!
Light from the Central Sun,
Command the captives free!

(Sing twice. Second time sing last line 5 times.)

Light will overcome!
Light will make us one!
Light from Blue-Fire Sun
Command us now all free!
May El Morya bless and keep you
Whether near or far away
May you find that long awaited
Golden day today.

May your troubles all be small ones
And your fortune ten times ten
May El Morya bless and keep you
Till we meet again.

May you walk with sunlight shining
And a bluebird in every tree
May there be a golden lining
Back of every cloud you see.

Fill your dreams with sweet tomorrows
Never mind what might have been
May El Morya bless and keep you
Till we meet again.

May El Morya bless and keep you
Till we meet, till we meet again.
Oh, forget me not, my Presence dear
Let Light within manifest clear.
Thy lovely Flame, three-partite bright
Will bring God Comfort’s great delight.

I forget Thee not, my Saviour God
I call to Thee and for thy aid
Help me never to be afraid.
Thy hand is nigh me all the way
I feel thy Presence when I pray
My song ariseth all the day.

Oh, forget me not, thy winsome smile
’Tis with me now and all the while.
My days and nights are charmed always
My heart is bursting now with praise.

I forget Thee not, my Saviour God
I call to Thee and for thy aid
Help me never to be afraid.
Thy hand is nigh me all the way
I feel thy Presence when I pray
My song ariseth all the day.

Oh, forget me not, I AM, to aim for Thee
Oh, forget me not to claim, “I AM free!”
Oh, forget me not thy Light to see
Oh, forget me not thy Love to be.

THE ANGELS’ SONG AT TWILIGHT
A Reflection on a Poem by Thomas Moore
“Ask Not If Still I Love”

Water falls and green the grass
Birds and the winds singing to me
And in my motion is born a song
Ascends my love, beloved, to thee.

But when the wind in winter is stilled
Birds that once sang gone from the hills
And the green grass droops surrenderedly
Then softly comes love’s old, sweet song imploringly.

Refrain:
Ask not if still I love, dear
Ah, too plain these eyes have told thee
Ah, too well their tears must prove
How near and dear I hold thy love
’Tis not in pleasure’s idle hour
That thou canst know affection’s pow’r.

O dawn of everlasting joy, thou knowest
I AM thy holy love, whither thou goest
Beloved, near or far, whither thou goest
I AM thy secret love star
I AM thy secret love star.

Oh no, try its strength in grief or pain
Attempt as now its bonds to sever
Thou shalt find true love’s a chain
A chain that binds forever, that binds forever
Nor time can sever.

THE CROWNING ROSE
A Meditation on the Crown Chakra

Introduction—3 measures, 3-1/2 beats, 4/4 time

A rose so tall crowns us all
God’s mercy ’round our feet
His light of love from above
Reveals man’s life complete
Reveals man’s life complete.

No flaw can mar his reality
No blight can harm the soul.
Before the heart the rose does start
To make all mankind whole
To make all mankind whole.

AH—3 measures, 3-1/2 beats, 4/4 time

Domain of Light and beauty
Freedom rules the mind
The hand of Christ-reality
Teaches now, be kind!
Teaches now, be kind!

I AM all one, enfolding all
My Light rays from above
Renew in heart the divine spark
For which the Christ does call
For which the Christ does call.

PAUL THE VENETIAN
Lord of the Third Ray

Lovely Venetian, brother of light
Bring us love’s beauty, from heaven’s height
Gentle and patient, loving and true
Beautiful Venetian, we love you!

Liberty’s castle, home of our Paul
Guardian of Liberty’s flame that frees all
In ev’ry heart flame—pink, blue, and gold
Gratefully adores you, friend of old.

Life’s blessed purpose, let all now see
Our brother’s keeper, help all to be
Where shadows darken, love is felt most
Help us there to give it, heav’nly host!

Lovely Venetian, let us be strong
Wielding love’s power, righting all wrong
For your love’s service, freely given all
God’s great gifts of glory, now we call.

Goddess of Liberty, bless your dear son
Our friend and brother, God’s holy one
Expand his power ev’ry blest day
We love our Venetian, God’s third ray!
A BALLAD FROM BELOVED PAUL THE VENETIAN

Be brave when all the world’s in fear
I AM God Presence ever near
There is no failure in his plan
Of liberty for every man.

I AM eternal gratitude
For opportunities so good
The very Presence of the Light
Hangs in the air so sweet and bright.

As angel faces peep right through
From sunlight shaft of glory’s hue
I see the ladder of the Lord
The law of Love now so adored.

Increase the attitude of right
That pens the law of sacred might
And holds me close to God’s embrace
Exalting courage of his grace.

I move ’mid cycles of the years
As beauty’s hand removes all tears
I see the shining realm of Light
From whence I came descending bright.

As God’s own hope for victory
I sing the anthem of the free
“I go to do thy will, in thee”
By inspiration’s mighty pow’r.

(over)
A BALLAD FROM BELOVED PAUL THE VENETIAN
(continued)

O every precious day I see
As welcome opportunity
To dwell in garden fair within
Where God does triumph over sin.

And find the Way that leads me Home
And keeps me seated on the throne
Of oneness with thy purpose rare
This is my heart’s great daily pray’r:

O Father dear, I thank thee for
Thy beauty that is everywhere
But more than all I thank thee for
The beauty that is e’er within.

I LOVE YOU TRULY
To the Beloved Twin Flame

I love you truly, truly, dear
Life with its sorrow, life with its tear
Fades into dreams when I feel you are near
For I love you truly, truly, dear.

Ah! love, ’tis something to feel your kind hand
Ah! yes, ’tis something by your side to stand
Gone is the sorrow, gone doubt and fear
For you love me truly, truly, dear.

I love you truly, truly, dear
Life with its sorrow, life with its tear
Fades into dreams when I feel you are near
For I love you truly, truly, dear.

BECAUSE
From the Soul of the Chela
to the Seven Chohans of the Rays

Because you come to me with naught save Love
And hold my hand and lift mine eyes above
A wider world of hope and joy I see
Because you come to me.

Because you speak to me in accents sweet
I find the roses waking ’round my feet
And I am led through tears and joy to thee
Because you speak to me.

Because God made thee mine I’ll cherish thee
Through light and darkness, through all time to be
And pray His love may make our love divine
Because God made thee mine.*

O LOVE THAT WILL NOT LET ME GO

O Love that will not let me go
   To thee my very life I owe
O hold me in thine arms of light
   May angels guard me through the night
In peace beyond all care.

And as the sunrise and the dawn
   Come stealing o’er earth and beyond
Will see my spirit rise to be
   With truth sealed for eternity
In purity from thee.

As love flows forth to bless mankind
   And comfort eases heart and mind
To God my grateful praise shall be
   For teaching me Christ-mastery
Hence freedom from all strife.

And now that I AM one with thee
   Still let me serve to set Life free
Thy way divine to others show
   To see this planet here below
As it was meant to be.
THE ARROW AND THE SONG

I shot an arrow into the air
It fell to earth, I knew not where.
For, so swiftly it flew, the sight
Could not follow it in its flight.

I breathed a song into the air
It fell to earth, I knew not where.
For who has sight so keen and strong
That it can follow the flight of song?

Long, long afterward, in an oak
I found the arrow, still unbroke.
And the song, from beginning to end
I found again in the heart of a friend.

LOVE CONFINES NOT

Upon the sky where God does write
There is a ray of mighty Light
Love is written in the air
Love is written in our pray’r
Love is written full of hope
Love is written, let none mope!
Love confines not, love is free
Love is beauty, ’tis the key!
Anchor then within your souls
Love’s great Flame to make you whole!

AND THIS IS MY BELOVED—CHRIST SELF

Introduction—4 measures, 2 beats, 4/4 time

Dawn’s promising skies
Petals on a pool drifting
Imagine these in one pair of eyes
And this is my Beloved.

*Strange spice from the south
Honey through the comb sifting
Imagine these in one perfect smile
And this is my Beloved.

And when He speaks
And when He talks to me
Music! Mystery!
And when He moves
And when He walks with me
Paradise comes suddenly near!

All that can stir, all that can stun
All that’s for the heart’s lifting
Imagine these in one Perfect One
And this is my Beloved
And this is my Beloved.*

Let love be the dividing of the way.

Come, legions of far-off worlds
Come, knights of old
Keeping the torch of Love
Keeping the living flames of Love
Love from the living Christ above
Love for the things of God
The ways of God, the path of God.

For hearts in love, the newborn babe
To heal the flaws of earth
To be master of the day
To be whole, to ever say:
“Take my hand, lead me on,
Lovely Paul the Venetian.”
O Love, O beloved
Let love be magnified.

ALL HAIL, MIGHTY SERAPIS BEY
Lord of the Fourth Ray

1. All hail, Lord of Ascension’s Flame
Mighty Serapis Bey
Chosen Son of Light
Raise thy torch, blazing forth
Sacred fire in each heart.
Sounding the light of Truth
Calling the faithful ones
We all lift our hearts, joyful praise
Worship raise unto our king.

Kneel we on bended knee
Pouring our love to thee
Grateful for Victory’s release of light
All hail, hail to Serapis Bey
Hierarch of Luxor’s light
Guardian of the flame brought of old
From afar in God’s name.

To thee, Lord of Ascension’s Flame
Homage and gratitude
Purity in love
Victory, majesty
Discipline in the Law
Serapis, we invoke
Holy fire of soul
To attain the goal
To ascend, to become one with Life.

Help us to serve the Light
Vanguards of holy Light
Protectors of the right—the holy Light
O praise, praise to the Mighty One
For the ascension flame
From the heart of God
Cosmic grace, cosmic love
Thee we adore. (over)
2. All hail, Lord of Ascension’s Flame
   Holy seraphic hosts
   Seraphim of Light
   Guardians bright of the Light
   From our hearts we adore.
   Release ascension’s flame
   Into the souls of men
   From the Central Sun
   Penetrate, activate all in Light.

   Sword of the living flame
   In blest Serapis’ name
   Cut all the earth now free from density
   I AM—I AM thy holy Light
   Flowing around the earth
   All-enfolding love in each heart
   Heaven’s ray glorify.

   Our praise, holy Justinius
   Head of seraphic bands
   Thou the open door
   Unify, purify
   And our birthright restore
   Liberty born of soul
   No more the lesser goal
   But the Son of God
   Consciousness of the Light where God is.

   Help us to serve the Light
   Vanguards of holy Light
   Protectors of the right—the holy Light
   O praise, praise to the Mighty One
   For the ascension flame
   From the heart of God
   Cosmic grace, cosmic love
   Thee we adore. (next page)
ALL HAIL, MIGHTY SERAPIS BEY
Lord of the Fourth Ray
(continued)

3. I AM sealed in ascension’s flame
   I AM a living soul
   Born of God’s own love
   Pulsing flame in the heart
   Love, Wisdom, and Pow’r
   Is the identity
   One with the Father’s love
   Peace and harmony, energy
   Christ the Light, Infinite Mind!

   Oneness with thee to feel
   Oneness with thee to heal
   Oneness with thee to rise, eternally
   I AM one with the pure in heart
   Joining the heav’nly hosts
   Of seraphic bands, seraphim
   Angels bright, into the Light.

   I come out of the Light with thee
   Ever to do thy will
   Destined to return
   To my home, ne’er to roam
   From the Light in God’s heart.
   Sing we hosannas now
   Joyous in gratitude
   God is All-in-all
   All of life, all of love, all of me.

   I AM thy son, O Lord
   Standing before the door
   Of opportunity—to Victory.
   O praise, praise to the Mighty One
   For the ascension flame
   From the heart of God
   Cosmic grace, cosmic love
   Thee we adore.
I AM calling today for thy Golden Pink Ray
To manifest round my form.
Golden Pink Light, dazzling bright
My four lower bodies adorn!

Refrain:
O Brotherhood at Luxor and blest Serapis Bey
Hear our call and answer by Love’s ascending ray
Hear our call and answer by Love’s ascending ray.

Charge, charge, charge our being
With essence pure and bright
Let thy hallowed radiance
Of Ascension’s mighty Light
Blaze its dazzling Light rays
Upward in God’s name
’Til all of heaven claims us
For God’s ascending flame
’Til all of heaven claims us
For God’s ascending flame.

Saturate me with Golden Pink Light
Make my four lower bodies bright
Saturate me with Ascension’s Ray
Raise my four lower bodies today!

Surround us now with Golden Pink Love
Illumined and charged with Light from above
Absorbing this with lightning speed
I AM fully charged with Victory’s mead.
THE ASCENSION FLAME
Meditation on the Retreat at Luxor

Along the Nile, within the halls of Luxor
Flame of Ascension dwells
That to each one aspiring unto heaven
Beauty of Light foretells.

As through ascension’s door
We see creation’s lore
This is the goal of God—transcendent
Love has willed
The Christ flame in man—immortality sealed.

Serapis Bey, belov’d hierarch of Luxor
Our love to thee e’er flows
For thy great Presence, God’s sustaining power
Each passing moment grows.

Our joyful praise ascend
With angel voices blend
It brings to earth God’s truth, his mighty
Radiance so fair
The glory of heav’n in which all men may share.

Ascension’s flame, thou gift from God the Father
Raise all in Freedom’s name
As we invoke thy purity and balance
Thy mighty pow’r proclaim
That each one may be whole
Ascension is our goal
Great is thy Presence, Lord, thy Presence
Wisdom’s love
Our gratitude sings for all eternity—eternally.
THE ASCENSION

From the realms of God's eternal peace
    I feel the pow’r of love’s release
And in contemplation now I see
    My belov’d I AM Presence over me.
Its dazzling Light envelops all
    As I, in adoration, now do call
As loving arms enfold me ’round
    I dwell in majesty profound.

From within this pulsing sacred flame
    I hear revealed my secret name
As I rise in consciousness, I stand
    Ever holding o’er death the victor’s hand.
As I arise, ascended, free
    From deep within my heart, the Light I see
Enfold all in its pow’r of love
    The sacred tone from God above.

Now in heaven’s realm, my voice I raise
    In pouring forth eternal praise
For the love that strengthens and inspires
    And the light rays that are God’s sacred fires.
I AM God’s love, his pow’r, his might
    My one desire, all life free in the Light
Returning now to God, the One
    The Source, the great Great Central Sun.
With our love, glad voices we raise
Alpha/Omega, Central Sun:
Emblazon flame of Purity mighty
With Light sweep all the earth in Vict’ry
As the sun shines pure in his strength
The pure in heart our God shall see.

Elohim of Purity’s ray
Mighty Astrea, hear us pray:
Now blaze forth through the veil of all shadow
The pure radiance of Light from heaven
Purify and circle us all
Thy mighty sword and sphere of fire.

Gabriel, archangel of Light:
Announce to all the virgin birth
The concept, holy image of Purity
Immaculate the Light from heaven
Gabriel, angels of thy band
Purity’s Light release to all.

Lord of Light, our Serapis Bey
Chohan of the ascension flame:
Infire us with thy vision of Purity
Nobility inspire within us
O to thee, Serapis, we call
From Luxor’s flame ascend and free.

Holy one, now crowned of the Sun
Goddess of Purity, thy Light
Will raise us into heaven’s great glory
Where angels ever praise the Father
Singing “Holy, Lord of all Life
Praise to the Light, the name I AM.”
MASTER DEAR, HILARION
Lord of the Fifth Ray

To thee, dear Hilarion
   And thy blest retreat
In the realms etheric
   O’er the Isle of Crete
We, in deepest gratitude
   Send our love to all
For God’s Flame of Truth eternal
   Blazing at our call.

Deep within the heart of its Presence
   All great powers unite
To now give earth’s children
   Vict’ry in the Light.

In thy Love, Hilarion
   Enfold all our youth
Ever hold these dear ones
   In thy Flame of Truth.
They’re the hope of God’s new day
   Make them firm and strong
To uphold God’s gift of freedom
   Praise his name in song.

Patiently, and in thy great wisdom
   Help us now to unveil
This one truth eternal
   God’s Light cannot fail.

MASTER DEAR, HILARION
   Lord of the Fifth Ray
   (continued)

Master dear, Hilarion
   In thy name we send
Help to the agnostics
   Skeptics now befriend.
Atheists, too, need thy love
   Let thy flame expand
In the heart of all our people
   'Til each one shall stand.

Ever God’s divine plan revealing
   Here naught else can abide
When God’s truth and freedom
   Rule earth side by side.
HILARION’S CALL TO HIS LEGIONS OF TRUTH
America, Awake!

Onward, Christian soldiers, marching as to war
With the cross of Jesus going on before!
Christ, the royal master, leads against the foe
Forward into battle, see his banners go!

Onward, Christian soldiers, marching as to war
With the cross of Jesus going on before!

Hail, Hilarion! Hail, legions of Truth!
Angels of dominion, healers of Truth
March, march, march! March in formation
Banners of Truth held high
Shouting a song of hope to the nation
Victory (Victory) is nigh.

March, march, march! America, awake!
Arise, for the hour is come
Warriors of Truth, arise, take dominion
The golden age must come.

Like a mighty army moves the Church of God
Brothers, we are treading where the saints have trod
We are not divided, all one body we
One in hope and doctrine, one in charity.

Onward, Christian soldiers, marching as to war
With the cross of Jesus going on before!

America, awake! Awake! Awake!
The coming of the kingdom is at hand
Awake! Awake! America, awake!
Blaze the light of Truth, belov’d Hilarion.

HILARION’S CALL TO HIS LEGIONS OF TRUTH
America, Awake!
(continued)

Fiery green flame of healing
Heal the hearts and minds of man
Awake! Awake! Our precious youth awake!
Blaze the light of Truth, belov’d Hilarion.

Crowns and thrones may perish, kingdoms rise and wane
But the Church of Jesus constant will remain
Gates of hell can never ’gainst that Church prevail
We have Christ’s own promise, which can never fail.

Onward, Christian soldiers, marching as to war
With the cross of Jesus going on before!

Hail to thee, apostle Paul, belov’d Hilarion
Lord of heaven’s Fifth Ray!

We pledge our love to raise the world
To free America this day
To free America, America this day.

Onward, then, ye people! Join our happy throng
Blend with ours your voices in the triumph song
Glory, laud and honor unto Christ the King
This through countless ages men and angels sing.

Onward, Christian soldiers, marching as to war
With the cross of Jesus going on before!

The final incarnation of the apostle Paul was Saint Hilarion, a renowned healer. Therefore we address him as the Ascended Master Hilarion. He is the Chohan, or Lord, of the Fifth Ray.
BELOVED NADA, OUR CHOHAN DIVINE

A river eternal is flowing
With beauty and light from the sun
And Nada, our chohan, is singing

That precious pink flame in your heart
That seals the great fire of perfection
Of Godhood from Love’s own great heart.

Refrain:
“Come! my dear ones
Your voices blending
Step through the veil
To Life without end
Each heart that waits for love’s true expression
Shall feel that oneness forever endure.”

O search throughout life ’til you find it
For love is the nature of God
To know him as love will transform us
Inspire us to live ’neath the rod.

Thy service in love, precious Nada
Will nourish the flame in each heart
The beauty of God’s ministration
Thy angels forever impart.

Descend now the great stairway
From high in the atmosphere
Into this sanctuary today.

Descend this day
With legions of Chamuel and Charity,
Of Mighty Vict’ry in full fury
Sacred fire, purity.

O God, this day I take my stand
I will follow thy Sacred Heart
I will be that holy Love, O Vict’ry
I will be that flame of Love
Of Lord Shiva, Mighty Astrea, belov’d Maha Kali.

Guardian angels watching over me
I will never walk alone.

Angels of the Holy of Holies, we pray
By the power of Love, the ruby ray
Let the threefold flame
Be the altar of our God in this land
And the kingdom of God replace the kingdoms of man.

By the sign of the cosmic cross of white fire
In the name of Love, Wisdom and Pow’r
And Lord Maitreya, Gautama and Jesus
And the Divine Mother (Amen, Amen)
Amen.

LOVE’S OPPORTUNITY
To Portia, the Goddess of Justice

There is a Goddess so precious
Earth’s atmosphere she commands
With gifts of opportune action
Holding in her hopeful hands.

Refrain:
Love’s Opportunity
Brings all God’s gifts to all men
Love’s Opportunity’s calling
Calling again and again!

She comes in many disguises
Not always blazing her light
Only vibration apprises
What’s to be done that is right.

Beware the sins of omission
Often more grievous than wrong
And though the sin be forgiven
Yet the full blessing is gone!

Justice is Love’s Opportunity
Holding wide God’s open door
Take from the hands of this Goddess
Blessings of good held in store.

MY BROTHER ASKED ME
WHO SAINT GERMAIN WAS

My brother asked me who Saint Germain was
My brother asked me who Saint Germain was
I thought and I wondered how I could explain
What wonder was held in Saint Germain’s name!

He’s helping to bring forth the teachings of God
He’s helping to bring forth the teachings of God
Aligned with our dear Master Jesus Christ
And his Mother Mary—in these three I trust!

If you’re close to Jesus, I’m there with you, too
Or his Mother Mary—I love her, I do!
After my searchings, dear Saint Germain came
To show me the meaning of God’s I AM name.

Of all great concerns that our dear Jesus had
Before he left earth was that all of man
Would worship him only and fail to see
The Christ in each one of humanity.

Do not be afraid to let Saint Germain come
Into your life! He will make you one
With God and dear Jesus and Mary and more
Ascended great masters you’ll learn to adore.

And now if they ask me who Saint Germain is
And now if they ask me who Saint Germain is
I will have an answer and it won’t be long
I’ll just simply sing them the words of this song!

I will have an answer and it won’t be long
I’ll just simply sing them my Saint Germain song!
HE LIVED TO MAKE MEN FREE

He is love.
He is freedom,
A master of ancient wisdom.
He brought forth violet flame
And the truth of the I AM name.

Saint Germain is his name,
This master in many disguises.
Golden age, his goal—
To bring freedom to every soul.

He lived to make men free.

He brings justice, ever mercy
In a time of karma descending.
Founder of our nation,
Our love for him never ending.

He lived to make men free.

He is love.
He is freedom,
A master of ancient wisdom.
He brought forth violet flame
And the truth of the I AM name.

Saint Germain is his name,
This master in many disguises.
Golden age, his goal—
To bring freedom to every soul.

He lived to make men free!

Spoken: Let us live to make men free!

FAITH, HOPE, AND CHARITY

Angel of loveliness, Faith, friend so true
   Keep us in holiness, our faith renew
Lift us to heaven’s height, there let us see
   Blest Michael’s cosmic might now and e’er one
       with thee.

Hope, blessed angel bright, hear thou our call
   In pure and holy light enfold us all
Help all thou lov’st so well to heav’n regain
   There with blest Gabriel forevermore to reign.

Our blessed Charity, angel of love
   Hold all in purity from God above
Blest Chamuel’s complement, lovely thou art
   Help thou our God-intent to be of thee a part.

Faith, Hope, and Charity, from thee we see
   Each sacred quality flow constantly
Teach us thy truth divine, e’er light our way
   Show us our God-design and ever with us stay.
DEAR ANGELS, GOD’S ANGELS

Dear angels, bright angels now hov’ring above
Are watching, protecting, and guiding with love
Dear angels of heaven, our songs rise to thee
In quiet communion thy beauty we see.

Dear angels, blest angels, send comfort to earth
In minist’ring, healing, and giving rebirth
Perfection’s great light now enfold every soul
To teach us and help us to all reach our goal.

Dear angels, God’s angels, thou cohorts of light
Though presently veiled from our earthly sight
God’s peace and God’s love are the keys to your heart
We love you and pray that you never depart.

Then one day, dear angels, we’ll rise up to thee
To dwell in the realms of thy creativity
We then shall ascend borne on light’s shining ray
Majestic, triumphant, bring in the new day.

TO THE SEVEN ARCHANGELS

Michael, Michael, Michael
Prince of the archangels
From the grateful hearts of all
Do songs of praise arise.
For thy heavenly presence
All on earth adore thee
God from the Sun
In all the name implies.

Michael, Michael, Michael
May the guardian angels
From thy heavenly legions
Stand forth to set all free.
Purify, illumine
Manifest the glory
Of light’s perfection
That each one may be.

Jophiel and Chamuel
Gabriel and Raphael
Uriel and Zadkiel
And mighty hosts of light.
Cherubim and seraphim
From the realms of glory
Rend now the veil
That dims our human sight.

(over)
Blessed seven archangels
For illumination
We invoke thy presence
In hymns of praise to thee.
Keep us consecrated
To God’s plan fulfilling
In purity
Thy ministers to be.
MICHAEL’S SWORD OF BLUE FLAME

Blest Michael, great archangel bright
To help raise earth to heaven’s height
Fashioned a sword of love’s blue flame
Let all adore and praise his name.

Refrain:
O sword of blue, in love so true
We e’er invoke thy mighty stroke
That cuts away by love divine
All not of God’s own pure design
And in its place gives joy and peace
To bring to all love’s sweet release.

The sword of flame such freedom brings
With gratitude each heart now sings
Its mighty pow’r both sure and fast
Transmutes all errors of the past.

Dear Michael’s sword of flame so true
Our vict’ry brings in all we do
To it we bow and bend the knee
And bless it now most gratefully.

O Central Sun and Lords of Light
Give earth her vict’ry for the right
And bless Archangel Michael, too
For his great love and sword of blue.
I AM MICHAEL, MICHAEL, MICHAEL!

I AM Michael, Michael, Michael!
   I stand within his flame
I AM Michael, Michael, Michael!
   By God’s own I AM name
I AM Michael, Michael, Michael!
   His Faith ablazing here
I AM Michael, Michael, Michael!
   His Power and Love so dear!

I AM Michael, Michael, Michael!
   To Light and Love I bow
I AM Michael, Michael, Michael!
   To defend the Faith I vow
I AM Michael, Michael, Michael!
   I enlist the Light of men
I AM Michael, Michael, Michael!
   America defend!

I AM Michael, Michael, Michael!
   His shield of Faith I wear
I AM Michael, Michael, Michael!
   His circle and sword I bear
I AM Michael, Michael, Michael!
   Enarmed by his Love
I AM Michael, Michael, Michael!
   Blue lightning from above!

(next page)
I AM MICHAEL, MICHAEL, MICHAEL!
(continued)

I AM Michael, Michael, Michael!
Protected by his word
I AM Michael, Michael, Michael!
The Captain of the Lord
I AM Michael, Michael, Michael!
His legions now descend
I AM Michael, Michael, Michael!
Each child of the Light defend!
The sweetest psalm I ever knew
Directed to the God I view
“Obedience”—I AM to thee
O Law of Beauty, keep me free
Command me now thyself to see
Command me now thyself to be.

I AM, O Shepherd, so divine
Abide within this heart of mine
Pulsate, arise, O mighty fire
Make every facet now all thine
Command me now and set me free
Thy perfect image now to be.

O Freedom’s song will fill my soul
For Freedom is thy highest goal
Thy way is love and great delight
To steer my course to heaven’s height
Command me now to shed thy Light
Effulgence of thy wonder bright.

Obedience is not bondage chain
Obedience will secure great gain
Thy laws of Truth produce good fruit
A holy science that is proof
A heav’nly vision faith-inspired
Of victory to free our youth.

Now sweep thy beams around the world
Command thy Light to ever shine
Thy holy rays to bathe the earth
In Light divine, thy comfort blaze
E’er pouring forth God-energy
Expand thy love, great God I AM.
Micah, Angel of Unity

Our heart’s true love we e’er send to thee
As thy glorious crown so bright
Enfolds the earth in its heav’nly light.

Thou art Michael’s blest angel son
Ever through thee shall God’s will be done
On the earth as in realms above
Each one e’er pouring forth perfect love.

Micah, thou art the friend of all
Who now sincerely to God do call
Ageless, powerful, thy love, too
Cuts all life free with love’s sword of blue.

Thy blest presence to few is known
And service rendered for love alone
Now in gratitude may all bless
Thee and thy world with God’s happiness.

Micah, beautiful angel friend
Our worlds with unity now do blend
From the heart of the Central Sun
We call thy pow’r ’til earth’s vict’ry’s won.
Jophiel, golden archangel
   Standing in earth’s atmosphere
Blaze thy enlightenment through us
   Let ’lumination appear!
There in thy Christed awareness
   Naught by perfection can live
Speak golden love through each heartbeat
   As all God’s wisdom you give.

Refrain:
   Jophiel dear, our heart’s call do now hear
      Consecrate us, each one
      To earth’s God-vict’ry won
Every heart sings as thy great Presence brings
   Wisdom in thy bright wings.

We give our love to dear Jophiel
   That we may heaven regain
With his great love flowing through us
   All in God-wisdom shall reign.
Lovely Christine, we salute thee
   Hold us e’er watchful within
Through thy great fires of the Logos
   We cosmic consciousness win.

Jophiel, golden archangel
   Bring understanding’s great peace
As all outpicture thy Christ light
   Man’s wise-dominion increase.
Blessings and love to thee always
   Jophel, from God’s heart we call
We give our life’s consecration
   To thee and archangels all.
BELOVED CHAMUEL
Archangel of the Third Ray

Chamuel, dear archangel
In the I AM name
Hold us in the lovely
Adoration flame.
Blaze thy Light around us
And the earth today
’Til mankind remembers
Living Love’s sweet way.

Chamuel, now we send thee
Love and gratitude
For the understanding
That God’s will is good.
Held within the power
Of the Father’s love
We know Light’s perfection
Waits for all above.

Chamuel, our beloved
In God’s holy name
We implore assistance
Balance to reclaim.
Tolerant understanding
That is Love’s third ray
Sees perfection always
Every passing day.

(over)
Chamuel, we adore thee
   And thy dear heart flame
Ever are we praising
   Charity’s sweet name.
Mighty Silent Watcher
   In the realms above
Hold our dear archangels
   In thine arms of Love.
CHARITY

Though I speak with the tongues of men and of angels, and have not Charity, I am become as sounding brass or a tinkling cymbal.

And though I have the gift of prophecy and understand all mysteries and all knowledge;
And though I have all Faith, so that I could remove mountains, and have not Charity, I am nothing.

And though I bestow all my goods to feed the poor, And though I give my body to be burned, And have not Charity, it profiteth me nothing.

Charity suffereth long, and is kind; Charity envieth not; Charity vaunteth not itself, is not puffed up,

Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil;

Rejoiceth not in iniquity, but rejoiceth in the truth; Beareth all things, believeth all things, hopeth all things, endureth all things. Charity never faileth, never faileth Charity never faileth.
But whether there be prophecies,  
    they shall fail;  
Whether there be tongues,  
    they shall cease;  
Whether there be knowledge,  
    it shall vanish away.

For we know in part  
    and we prophesy in part.  
But when that which is perfect is come,  
Then that which is in part  
    shall be done away.

When I was a child, I spake as a child,  
I understood as a child,  
    I thought as a child:  
But when I became a man,  
    I put away childish things.

For now we see through a glass, darkly;  
But then face to face:  
Now I know in part;  
    but then shall I know  
    even as also I am known.  

And now abideth Faith,  
And now abideth Hope,  
And now abideth Charity,  
    these three;  
But the greatest of these is Charity!  
    Charity! Charity!

I Corinthians 13
Gabriel, blest angel from heaven’s glory
   Thy great Light shines now o’er the earth*
To all men, announcing Creation’s story
   Of perfection in love’s new birth.
Now shall the goal, ascension
   Command each one’s attention
Showing the purpose of all life
   To be e’er free from all strife.
Archangel dear, thy voice we hear
   That speaks in God’s holy name
God’s will is done, Light’s vict’ry’s won
   As we invoke thy great flame
Of purity that sets all free
   Eternally.

Gabriel, God’s power of love immortal
   Now enfolds earth to set her free*
Many loved ones stand now at heaven’s portal
   Grateful for opportunity.
Through all our meditation
   Flows our sweet adoration
To thee and thy beloved one
   For Light and Love from the Sun.
Angels and men now work again
   To bring earth Light’s victory.
Our praise we send to thee, dear friend
   For bringing love’s ecstasy
O Gabriel, the heavens tell
  Thou’rt loved so well.

*(over)*
Gabriel, great blessings of love are flowing
  From the heart of blest Freedom's Lord*
For thy Light and Love evermore bestowing
  That which holds all in one accord.
Great Freedom's bells now pealing
  Are God's own truth revealing
And choirs of freedom angels sing
  As they their peace to all bring.
Thus Freedom's pow'r, this cosmic hour
  Will bring release to mankind
As in each heart, the truth will start
  To blend with each soul and mind
Until like thee, all life is free
  In purity.

WINGS OF HOPE
To the Archeia of the Fourth Ray

Wings of Hope, enfold our planet ’round
Wings of Hope, bring freedom’s joyful sound
Bells of peace and joy they ring
Make all life arise and sing.
Resurrection’s flame of beauty bright
Raise our earth victorious in Light
Wings of Hope from God’s great heart
Love’s forgiveness prove.

Wings of Hope of Cosmic Christ release
Transmute discord into heaven’s peace
By the pow’r of your heart flame
Raise the earth in the I AM name.
Wings of Hope, protect God’s Life in all
Free all elementals great and small
All Hope’s courage now impart
To each beating heart.

Wings of Hope, we lovingly adore
God’s perfection earth once knew before
Resurrect in worlds of men
God’s perfection here again.
Central Sun, our source of Life so dear
Bless our Hope for bringing to us here
Wings of Hope that all may be
Free eternally.

Consecrate us, each one  
To earth’s great vict’ry won

That we may heaven regain  
With his great love flowing through us  
All shall e’er constant remain.

Hold us e’er peaceful within  
As through us he pours his blessing  
In us new life will begin.

Let the palms wave! (Gabriel!)
Let the glad hosannas ring!
Gabriel! (Gabriel!)
Let the glad hosannas ring!
Lord of heaven’s fourth ray!

Bring forth the eternal star flower
Immortelles of angelic fire
The golden, pure white lily
From shores of transcendent perfection.

Hail, O infinite fire!
I AM Gabriel of the Sun
I AM Gabriel of the Sun
Angel of Annunciation
The Immaculate Conception.
I seal thee in the promise of love
Of victory—I come
Blessed virgin, unto thee
I come to announce to thee
I come to announce unto thee.

Hail, thou that art highly favoured
The Lord is with thee
Blessed art thou among women
Blessed art thou among women.

Fear not, Mary:
For thou hast found favour with God.
And, behold, thou shalt conceive in thy womb
And bring forth a son
And shalt call his name Jesus.

He shall be great
And shall be called the Son of the Highest
And the Lord God shall give unto him
The throne of his father David.

And he shall reign over the house of Jacob
For ever, for ever; and of his kingdom
There shall be no end.

The Holy Ghost shall come upon thee
The power of the highest shall overshadow thee
Therefore also that holy thing
Which shall be born of thee
Shall be called the Son of God.

For with God nothing shall be impossible
Nothing shall be impossible.

(over)
I AM Gabriel! I AM Hope!
I stand in the presence of God!
I stand in the presence of God!

The trumpet has sounded!
The seal is broken!
Come forth, O Divine Manchild!
O come forth, Divine Manchild!

I, Gabriel, have sounded forth the trumpet
Of the golden immaculate concept.

O beloved archangels of the sacred fire
Return this land to the union of Light—
of Light, of Light!
Return this land to the Light
Return this land to the Light.

Blaze, O blaze thy radiance
Blaze, O blaze God-desire
Exalt each one in resurrection’s pure Light—
pure Light, pure Light!
Return this land to the Light
Return this land to the Light.

I, Gabriel, have sounded forth the trumpet
Of the golden immaculate concept.

Coda:
I return to the heart of the Sun
From whence I AM come!
And I beheld the great electronic fire rings
Of the Great Central Sun.

I saw the surface thereof as of molten gold
Blending with an azure blue.

The sky became a sea and, behold, the soft glow
As of pale pink roses of living flame
Bubbling on the surface beneath.

Translucent, then transparent, a white fire core
That pulsed and rose and fell with a holy radiance
Inundated my soul.

My eyes I sought to shield from the glorious wonder
Which I knew to be Reality, Infinity and Love
without end.

All Knowledge, all Power, all Love
Going on forever
Having neither beginning nor ending
Were before me.

And I saw the naturalness of home, of friends, of family
All that ever was and is or is to come.
Ribbons of interconnecting glory from this gigantic orb
Spread into space from galaxy to galaxy,
star system to star system.
And the song of the music of the spheres
Moved upon the strings of my heart
As a lute of fire.
I heard the turning of seemingly silent spheres
And tones of cosmic fires, of dead and dying worlds.

Systems moving outward into far-flung deserts
Margins spread apart
Yet engulfed in the love of the Center.
My soul was separated from earthly consciousness
I roamed through spiral nebulae
Through gossamer veils of light
Through flaming hair of Seraphim
Places of the Sun
The turning of empty worlds.
I understood the message of the elder ones
The consciousness of a little child, innocent of heart
I knew the pure in heart should see God.

My heart burst as chunks of ice became a warm
liquid reviving hope within my bones
O Love, thou wouldst not separate me from eternality
Celestial manifestation of God, the dawn of foreverness.

Elohim (Elohim), Elohim (Elohim), Elohim.

I AM everywhere in the consciousness of God!

Which shall be to all people.

For unto you is born this day
In the city of David, a Saviour
Which is Christ the Lord.

And this shall be a sign unto you
Ye shall find the babe wrapped in swaddling clothes
Lying in a manger.

And suddenly there was with the angel
A multitude of the heavenly host
Saying, Glory (hold 6 beats, rest 1)
Saying, Glory to God in the highest
And on earth peace, good will t’ward men. (hold 8 beats)

“The morning stars sang together, and all the sons of God shouted for joy.”
—Job

ELOHIM, ELOHIM, ELOHIM!
Let their voice be heard (3x)
For the turning of the worlds!

And there were great voices in heaven—
The God of Glory thundereth:
Thou didst call in trouble and I delivered thee
I answered thee in the secret place of thunder.

Great Central Sun, our souls desire
Thy plan of love here to defend
Elohim of sacred fire
Seven hearts and seven hearts again.

Blessed seven Spirits of old
Now come to earth from realms on high
Make the souls of Light now bold
God Vict’ry! their battle cry.

Chorus: Let their voice be heard
Seven Thunders of the Word
For the turning of the worlds
And the Golden Age unfurled!

Come bless our earth, the sea, and sky
Awake the world from its long night
Help us ascend by God’s great Light.

Bring to earth God’s greatest treasure
Purest Love without alloy
O sons of God, now shout for joy!

O HERCULES, THOU ELOHIM
Elohim of the First Ray

1. O Hercules, thou Elohim
   I AM a child of Love
   Come and seal my being
   By might from heaven above.

   Refrain: Like a bolt of lightning blue
            Pow’r of God flashing through
            Take dominion o’er me now
            To thy Light and Love I bow.

2. O Hercules, thy splendid shining
   Shatter failure and opining
   Ope the way in Love divining
   Seal each one in crystal lining.

   Refrain: Purify and guard my being
            By thine eye of grace all-seeing
            Clothe me in thy power real
            Fill me now with holy zeal.

3. O Hercules, for strength I call
   Give me Vict’ry over all
   Let God triumph over me
   Raise thy scepter, set me free.

   Refrain: I AM come to do God’s will
            Give me grace now to fulfill
            All the plan of heaven’s Son
            With thy Light I AM now one.

4. O Hercules, beloved one
   Crown me with thy blazing sun
   Set thy hand upon my brow
   Raise me to Perfection now.

   (Repeat first refrain)
HERCULES’ JOY OF SELF-MASTERY
Elohim of the First Ray

(The Devotee Implores Elohim)
Hercules, blue flame of power sevenfold
   Bring self-mastery through joy, by God controlled
Circle round about us now to give true peace
   In its current endless victories release.
Herculean armor, scintillating fire
   Amplify, protect, and strengthen right desire
Humbly we beseech thee, help us now, dear friend
   That in purity and love we shall ascend.

For the heart yearns to attain its plan divine
   To become like thee a friend to all mankind
Give us strength like thine to labor to the end
   ’Til the earth is purified and all ascend.
Now illumine all that we attain life’s goal
   Hold the cup of light to every thirsting soul
Robed in holy fire we shall forever stand
   Radiant pillars, golden gates to promised land

(Elohim Responds)
Seek the flame upon the altar in the heart
   Holy spark of God’s creation set apart
For the earthly journey centuries ago
   Sacred fire, now blaze, expand, and ever grow
To become the river of God’s cleansing grace
   Drawing aid from all of heaven throughout space
Bathed in light of iridescent rainbow hue
   Transmutation’s flame that maketh all things new.
AMAZONIA, GRACIOUS ONE  
Elohim of the First Ray

Amazonia, gracious one  
Daughter of the Central Sun  
Complement of Hercules  
At thy throne on bended knees  
Low in gratitude I bow  
For thy ray within each brow.*

As I raise my heart to thee  
All thy glory let me see  
Let me feel the pow’r of love  
From the Elohim above  
All thou art, perfection’s flame  
All shall be one day again!

Let thy pow’r of love divine  
As the branch is to the vine  
Hold me safe in thy embrace  
Amazonia, Light erase  
All God never meant to be  
Cause and core, immediately!

As I, joyous, journey Home  
My great Presence to become  
Human shadows have no pow’r  
To delay me e’en an hour  
As thy peace my world controls  
And thy faith my vict’ry holds!

Amazonia, now for thee  
From the sun and all thereon  
Call we blessings of the Light  
To expand thy heav’nly might  
Now with Hercules, dear one  
Raise our earth, a dazzling sun!

*The rays of the seven mighty Elohim and their divine complements are focused in the foreheads of mankind.
GLORIOUS APOLLO AND LUMINA
Elohim of the Second Ray

Glorious Apollo from on high beheld us
Wandering to find a temple for his praise
Sent angel devas hither to shield us
While we ourselves such an altar might raise.
Thus then combining heart, head, hands joining
Sing we in harmony Apollo’s praise
   Apollo’s praise, Apollo’s praise
   Apollo’s praise, Apollo’s praise.

Glorious Apollo, Elohim of Wisdom
And beloved Lumina we praise thy flame
Send forth the action and illumination
To free our Terra in God’s holy name.
Forward in Vict’ry, voices raised in glory
Sing we in harmony Apollo’s praise
   Apollo’s praise, Apollo’s praise
   Apollo’s praise, Apollo’s praise.

Glorious Apollo, legions of angels
Bring to earth the Holy Kumaras’ Light
“Teach the children!” speaks this mighty master
To strengthen our armor in battle for the right.
God’s banner raising, marching onward praising
Sing we in harmony Apollo’s praise
   Apollo’s praise, Apollo’s praise
   Apollo’s praise, Apollo’s praise.

(next page)
Glorious Apollo, Wisdom’s mighty master
Conquering the deeds of the fallen ones
Let Wisdom pierce the hypocrite and coward—
Justice through God’s daughters and sons.
Free we will stay by God’s golden ray
Sing we in harmony Apollo’s praise
   Apollo’s praise, Apollo’s praise
   Apollo’s praise, Apollo’s praise.

Glorious Apollo, Helios and Vesta
Answer the call of the Elohim
That we may all be Elohim in Matter
Cells of Apollo, is our dream.
As we take flight, ascension in the Light
Sing we in harmony Apollo’s praise
   Apollo’s praise, Apollo’s praise
   Apollo’s praise, Apollo’s praise.

   Blest Amora, friend so dear
Love and blessings
   Call we forth with hearts sincere.

Through all less than God’s perfection
May it all our worlds refine.

Great Arcturus, we now bless thee
And thine own dear heart flame, too
Blest Victoria, consecrate us
As we service pledge anew.

Call we forth God’s great forgiveness
For all not of God-design
May we now invoke its power
To complete our plan divine.

ARCTURUS, BLESSED BEING BRIGHT
Elohim of the Seventh Ray

1. O Arcturus, blessed being bright
   Flood, flood, flood our world with Light
   Bring forth perfection everywhere
   Hear, O hear our earnest prayer.

Refrain:
Charge us with thy violet flame
Charge, O charge us in God’s name
Anchor in us all secure
Cosmic radiance, make us pure.

2. O Arcturus, blessed Elohim
   Let thy Light all through us stream
   Complement our souls with love
   From thy stronghold up above.

3. O Arcturus, violet flame’s great master
   Keep us safe from all disaster
   Secure us in the cosmic stream
   Help expand God’s loving dream.

4. O Arcturus, dearest lord of might
   By thy star radiance beaming bright
   Fill us with thy cosmic Light
   Raise, O raise us to thy height.
This is my Father’s world
   And to my list’ning ears
All nature sings and ’round me rings
   The music of the spheres.
This is my Mother’s world
   I rest me in the thought
Of rocks and trees, of skies and seas
   Their hands the wonders wrought.

This is my Father’s world
   The birds their carols raise
The morning light, the lily white
   Declare their Maker’s praise.
This is my Mother’s world
   They shine in all that’s fair
In the rustling grass I hear them pass
   They speak to me everywhere.

This is my Father’s world
   O let me ne’er forget
That though the wrong seems oft so strong
   God is the ruler yet.
This is my Mother’s world
   Why should my heart be sad?
The Lord is King—let the heavens ring
   God reigns—let earth be glad!

Words by Maltbie D. Babcock. Music by Franklin L. Sheppard (hymn tune “Terra Beata”)
A SONG OF SPRING
To Amaryllis Goddess of Spring

'Tis spring again
And in the trees and flowers
Life now returns
From winter’s silent sleep
O’er hill and dale
God manifests his powers
And from on high
Their watch the angels keep.

'Tis spring again
And in the colors blending
The tiny crocus
And the daffodil
Raise their bright cups
The proof of Life unending
As elementals serve
God’s plan divine fulfill.

'Tis spring again
The birds sing forth their praises
To man they bring
God’s messages of hope
Inspired by love
They whisper to each waiting heart
Of Life’s rebirth
God-freedom to the earth.

'Tis spring again
And resurrection’s glory
In splendor brings
The gifts from God above
And to all men
We tell the age-old story
From out the opened tomb
Christ stands revealed in love.

GRATITUDE TO THE ELEMENTALS
(continued)

Transmute all wrong causes
With thy loving pow’r.

To thee now we humbly pray
Lord Maha Chohan
Raise all elemental life
Fore’er to stay.

Blessed salamanders
From the heart of Light
Elemental beings
Of God’s fire so bright
We are all so grateful
For God’s gift of fire
Heaven’s peace enfold’s all
Now as they aspire

To transcend all earthly strife
To now be set free
As man now decrees
To live in purity.

Sylphs and gnomes and undines
Salamanders, too
Violet fire to set you free
We call for you
Blessed little beings
Your release shall come
Through our love and gratitude
For all you’ve done.

God’s own pow’r, I AM, bless you
With his love so dear
And will e’er sustain you
’Til earth’s crystal clear.
Precious little beings, elementals all
Working in the air and water, field and forest, too
Service to the Father, fulfilled with joyous light
Purifying, balancing all life to set it free.
Then came human shadows, thoughtlessness, and strife
Densifying earth and causing them to toil
As mankind became more selfish, all those shadow grew
All forgot their God Source—perfection they once knew
Now on love’s forgiveness earnestly we call
For the wrongs of man imposed on elementals all.

Gnomes and salamanders, sylphs and undines, too
We all love you for your selfless, patient service true
Let the I AM Presence now rend the human veil
That we all may see you in that light that does not fail.
Freedom flame now seal you in an ovoid bright
With its freeing essence, penetrating light
In its purifying presence, making you aware
Of the love and beauty you had when earth began
Precious elementals, we would be your friends
Walking hand in hand the pathway ’til life’s journey ends.

Helios and Vesta—mighty Central Sun
Through belov’d Pelleur and Virgo, bless each little one
Of the nature spirits, the sylphs and undines, too
Now restore to them the happiness that they once knew.
We call forth their freedom through our Saint Germain
Purifying substance in the I AM name
Now restore their radiance, their immortality
Flame of resurrection, it is endowed for thee
Precious little beings, we command you free
By the love of Jesus’ flame for all eternity.

All nature sings with sons of Light:

“O God, how beautiful thou art
Thy feet upon the mountains.”
O Holy Spirit of the dawn
Burst forth with Light in every soul.

  Your presence there above
The glory of your beauty

Your flames of mercy, justice, too
  Forgiveness rare, love’s balance true

Your majesty and power, too
  Victorious in all we do
That we may bring earth Home!
That we may bring earth Home!
That we may—that we may bring earth Home!

Nearer to thy mighty flame
To serve our blessed Saint Germain.
He is thy son in freedom’s birth
Who lifts on high the souls of men
Invoking vict’ry for the earth
The golden age shall come again.

Freedom is Liberty’s gift to all
Divine intention manifest
I AM actively making the call
For peace to set men’s hearts arest.
The kingdoms of this world are thine
For God is in thee through and through
I AM the guardian of thy shrine
Liberty’s law, God’s will to do.

O blessed Mother, I AM thine own
Thine eye is focused on my goal

And flames of freedom raise my soul.
Let all the earth now listen well
To tones of love now ringing clear
For love divine can break the spell
Exalt God-freedom year by year!

From God’s sacred heart  
We adore thy Presence  
And to all impart*  
Knowledge of thy being  
And thy boundless love  
That enfolds earth’s children  
From thy realms above.

Thou who art the manu  
Of the seventh race  
Long hast thou been waiting  
’Til it takes its place  
In earth’s evolution  
To raise her to Light  
God’s great plan fulfilling  
Perfect in his sight.

From heav’n’s heart eternal  
Angels come to bless  
Men and elementals  
With God’s happiness  
O thou Great Director  
Of our plan divine  
Come now, we implore thee  
Let the Christ light shine.

As to the ascension
   We do now aspire
Help each one in winning
   That one God-desire
To attain Light’s glory
   Pure in mind and soul
One with our great Presence
   This, perfection’s goal.

A HYMN OF THE GODDESS OF LIBERTY
   "Give Me Your Tired, Your Poor . . ."
Give me your tired, your poor
Your huddled masses yearning to breathe free
The wretched refuse of your teeming shore
Send these, the homeless, tempest-tost to me
I lift my lamp beside the Golden Door!
(Sing three times. Each repetition modulates up one-half step.)
Divine Director, Come!
Seal me in thy ray
Guide me to my Home
By thy Love I pray.

Refrain:
Thy blue belt protect my world
Thy dazzling jewels so rare
Surround my form and adorn
With essence of thy pray’r.

Make us one, guard each hour
Like the sun’s radiant pow’r
Let me be, ever free
Now and for eternity.

Blessed Master R.
You are near, not far
Flood with light, God’s own might
Radiant like a star.

Divine Director dear
Give me Wisdom pure
Thy Power ever near
Helps me to endure.

Shed thy Light on me
Come, make me whole
Banner of the free
Mold and shape my soul.

And make our feelings pure delight.

O violet fire, now cleanse our souls
In love and wisdom, joy and pow’r
The truth at last shall make us whole
To be thy presence every hour.

O violet fire, now cleanse our souls
I AM with thee in thy pure Light
Such lovely beauty we behold
When in celestial realms so bright.

Now vict’ry is our joyful song
As we, in consciousness, arise
To join the glorious angel throng
Where love and happiness abide.

Is now turned back
by the authority of Alpha and Omega,
by the authority of my Lord and Saviour Jesus Christ,
by the authority of Saint Germain!
IAM THAT I AM within the center of this temple
and I declare in the fullness of
the entire Spirit of the Great White Brotherhood:

(spean)
That those who, then, practice the black arts
against the Children of the Light
Are now bound by the hosts of the Lord,
Do now receive the judgment of the Lord Christ
within me, within Jesus,
and within every Ascended Master,
Do now receive, then, the full return—
multiplied by the energy of the Cosmic Christ—
of their nefarious deeds which they have practiced
since the very incarnation of the Word!

(sung)
Lo, I AM a Son of God!
Lo, I AM a Flame of God!
Lo, I stand upon the Rock of the living Word
And I declare with Jesus, the living Son of God:
They shall not pass! (3x)

Note: Stand. Raise your right hand, using the abhaya mudrā (gesture of fearlessness, palm forward),
and place your left hand to your heart—thumb and first two fingers touching chakra pointing inward.

Djwal Kul, to you our love we pour
We love you, dear, forevermore
For your great precipitating pow’r
And the mast’ry of light this cosmic hour.

O teach all men the Father’s way
Assist them in that love to ever stay
The torch of Liberty shall light the way
Illumined man to God returns.

As the Wise Men three to Bethl’hem came
To welcome Jesus, in Christ’s name
And in selflessness to him they vowed
Serve his cause as adoringly they bowed.

Kuthumi, Morya, and your name
The Three Men Wise of holy Christmas flame
Their love of Truth had made them free and wise
And to that Truth all men must rise.

O Melchior and Caspar dear
With Balthazar—all three are here
Ascended now to heaven’s height
Bless the mankind of earth with all your light.

O raise them now in holy joy
In purity and faith without alloy
For all you are and all you ever do
Djwal Kul, our deepest love to you!

Hail, Mary, full of grace (hold 1 beat, rest 1/2)
The Lord is with thee. (hold 2 beats, rest 1)
Blessed art thou among women (hold 1 beat, rest 1/2)
And blessed is the fruit of thy womb, Jesus.

Holy Mary, Mother of God (hold 1 beat, rest 1)
Pray for us, sons and daughters of God (hold 2 beats, rest 1)
Now and at the hour of our vict’ry
Over sin, disease, and death.
Amen.
Ah! Lord Maitreya, Buddha dear, we bow before you
How we love that great perfection you’ve become
How we long, each one, to be your great outpouring
Of love divine that now compels earth’s vict’ry won.

For ’tis love and love alone the world is seeking
And ’tis love and love alone that can redeem
It’s the answer, it’s the end and all of living
It’s God’s redemption of each dear lifestream.

Ah! new Buddha dear, our own belov’d Lord Maitreya
Perfect balance of the holy three-times-three
Let us all absorb the radiance of your Presence
We kneel before you, wait your blessing patiently.

Your majestic peace and gracious understanding
God’s forgiveness raising all to mastery
Fills our hearts and worlds with love’s determination
To do God’s will in all humility.

Ah! new Buddha dear, our own belov’d Lord Maitreya
You are now the great example to us all
Through us show mankind the way to their own Presence
And help us teach mankind the I AM way to call.

For ’tis love and love alone all life is seeking
And ’tis love and love alone that sets all free
O Great Central Sun, reward our friend of ages
By raising earth to Light, a sun to be.

Melody: “Ah! Sweet Mystery of Life” by Victor Herbert
AH! SWEET MYSTERY OF LIFE
To the Coming Buddha Who Has Come

Ah! sweet mystery of life
at last I’ve found thee
Ah! I know at last the secret of it all
All the longing, seeking, striving,
waiting, yearning
The burning hopes,
the joy and idle tears that fall!

(Repeat entire song)

For ’tis love, and love alone
the world is seeking
And ’tis love, and love alone
that can repay!
’Tis the answer, ’tis the end
and all of living
For it is love alone that rules for aye!

(Repeat entire song)

PRECIOUS GAUTAMA
To the Lord of the World
Who Wears the Mantle of Sanat Kumara

Precious Gautama
We welcome you as our new Lord
We want to serve you
So help us, Great Karmic Board.
Your gentle Presence
Now help us to manifest here
Help us outpicture our Father, so dear.

We are so grateful
That you have prepared to this time
Ready and willing
To free such a friend sublime!* 
To you we’re grateful
For showing us God’s Middle Way
Help us to live in its vict’ry each day.

Gracious Gautama
Our teacher and friend of the past
Flood men with wisdom
And set them all free at last!
Bless them with freedom
And hold them in Love’s violet fire
Purify always their every desire.

Helios and Vesta
Reward this great Master of Peace
Flood all his being
With blessings that never cease!
Make our dear planet
The fullness of all she should be
Her evolutions forever all free.

*This refers to Sanat Kumara, who held the office of Lord of the World until January 1, 1956, when his disciple, Gautama Buddha, assumed that position, thus ‘freeing’ Sanat Kumara to return to his home on Venus which he had left centuries ago to keep the flame for the earth at her darkest hour. Sanat Kumara now holds the title of Regent of the World.

ONE ALL ONE
The Soul’s Meditation on the Law of the One

(Sung from the level of the etheric body)

Gazing down etheric’ly
From our Golden Plane we see
Mind and feeling substance
Held in strict abeyance.

Threefold flames have drawn the Light
From the depths unto the height.
Now transmuted essence
Glows as jewelled Light.

Now we dwell in citadel
Substance pure and shining as starlight
’Tis the plane where we sustain
The plan, the pattern of love at God’s height.

In this realm, we hold the helm
Happiness with all its pow’r and radiance.
Love will be our guide eternally
For we are one all one.

(Sung from the level of the Holy Christ Self)

Stepping up another plane
We the Higher Mind attain
Realm of God’s perfection
Holy Christ protection.

Silent Watcher over all
Thy forgiveness now we call
Thy illumination
Does our hearts enthrall.

Altar flame within our hearts
Silently we feel thy reflection
Mastery through us shall be
E’er held by thy great divine direction.

(over)
Waves of Love and Light above  
Happiness from thine own heart, o’erwhelm me.  
This shall be a biding place for me  
And we’ll be one all one.

(Sung from the level of the God Presence)  
When the plan of Life unfolds  
And the Presence glory molds  
All its white fire through me  
All its blessings to me.

Closer draws the Lovely One  
Like a shining, blazing sun  
All the world forgotten  
In the Presence’ smile.

One alone, to call my own  
Presence mine, to know you are near me  
One to be, eternally  
You know my worshiping heart adores thee.

At thy call, I’d give my all  
All my life and all my love enduring  
This will be a magic world for me  
When we are one all one.
MY WONDERFUL ONE

My Wonderful One, thou adorable Presence
   Of God anchored now in my heart
In beauty supreme and in power majestic
   The source of my being thou art!
I now humbly bow at the throne of thy glory
   Surrendered forever to thee
Let all life adore thee, my life I live for thee
   Thy vict’ry fore’er let me be!

My Wonderful One, blaze thy violet fire through me
   Forgiveness divine let me feel
Protect and perfect, all my bodies illumine
   And teach me God only is real!
Completely possess and control me forever
   Blaze through me thy light from the Sun
Thy power revealing, release mercy’s healing
   My wonderful Wonderful One!

My Wonderful One, blaze thy glorious light rays
   In, through, and around all I’ve met
Then let them transmute every wrong and injustice
   Make all human shadows forget!
Then fashion a gift from the good of my lifestream
   From my causal body of light
Give ten times the blessing of error’s oppressing
   By love, make and keep all things right!

My Wonderful One, let all heaven’s love bless thee
   As God’s divine plan is fulfilled
Then send me thy love in its mightiest power
   To make me perfection God-willed!
O Great Central Sun, through our Helios and Vesta
   Bless my Holy God Self, thy flame
Our consciousness blending, at last I’m ascending
   To thee, my own Wonderful One!

MESSAGE FROM THE LORD OF THE WORLD

Lord Gautama, for your message
To the Brotherhood on high
Gratitude and praise we send thee
For God’s love that casts out fear.
Love, the key that opens the doorway
Love divine to all outpour
This the pow’r to win and raise us
Children of God’s heart of love.

On the sky where God does write
There is a ray of mighty Light
Love is written in the air and
Love is written in our pray’r.
Love is written full of hope, and
Love is written, let none mope
Love confines not, love is free, for
Love is beauty, ’tis the key!

Anchor then this mighty love ray
In your souls to make you whole
Pow’r I AM that charges Light
Throughout the darkness of the night.
Flame I AM—it is the lantern
From Shamballa I AM peace
I AM come to make you right
I come in love to make you Light.

MESSAGE FROM THE LORD OF THE WORLD

’Tis the nectar, quaff that drink.
Watch the soul expand within you
Breaking iron bands of sin
Changing you to victors bold
And souls like stars in shining gold.

Lord of Flame, Sanat Kumara
We are one in thy great Light
In God’s name and God’s own way

ROSE OF LIGHT, O COME

From thy fragrant center light*
Through thy petals blazing bright
Comes God’s love intensely pure
Rose of Light, love will endure.

Rose of Light, thy power flows—
Fiery, silent, majestic rose!
Through my being enfolded here
All of life I now revere.

Expand thy flame’s suffusing glow
Through my substance here below
My heart cries out for freedom’s bloom
O God, expand my narrow room!

The love of God enfolds a rose
Touches lightly a heart that glows
Like unto Aurora’s bloom
Thy rose-light chases all man’s gloom.

Rose of Light, expand through me
Caress my being, make it free
To grow and glow upon the loom
I now command my soul, attune!

Rose of Light, O come today
In God’s name I truly pray:
From fear and darkness and hate
Set my mind in radiance straight.

Rose of Light, I AM all thine
By God’s love my life refine
Through us all let love appear
In God’s image ever dear!

BELOVED SURYA AND BELOVED CUZCO

O masters of the love ray
Surya, blessed one of God
Teacher of old, beloved Cuzco
For your sustaining radiance, we adore.*

Our gratitude is flowing
You hold the balance for the earth
Your focus in the isle at Suva
And in the magnet of the Central Sun.

Surya dear from Sirius
The God Star—Presence of each one
From seven spheres, O come and seal us
In the immaculate, the God-design.

O radiate from Sirius
Blue-lightning angels of God’s love
And in this hour give cosmic balance
To usher in the coming golden age.

We thank you for your service
And for the Court of Sacred Fire
Directing man to holy Christhood
E’er since the glory of the land of Mu.

O flood the earth with wisdom
Blest Lords of Mind and Lords of Form
Transmute all shadow into beauty
Your cosmic purpose flow and be reborn.

Melody: “Song of the Islands” by Charles E. King)
O masters, charge your love rays
The fullness of the mind of God
For love becomes the holy radiance
And universal love is power, too.

For love becomes the action
And love becomes the Christ
And love bursts forth as song and music
And lingers in the heart the whole day long.

O masters, blaze your love rays
To children of the dawning age
For love is universal beauty
An altar of all God-reality.

The flame of love exalteth
The flame of love, it is our life
The flame of love in nature blesses
And love fulfills the law within, without.

We call to bands of angels
That form the Mighty Eagle Blue
To radiate celestial power
The planet Earth, all men of faith renew.
We raise our voices, Father
Outpouring love and holy praise
To spheres of light arid bliss eternal
For gift of life and consciousness always.

GOD LING BELOVED

God of Happiness, God Ling belov’d
Welcome to our hearts today
By your smiling presence now remove
Every shadow from our way.

Refrain:
God Ling! God Ling! God Ling!
Happiness you bring
Make earth feel your presence
Making every heart to sing!

Master, teacher, friend of our Fun Wey
Teach us all your mast’ry, too
Teach us how to let God’s love hold sway
Making joyous all we do.

Let your buoyancy of love’s release
Fill our worlds with sunshine bright
Help us walk the pathway Home in ease
Grateful, making all things right!

Let your consciousness of vict’ry won
Lift the strain and stress from all
Every gift of love from out the Sun
For you, dearest friend, we call!

(Repeat refrain twice)
All are architects of fate,
   Working in these walls of time,
Some with massive deeds and great,
   Some with ornaments of rhyme.

Nothing useless is, or low;
   Each thing in its place is best,
And what seems but idle show
   Strengthens and supports the rest.

For the structure that we raise,
   Time is with materials filled,
Our todays and yesterdays
   Are the blocks with which we build.

Truly shape and fashion these;
   Leave no yawning gaps between,
Think not, because no man sees,
   Such things will remain unseen.

In the elder days of art,
   Builders wrought with greatest care
Each minute and unseen part,
   For the gods see everywhere.

(over)
Let us do our work as well,
   Both the unseen and the seen,
Make the house where gods may dwell,
   Beautiful, entire, and clean.

Else our lives are incomplete,
   Standing in these walls of time,
Broken stairways, where the feet
   Stumble as they seek to climb.

Build today, then, strong and sure,
   With a firm and ample base,
And ascending and secure
   Shall tomorrow find its place.

Thus alone can we attain
   To those turrets, where the eye
Sees the world as one vast plain,
   And one boundless reach of sky.
*One boundless reach of sky. *(4x)
THE LIGHTHOUSE OF LOVE

From the Sun Center of Love all divine
Through Thy great star-studded universe mine
Flowed emanations of perfect good cheer—
Lo, it is I! Lo, I AM right here!*

The Summit Lighthouse is a vict’ry flame
Light overcoming all darkness and blame
The Lighthouse of Love will guide all below
Who bask in the glory of purity’s glow.

No favorite son, ye all are divine
Made in His Image—restore us, let’s climb!
We come for thy blessing, Father of all
Thy Light is pure love, we answer thy call.

Away in a manger, beautiful Christ
So meek and so lowly, filled with delight
Spurned by the world and rejected of men
Was honored by some—He cometh again.

The world shall be changed and painted so bright
By charity’s beams and pencils of light
The Summit presents the masters divine
O let us then hear them while there is time!

Purpose in living descends as a flame
Enveloping garments, gifts in Thy name
’Round us forever and heals every woe
Thy Spirit directs, reveals how we go.

TO OUR BELOVED LANELLO

What blazing Light on yonder heights
What glory our eyes beholding!
What heav’nly bliss, entralling sight
Within our hearts now infolding!

Behold, the Son of Heaven stands
Now holding wide the portal!
Behold, the everlasting Light
Streams forth to raise each mortal!

Chorus:
Alleluia, he is risen!
Sing, ye angels, of Heaven’s Son
Alleluia, he is risen!
Is risen, Love’s victory won.

And like a gossamer veil atremble
With the thunder of the sun
O beauteous doorway of forever
Swing wide for ev’ryone!

What wondrous music heard on high
What songs the angels singing
What great rejoicing time is nigh
What glorious bells I hear ringing!

(Repeat chorus)

Our own beloved Lanello
Thy footprints guiding us ever
And now at last the torch is passed—
We pledge our love forever!

(Repeat chorus, then sing last line of chorus again)
BEAUTIFUL DREAMER

Beautiful Dreamer, Mercury’s Star
Welcome to Terra thy dream from afar.
Borne on the Light winds, God’s holy ray
Waken the world to the breaking of Day!

Refrain:
Angels of vict’ry, trumpet the sound
Sanat Kumara, thy triumph abound!
Borne of the Cosmos, God’s secret rays
Waken the world to the breaking of Day
Waken, O world, to the New Golden Day!

Beautiful Dreamer, flame of God’s heart
Teach all the nations, thy peace now impart.
Gentle the zephyrs, Light’s dawning rays
Whispering hope for the New Golden Day!

Beautiful Dreamer, beautiful friend
White fires of Micah thy unity blend.
Seamless the garment, robe of pure white
Blaze forth protection, God’s blue cosmic Light!

Beautiful Dreamer, Mercury’s Sun
Twin flames descend from the Great Central
Sun. Alpha, Omega, beginning and end
Helios and Vesta thy purity blend!

(next page)
Beautiful Dreamer, flames now descend
Herald the Bright Star, the Saviour of men.
Come, Divine Mother, come, Holy Child
Come, Holy Spirit so gentle, so mild!

Final refrain:
  Angels of vict’ry, trumpet the sound
  Herald the message the whole world around!
Born of the Cosmos, God’s holy ray
Waken, O world! ’Tis the breaking of day
Waken, O world, to the New Golden Day!
BEAUTIFUL DREAMER, MERCURY’S STAR

Introduction—5 measures, 9/8 time

Beautiful Dreamer, Mercury’s Star

Borne on the Light winds, God’s holy ray
Waken the world to the breaking of Day!  (O Dreamer)

Interlude—3 measures, 9/8 time

(O Dreamer.  O Dreamer.)
Beautiful Dreamer, flames now descend  (flames now descend)
Herald the Bright Star, the Saviour of men.  (O Dreamer)
Come, Divine Mother, come, Holy Child
Come, Holy Spirit so gentle, so mild!  (O Dreamer)

Angels of vict’ry, trumpet the sound
Herald the message the whole world around!
Born of the Cosmos, God’s holy ray
Waken, O world! ’Tis the breaking of day  (the breaking of day)
Waken, O world, to the New Golden Day!
(O Dreamer.  O Dreamer.  Ah . . . . )
All hail to thee, Lanello
Hail to thy victory!
All hail to thee, Lanello
God grant that the nations shall be
Reunited now in Christ as one
Threefold flame of Liberty
And grant the will of God be done
Lanello, set them free!

Refrain:
Thy ascension banner above this land
Ever-Present Guru ever be
As in thy blue-flame cape we stand
Lanello, hail to thee!

All hail to thee, Lanello
Legions of Light descend!
We pledge our love, Lanello
America’s Light to defend.
From her radiant shores, abundant land
And her cities calling thee
Let violet flame command, command
Our nation to be free.

All hail to thee, Lanello
Stand we within thy flame!
To be with thee, Lanello
Defenders of God’s I AM name.
Thy shield of faith and sword we bear
And thy love our armor bright
We know that thou art ever near
In purity’s great Light.
I SHOOK LANELLO’S HAND

I can say that I shook Lanello’s hand!
I can say that I knew him as a man!
Yes, I walked the earth beside him
Never knowing that he’d leave
Oh, so soon that this great man would ascend.

Oh, we called him many things upon the earth.
His name was Mark—it was given him at birth.
He was Sri to those he taught
And for the poetry he brought
He would pen Lanello as his signature.

Chorus:
He was a Prophet, ’twas his mission and his name!
And those whose lives he touched will never
   be the same!
You could tell that he was purity
And you could read the truth
In the holy words he spoke in God’s name.

He was a shepherd and so proud of his sheep!
And he gave them portions of the Flame to keep!
He bestowed upon his children
An awareness of their Christ Self
And I thank the Lord Mark Prophet touched me.

(Sing chorus)
He was so gentle he could soothe a baby child!
Yet God gave him pow’r to make the storm run wild!
Not a greater man you’ll see
More than once in a century.
He’s not gone, Mark is with us all the while.

(Sing chorus twice without interlude)
The shades of night were falling fast
As through an Alpine village passed
A youth, who bore, ’mid snow and ice
A banner with the strange device
   Excelsior! Excelsior!

His brow was sad; his eye beneath
Flashed like a falchion from its sheath
And like a silver clarion rung
The accents of that unknown tongue
   Excelsior! Excelsior!

In happy homes he saw the light
Of household fires gleam warm and bright
Above, the spectral glaciers shone
And from his lips escaped a groan
   Excelsior! Excelsior!

“Try not the Pass!” the old man said
“Dark lowers the tempest overhead
The roaring torrent is deep and wide!”
And loud that clarion voice replied
   Excelsior! (Excelsior!) Excelsior! Excelsior!

“O stay,” the maiden said, “and rest
Thy weary head upon this breast!”
A tear stood in his bright blue eye
But still he answered, with a sigh
   Excelsior! Excelsior!

(over)
“Beware the pine-tree’s withered branch
Beware the awful avalanche!”
This was the peasant’s last Good-night
A voice replied, far up the height
   Excelsior! Excelsior! Excelsior!

At break of day, as heavenward
The pious monks of Saint Bernard
Uttered the oft-repeated prayer
A voice cried through the startled air
   Excelsior! (Excelsior!) Excelsior! (Excelsior!)
   Excelsior! Excelsior!

Interlude—4 measures, 4/4 time

A traveller, by the faithful hound
Half-buried in the snow was found
Still grasping in his hand of ice
That banner with the strange device
   Excelsior! Excelsior!

There in the twilight cold and gray
Lifeless, but beautiful, he lay
And from the sky, serene and far
A voice fell, like a falling star
   Excelsior! Excelsior!
   Excelsior! Excelsior!
A PSALM OF LIFE
What the Heart of the Young Man
Said to the Psalmist

Tell me not, in mournful numbers
Life is but an empty dream!
For the soul is dead that slumbers
And things are not what they seem.

Life is real! Life is earnest!
And the grave is not its goal
Dust thou art, to dust returnest
Was not spoken of the soul.

Not enjoyment, and not sorrow
Is our destined end or way
But to act, that each to-morrow
Find us farther than to-day.

Art is long, and Time is fleeting
And our hearts, though stout and brave
Still, like muffled drums, are beating
Funeral marches to the grave.

In the world’s broad field of battle
In the bivouac of Life
Be not like dumb, driven cattle!
Be a hero in the strife!

Trust no Future, howe’er pleasant!
Let the dead Past bury its dead!
Act,—act in the living Present!
Heart within, and God o’erhead!

A PSALM OF LIFE
What the Heart of the Young Man
Said to the Psalmist
(continued)

Lives of great men all remind us
We can make our lives sublime
And, departing, leave behind us
Footprints on the sands of time
Footprints on the sands of time, of time

Interlude—5 measures, 2 beats, 3/4 time

Footprints, that perhaps another
Sailing o'er life's solemn main
A forlorn and shipwrecked brother
Seeing, shall take heart again.

Let us, then, be up and doing
With a heart for any fate
Still achieving, still pursuing
Learn to labor and to wait
Learn to labor.

O LOVE THAT LIVES AND CANNOT DIE

O Love that lives and cannot die
To cross the bar and then become a part
Of God's own fiery beating heart!
For where I AM in shine knowing free
I feel the pow'r of truth fill me.
What thrills me most as cup runs over now
Is this great truth: that I AM Thou!
LOVE’S VICTORY
To the Messengers of God

Sing to Love—for, oh, ’twas he
Who won the glorious day
Strew the wreaths of victory
Along the conqueror’s way.
Yoke the Muses to his car
Let them sing each trophy won
While his mother’s joyous star
Shall light the triumph on.

Chorus:
Hail to Love, to mighty Love
Let spirits sing around
While the hill, the dale, and grove
With “mighty Love” resound
Or, should a sigh of sorrow steal
Amid the sounds thus echo’d o’er
’Twill but teach the god to feel
His victories the more.

See his wings, like amethyst
Of sunny Ind their hue
Bright as when, by Psyche kiss’d
They trembled through and through.
Flowers spring beneath his feet
Angel forms beside him run
While unnumber’d lips repeat
“Love’s victory is won!”

Words by Thomas Moore. Original music by Excelsior
Blessings to thee, gracious Godfre  
   Gentle Obedience, so dear  
Showing us Freedom’s great vict’ry  
   Helping us make our way clear.  
Golden-robed brother of heaven  
   Through us let all thy light shine  
Help us, each one, to fulfill his God plan  
   Wonderful heart-friend divine.

Godfre Ray King, Freedom called thee  
   “God-free” by pure I AM pow’r  
Every lifestream is a “ray,” too  
   Beamed from the Father each hour.  
Light is the king of creation  
   Raying its beams from God’s heart  
Healing, illumining, prospering all  
   Proving the mast’ry thou art.

By thy great service to mankind  
   Saint Germain’s wide open door  
There has been drawn to this planet  
   Love from those gone on before.  
Those now ascended in glory  
   Flood forth their light to all men  
Now may the fullness of all in God’s heart  
   Bless thee again and again.

Great Central Sun and our Helios  
   Vesta and masters above  
Your dispensations of mercy  
   Pray we for this God of Love.  
Let all on earth know his service  
   Tell them of Freedom’s desire  
Make our dear planet at last Freedom’s Star  
   Victor by violet fire!

“And Thy Radiance…”
Words and music by Mark L. Prophet

Lanello:
And thy radiance shall cover
The heart of the world
Will cover the heart of the world.

O shadows disappear
And the restless sea and tide
Speak of the torrents of thy love
Never to be denied
Never to be denied.

When the stars seem to fade
And the world and its senses are gone
All thy angels shall gather
For they are unafraid.
Thy love like lightning
Covers the heart of the world.

Thy tender magnificence
Born of the sun
Spins forth the garment
To cover everyone.

(next page)
All darkness will fade
And all sorrows be gone
For thy love, like the sun
Shall restore everyone.

O come, blessed Saviour
And guard thy dear sheep
For thy light from the palace
Each stable will keep
Thy light from the palace
Of the stable shall keep.
And the sunbeams be dusted
And purified bright
For they come from thy heart
And they are thy own light.

Though mankind by thoughts
That are impure and wrong
Have erred in their judgment
And put out the song
Thy sweetness revealeth
The end then will come
And thy glory of ages
In each one will hum.

HUM—3 measures, 3-1/2 beats, 4/4 time

For thy songcraft of ages
Will bless every soul
With the feeling of greatness

CLIMB THE HIGHEST MOUNTAIN

The world will awake
A new day will break
And together we’ll climb the highest mountain.

God’s love will appear
To those far and near
And together we’ll climb the highest mountain.

The dawn of Truth brings in the golden age
Our hearts are one the world around
For ’tis God alone that rules the earth today
And for his plan each one will stand and speak his name.

All heaven we see
Uniting the free
And together we’ll climb the highest mountain.

God’s kingdom is nigh—
Let’s all lift our eyes
And together we’ll span the highest mountain.

To guide us is a light that never fails—
We see the goal before us shine
We walk the straight and narrow to the gate
And hand in hand the Promised Land we’ll find inside.

The stars are aglow
Our pathway to show
And together we’ll climb the highest mountain.

Our vict’ry is won
Our new life begun
And forever we’ll stay upon the mountain.

The highest mountain we
The highest mountain we
The highest mountain we can climb!

Sanat Kumara, Regent, Lord, and King
To thy great Presence praises now we sing
Off’ring our gifts of humble service true
Reverence and honor to God for you
Thou art God’s glory, majesty, and grace
Thy patient care for earth held her place.

All through the ages that have gone before
Thy love has been for earth an open door
Held in thy Light, sustained by thy great pow’r
And in thy wisdom guided each hour
We feel thy peace in love’s own God-control
As thy great wings of love now enfold.

Glory and honor unto thee belong
Let all adore thee now in grateful song
As all that live upon this planet raise
Heart, soul, and spirit—thy name we praise
Great Central Sun, thy gifts of love we call
For our dear friend of Light, Lord of all.*

As for dear Venus, Goddess from the Sun
Bless their dear planet, all life thereon.

Melody: hymn “Be still, my soul” (hymn tune “Finlandia,” adapted from the original work by Jean Sibelius)
Praises we bring! Praises we sing!

Sanat Kumara, Regent, Lord and King
To thy great Presence praises now we sing
Off’ring our gifts of humble service true
Rev’rence and honor to God for you
Thou art God’s glory, majesty, and grace
Thy patient care for earth held her place.

All through the ages that have gone before
Thy love has been for earth an open door
Held in thy Light, sustained by thy great pow’r
And in thy wisdom guided each hour
We feel thy peace in love’s own God-control
As thy great wings of love now enfold.

Glory and honor unto thee belong
Let all adore thee now in grateful song
As all that live upon this planet raise
Heart, soul, and spirit—thy name we praise
Great Central Sun, thy gifts of love we call
For our dear friend of Light, Lord of all

Praises we bring! (Praises we bring, praises we sing!)
Praises we sing! (Praises we bring, praises we sing!)
Great Lord and King! (Praises we bring, praises we sing!)

As for dear Venus, Goddess from the Sun
   Bless their dear planet, all life thereon.

Let all adore thee now in grateful song
   Glory and honor unto thee belong
Let all adore thee now in grateful song
   Glory and honor unto thee belong

Sanat Kumara  (Sanat Kumara)
   Glory and honor  (Glory and honor)
Sanat Kumara  (Sanat Kumara)
   Our hearts we raise  (Our hearts we raise)
In grateful song, our grateful song!
Prelude:
Arise shine, for thy Light is come!
And the Glory of the Lord
is risen upon thee.

Sanat Kumara, Great Bodhisattva
Come to the Earth to bring her new birth.
Lady Master Venus, keep us chaste
and obedient
Through God’s love so pure
The Earth will endure.

*The Earth is the Lord’s
and the fulness thereof!* (3x)

I AM come into the world
Not to condemn the world
But that through the Christ in me
All might have Life and that more abundantly
Life and that more abundantly.

Venus, thou bright evening star
Send to us thy heart’s love-fire
Gratitude for Sanat Kumara’s great Light
Holding the torch through Terra’s long night.

Arise shine, for thy Light is come!
And the Glory of the Lord
is risen upon thee.

Sanat Kumara, Great Bodhisattva
Come to the Earth to bring her new birth.
Lady Master Venus, keep us chaste
and obedient
Through God’s love so pure
The Earth will endure.

*The Earth is the Lord’s
and the fulness thereof!*  (3x)

(I AM come into the world, I AM come into the world)
I AM come into the world
Not to condemn the world
But that through the Christ in me
I call forth God Vict’ry
And for all eternity
I now live to set life free.

O Vict’ry, set life free!  (3x)

I AM come into the world
Not to condemn the world
But that through the Christ in me
I call forth God Vict’ry
And for all eternity
I now live to set life free.

O Vict’ry, set life free!  (3x)

I AM Vict’ry, set life free!  (5x)

Vict’ry’s legions, we send thee!  (5x)

Hail! Vict’ry, I AM free!

Interlude—4 measures, 6/8 time

Hesper, thou bright evening star
Gratitude for thy heart’s love-fire
Shine forth now Earth’s own light rays
At last we begin our own star to raise.
And I looked, and, lo,
a Lamb stood on the mount Sion (3x)

I looked, and, lo,
a Lamb stood on the mount Sion.

And with him
an hundred forty and four thousand
an hundred forty and four thousand (2x)

Having his Father’s name
written in their foreheads
Having his Father’s name
written in their foreheads

And I heard a voice from heaven
as the voice of many waters (2x)
And as the voice of a great thunder
as the voice of a great thunder! (2x)

*And I heard the voice of harpers
harping with their harps* (2x)

And they sung as it were a new song
before the throne
And they sung as it were a new song
before the throne
And before the four beasts
and the elders:

And no man could learn that song
But the hundred and forty four thousand
Which were redeemed from the earth.
THE LAMB ON MOUNT SION
(continued)

These are they which were not defiled \(2\times\)
with women; for they are virgins.

These are they which follow the Lamb
whithersoever he goeth \(2\times\)
These were redeemed from among men
being the firstfruits unto God

And to the Lamb.

And in their mouth was found no guile:
for they are without fault
before the throne of God.

And I saw another angel fly
in the midst of heaven \(\text{HUM}—1\) measure, \(3\times\) \(1/2\) beats, \(4/4\) time

And I saw another angel fly
in the midst of heaven \(\text{HUM}—2\) measures, \(4/4\) time

Having the everlasting gospel
To preach unto them that dwell on the earth
And to every nation, and kindred,
and tongue, and people \((\text{hold} 6\ \text{beats, rest 1})\)
Saying with a loud voice

Fear God, and give glory to him
For the hour of his judgment is come:
And worship him that made heaven, and earth
And the sea, and the fountains of waters.

Revelation 14:1–7
O MOTHER OF THE WORLD

Introduction—3 measures, 4/4 time

O Mother of the World
We are all children of thy heart—
O Mother of the World
We long for cosmic ecstasy
O great starry Mother
Do teach thy children
To have no other than thyself
Fill our hearts with purpose
Forge thy cosmic union—real God-dream!

Thy office of pure Light
It fears no competition
Let no one in the world e’er doubt thee
But find attunement with thy blessed head
Hallowed thoughts
Thy love which flows from glowing heart
Of cosmic dreams from God
Clears the air of confusion
That splits and saws asunder
Many lives ’til all wonder

Where’s blunder ’neath our feet
Shall it defeat us evermore?
Never to take our store
With all our wisdom evanescent
O Mother of the World
We are all children of thy heart
Now kept apart, triviality
We would return to cosmic ecstasy.

Interlude—1 measure, 1/2 beat, 6/8 time

Melody: “Dein ist mein ganzes Herz” [“Yours Is My Heart Alone”] from Das Land des Lächelns [Land of Smiles] by Franz Lehár
The night is long and vacant
From Light of radiant Manchild
Here standing in the sun of oneness
We now confess to loss of happiness to thee.
I AM thy child, thy concept pure
Of my willingness to be God-taught
O Cosmic Mother, set my heart afire!

I move by thy love
To the fount of brotherhood
Where washing feet of all
I serve and see Poseidon rise
The New Atlantis of allness
Nevermore to sink into smallness
Of lesser self
I AM able now
To serve and reign as thy beloved Son!
VENUS, OUR LADY OF LOVE

The power of Love, the essence of Light
'Tis radiance of God’s starry might
His great cosmic dream releases the sheen
From I AM God Presence’ great beams.
Adore we the glow, as forward we go
Awakened by glory within
The fire of God’s heart all beauty imparts
Creating the will now to win.

O Venus, thou Lady Master divine
Let thy Light shine—we bask
In the glow.

Venus, we call to you
Feminine ray from God’s heart so true
Release thy cosmic Mother flow
Bathe planet Earth with thy rays below.
Bless holy avatars*
The Christed Ones from God’s heav’nly stars
Guide and protect them, their mission while here
Love’s holy way appear!

We feel beams of pow’r, thy rays from above
Dear Venus, World Mother of Love
Thy children enfold in garments of light
Releasing thy patterns so bright.
O fill now our cup, supply every need
We wait for thy promise, indeed
Thy loveliest way is purity’s ray
Blest Venus, do hear us we pray.

Melody: “Vienna, My City of Dreams” by Dr. Rudolf Sieczynski
Thou great silent Cosmic Mother enseal
Thy pow’r, thy hope, thy love
Will now heal.

O teach thy children here
By perfect love cast out every fear
Seal hearts with purpose all supreme
Forge cosmic union—the real God-dream.
Come set our hearts afire
Wisdom rays beam from thy star inspire
Mother of World, cosmic banner unfurl
Thy love orb to us hurl.

For love is the way on Venus today
And love is the vict’ry of Light
O magnet of love—thou star shining bright
Thou planet of golden-pink Light
O we would awake, our destiny take
Our place in the great cosmic plan
Redeeming God-pow’r remakes us this hour
Revealing the sunshine of man.

O Sanat Kumara, Ancient of Days
Your Light helps us to raise
All the earth.

Regent, we call to you
The Seven Holy Kumaras, too
Bearers of Light on Venus dear
Send your momentum of vict’ry here.
We would accelerate
And lift the earth to her pure estate
Up the magnificent stairway in flight
Into the golden Light.

(over)
From Palace of Light on Venus divine
Beam light rays connecting the vine
From Meta’s great heart, her truth does impart
God’s love in the fullness of time.
Dear Victory’s flame on forehead does raise
A six-pointed star of bright hope
The Presence of God within us to praise
The fullness of joy does invoke.

O great ones of Venus, now renew
Our praise, our faith, our love
Are with you!

We Freedom’s Star would be
Linked with the Light for eternity
Love is the universal key
Unlocks the door—sets the captives free.
Come show your radiant might
Transcendent El power shining bright
Raising our planet to make us all one
One with the Central Sun.
HOLY AMETHYST’S PRAYER TO VENUS

O Venus dear, thou Goddess of Love
Our tribute pours to thee above
Holy Kumaras now raise thy name
In glory of thy flame
Into a chalice bold with Light
Emblazoned with the pow’r of right.
Transcendent is thy beauteous Light
Ascended one—Glory’s Sun!

Gracious thy name, O thou Goddess of Love
Let all the earth, let all now hear
And raising palms—as Palm Sunday of old
Ringing hosannas so bold.
Venus, thou Goddess, thy pure love unfold
Mankind surround with thy radiance gold
Illumination’s transcendent flame
Pow’r of Kumaras of old.

Raise, O raise, O raise thy flame
Scepter of God, raise in his name
And let the peace of the Light blaze clear
That every mind, list’ning here
May know that I AM is very near
That pure perfection glows all around
The world is flooded with the sound:
I AM, I AM, I AM.

(over)
HOLY AMETHYST’S PRAYER TO VENUS
(continued)

Pow’r of the Light of the City Foursquare
When time began, foundation rare
The power of the Light went forth
The voice of God, mankind heard:
“I AM well pleased in thee below
Whene’er ye understand the glow
Of wisdom’s flame and all of its joy
Complete without a ploy.”

O Venus dear, I AM calling thee now
To free us from tyranny’s vow
And release flows as cosmic peace
The Christ alone now atones.
In all the majesty divine
Of his great celestial bind—
Ye are a part of the branches rare
Of heaven’s bow’r ever fair!

O glow as does elemental life
Know victory is o’er all strife
The strife is o’er and your vict’ry nigh
Light triumphs by the right.
For God alone who is ever nigh
Will give thee triumph over death
The enemy, the last, shall fall
For God alone rules o’er all!
TO META FOR THY HEALING RAY
(Daughter of Sanat Kumara and Lady Master Venus)

Meta dear, we now call for thy healing ray
From the Father of Light above
Hold it steady—let it dissolve away
All that never was made by Love.
For our Father has made us of perfect Light
In beauty’s perfection blest
Meta dear, help us God’s own will to do
Knowing naught but happiness!

Meta dear, we accept thy assistance now
For precious children and youth
For the lifestreams sent from the realms of Light
Bringing earth Life’s eternal Truth.
Purify and illumine by violet fire
Their parents and families, too
O protect, supply, guide, and guard them all
By thy heart of love so true!

Meta Dear, now remove all the cause and core
Of all discord, pain, and disease
From etheric cities release the pow’r
Let all suff’ring forever cease!
O remove the desire and capacity
To bind life—now set it free!
Heaven bless your family and your dear star
With it gifts eternally!

From the mighty Central Sun
Thou celestial Spirit-Son
Victor of the Three-in-One
O to thee we raise our voices.
As all heav’n and earth rejoices
For your vict’ry, Eternal One
Mighty being from out the Sun.

For thy service to the earth
In the ages of the past
Saint Germain did make the call
For all mankind, one and all.
From thy home in lovely Venus
Thou didst hear the call and answer
Now our gratitude we bestow
And all praise from our hearts does flow.

Victory and Lords of Flame
Blest Kumaras in thy name
Help the planet Earth today
To God-vict’ry in the Light.
Blaze your flames, your mighty power

With the Real to identify
Thy invincible honor flame.

Focus of the Star within you
Mighty light rays descending pow’r
Mastery for the victor’s hour.

Holy Threefold Flame in One
God’s my vict’ry, blessed Son
Plan divine for everyone.
God’s your life, your very being
Look! His kingdom is within you
O to him we our praises sing
Heavenward every heartbeat ring.
THE EVENING STAR
From the Soul of the Poet to Our Sister Star

Introduction—7 measures, 4/4 time

Lo! in the painted oriel of the West
Whose panes the sunken sun incarnadines
Like a fair lady at her casement, shines
The evening star, the star of love and rest!

The evening star, the star of love and rest!

HUM—5 measures, 2-1/2 beats, 4/4 time

And then anon she doth herself divest
Of all her radiant garments, and reclines
Behind the sombre screen of yonder pines
With slumber and soft dreams of love oppressed
With slumber and soft dreams of love oppressed.

Fanfare—1 measure, 4/4 time

Hesperus! Ah . . . . . . .
Star of love! Star of love! (hold 5-1/2 beats)

O my beloved, my sweet Hesperus!
My morning and my evening star of love!
My best and gentlest lady! even thus
As that fair planet in the sky above
Dost thou retire unto thy rest at night
And from thy darkened window fades the light.
O my beloved, my sweet Hesperus!
My morning and my evening star of love!

O my beloved, my sweet Hesperus!
My morning and my evening star of love!
My best and gentlest lady! even thus
As that fair planet in the sky above
Dost thou retire unto thy rest at night
And from thy darkened window fades the light.
O my beloved, my sweet Hesperus!
My morning and my evening star of love!
Star of love!

SEE, THE DAWN FROM HEAVEN

See, the dawn from Heav’n
Is breaking o’er our sight
And Earth, from sin awaking
Hails the light!
See those groups of angels
Winging from the realms above
On their brows, from Eden
Bringing wreaths of Hope and Love
Bringing wreaths of Hope and Love.

Hark, their hymns of glory
Pealing through the air
To mortal ears revealing
Who lies there!
In that dwelling, dark and
Lowly, sleeps the Heav’nly Son
He, whose home’s above
The Holy, ever Holy One
The Holy, ever Holy One!

Words by Thomas Moore

FIERY DESTINY

Fiery destiny, unveil thyself!
And show the higher way of God.
Fiery destiny, unveil thyself!
For man is not a clod.
Fiery destiny, unveil thyself!
Infuse the soul with God.

HO, ALL THAT THIRST
The Call of the Sun Mother

Ho, all that thirst! Now let them come
Come to the fount of cosmic light
O let them share in the fires of the sun
And sing a hymn, one life within.

For perfect love casts out each fear
Revealing truth that I AM here
Thy God is real, as thou art, too
His love will penetrate right through.

The cup of need the word lifts up
We'll fill refreshingly with love
As beams extended from afar
The radiance of our happy star.

O shed thy darkness, world of men
Receive the ray of hope again
I, Vesta, drop the mantle flame
The pow’r to raise, new hope acclaim.

In cosmic union men shall rise
The pow’r of heav’n will open eyes
And blind shall see, and man shall be
The kindred of reality.

Mother of World, her banner unfurled
Children of God shall now come forth
The darkness go, the light shall flow
Truth be revered now here below.
BELOVED HELIOS AND VESTA

Helios, thy majestic Presence
   We adore as we behold
From the sun, thy cosmic essence
   Shower earth with gifts untold
In ascending songs unending
   We our love for thee unfold.

Each new day thy mighty power
   Glorifies the radiant morn
Bringing with each passing hour
   Cosmic moments e’er reborn
Love bestowing, blessings flowing
   As thy rays our worlds adorn.

Vesta, blessed Cosmic Mother
   Goddess of the sun divine
Help us see in one another
   God’s pure image ever shine
Understanding is expanding
   Of that glory which is thine.

Ne’er shall we behold such glory
   As thy shining light above
Ever praised in song and story
   Pure and gentle as a dove
Heav’nly bells ring, angel choirs sing
   Joyful anthems of thy love.
GREAT CENTRAL SUN

Our Father/Mother, Central Sun eternal!
Which ever has been and ever shall be
Our gratitude flows for your Life supernal
For all your Light and Love through all eternity.

Refrain:
Great Central Sun dear, come fill my soul!
Dissolve all shadows and make me whole
Possess, control, and rule all
By all thy Love, Great Sun above!

Thy heart of glory, patient and forgiving
Shows all creation God’s law of living
May all thy children ever serve and love thee
Give praise and honor to thy name and bend
the knee.

Bless our dear Helios and his gracious Vesta
With pow’rs of Love and Light, divinely vested
Make earth a sun star, like her great beginning
God’s name, I AM, is now her vict’ry winning.

ADORATION TO THE GREAT CENTRAL SUN

Great Central Sun, thou we adore
   Enfold us in thy Presence here
Thou art the Light forevermore
   O Alpha and Omega dear.

Shine on, shine on, O lovely Light
   Make all our discord melt away
Filling our worlds with great delight
   As peace and happiness hold sway.

O Helios and Vesta dear
Draw us to thee, O Light sublime
   Transmuting all the shadows here
'Til all on earth becomes divine.

Now once again, Great Central Sun
   We sing thy praises here below
Help us to feel we have become
   That oneness we desire to know.

O radiant holy Threefold Flame
   Expanded in our grateful hearts
Belov’d I AM is thy great name

A LITTLE CHILD

A little child shall lead them—
The eye so meek and mild
A little child shall feed them—
Where is the little child?

Right within you, golden man!
His flaming image flashes
Expanding now as son of man
Meteoric flashes!

The way ye know, the way to go
Reveals in sudden flashes
That to life you must forgive
Man for sodden clashes!

Victory’s gleam will send a stream
Renewing each man’s portion
The dead shall rise unto the skies
And live in purest thought!

This life is real and will not steal
The truth that I have brought—
My Word abiding now is hiding
In the soul that God hath wrought.

This little child
So meek and mild
Is man whom God hath taught!

BE STILL AND KNOW

Be still, my child
And know that I AM God
That I, who from my bosom
Gave thee life
Will ever guard thee from
All earthly strife.
So may ye know
That I AM one with thee
For in thy heart
My flame of Love is burning bright
And in thy calls to me
Thy great sincerity
Will draw forth pow’r
To raise all life into my light.

Be still, dear one
And know that I AM God
Whene’er life’s burdens seem so
Hard to bear
For it is then that I
Thy troubles share.
And through thy world
I pour sustaining Love
To hold thee fast
To that divinely appointed way
To draw forth from above
The pow’r of Comfort’s Dove
To bless all life
That peace on earth shall come to stay.

(next page)
Be still, sweet soul
    And know that I AM God
And would thee mold to my own
    Great design
That you may now fulfill
    Your plan divine.
E’en though my voice
    Seems not to pierce the veil
Deep in your heart
    The Christ in you is pleading still
For you to raise your eyes
    And from above the skies
Call forth my Love
    And use its pow’r to do my will.
YOU ARE A CHILD OF THE LIGHT

You are a child of the Light
You were created in the Image Divine
You are a child of Infinity
You dwell in the veils of time
   You are a Son of the Most High!
YOU HAVE CAPABILITY

I AM the Light of the world!
God in you is the Light of the world!
Christ said, “All these things I do
You shall do and more.”

I and my Father are one!
I and my Mother are one!
Twin flames within, so I can begin to show
I and my Father are one.

I AM the power to be
Perfect as Christ in me!
You, too, can do these things if you choose—
You have capability.

I and my Father are one!
I and my Mother are one!
Twin flames within, so I can begin to show
I and my Father are one.

(Repeat entire song)

Coda:
Twin flames within, so I can begin to show
I and my Father are one.

God’s will divine our pattern is
   It grants each one eternal bliss
So help us now God’s will to do
   E’er held within thy heart so true.

Chorus:
   Our newborn children and our youth
      Shall bring to earth God’s flame of truth
From realms wherein they did prepare
      To God’s great cosmic banner bear.
O Meta dear, to thee we call
   Protect, supply, and guard them all
Their parents and their families guide
   And may thy love in all abide.

Interlude—18 measures, 3/4 time

Meta beloved, may heaven bless
   Thee and thy loved ones with success
Sanat Kumara, our blessed Lord
   And Venus, too, by earth adored.
Their patience and eternal peace
   Will hasten our dear earth’s release
And in Light’s power again set free
   All life will dwell and serve with thee.
We call to you, beloved Leto
To render your assistance now
By blazing forth through all of mankind
The full power of your love.

We ask that we retain the mem’ry
Of the instruction we receive
As through the realms of light we journey
While our bodies sleep at night.

We yearn to know the meaning of your pow’r
To leave the body, return at will
That we may ever serve the perfect plan
Of God for man!

The pow’r of healing is your forte
Impart to us that knowledge, too
We will to be thy chalice worthy
For our brothers here on earth
O Leto, blaze thy flame!

Eriel of the Light, praises and thanksgiving
We salute thee, heart, head, and hand.

Raise them to God-victory, liberty
Peace and purity.

A SOUL THAT’S FREE

I AM the heart of Life in the beginning
I come at last in answer to the call
To share the joy and the wonder of new birth
Proclaiming Life’s fiery destiny on earth
To love and be
A soul that’s free! (I AM a soul that’s free!) (hold 5 beats, rest 1)

I come
Sealed in the cradle of the heart
I come
A cup of freedom to impart
To all the souls who are yearning to be born
Who want to rise with the sun and greet the morn
Yearning to be
A soul that’s free!

Free to have their victory
Freedom just to try
Freedom to ascend to the sky!

You’ve no right
To stop the beating of this heart
No right
To stop this life just when it starts
I want to live, for I have the right to be
I want to do all that God has planned for me!
And then I’ll be
A soul that’s free! (hold 12-1/2 beats, rest 1/2)
And then I’ll be (and then I’ll be)
A soul that’s free!
I come to you Mother to announce:
O Mother, you are so blest
For to live here on earth
And to bring forth new birth
To a child is pure happiness!

The love of a child is a
Love that is real
In his purity all can see
The love, the faith, hope, and charity
That’s been given to you and me.

O Mother, can you not know the love
That beats within you heart
Yearning for freedom, to life, to love
To be of Life a real part!

The love of a child is a beautiful thing
With eyes so meek and mild
For with faith and love
You’ll be filled with hope
Born of God’s heart’s desire

With God all things are possible
No matter what the strife!
So be filled with love of his great joy
For this reward of Life!

Teaching:
In Hinduism, the feminine aspect of God is called Devi, the Goddess. She is the feminine counterpart of Brahman (the Eternal, Absolute) when Brahman takes on form. Devi is the power (“Shakti”) underlying reality. She, the Divine Mother, is the dynamic aspect of God. It is through her power that God creates, preserves and destroys the world. The Shakti is that point of the feminine principle within us that releases the potential of God from Spirit to Matter. All the Hindu goddesses are various manifestations of Devi’s actions on behalf of the world. Jaganmata, the Mother of the Universe, is one of the titles of Devi. The best-loved goddesses are the Shaktis, or consorts, of the Hindu Trinity Brahma, Vishnu and Shiva. Durga, one of—Shiva’s consorts, is called the Goddess Beyond Reach or the Unfathomable One. Terrible and menacing to her enemies, she is known as the destroyer of demons and is a fierce defender of God’s children. She rides a tiger, the symbol of man’s arrogance or ego. The Divine Mother in her manifestation as Lakshmi is the consort of Vishnu. Lakshmi is known as the Goddess of Fortune and Beauty. She is associated with immortality and the essence of life. In her hand she holds a lotus, symbol of beauty, purity and spiritual power. Sarasvati, the Shakti of Brahma, is the Goddess of the Word and of Learning and is the patroness of the arts and music. She represents eloquence and articulates the wisdom of the Law. Sarasvati is associated with speech, poetry, music and culture. She is most often depicted holding an Indian lute (vina).

Mother is the River of Life flowing within you, the activating principle of all that is above made manifest below. The mirror of the Mother reflects many faces. She is both gentle and fierce, compassionate and terrible, beautiful and ugly. As the consort of Shiva, the Destroyer, the Mother transforms material energy back to spiritual energy in the process of purification. She breaks down the walls of partition that are constructed as a misuse of her light. Her only concern is for the salvation of the souls of her children, not their mortal comfort. This bhajan honors the Divine Mother in her manifestation as Jaganmata, Mother of the Universe, and Gauri, the Shining One or the Fair One, consort of Shiva.

Guh-nay-shuh Shuh-ruh-nuhm Shuh-ruh-nuhm Guh-nay-shuh

English Translation:
O Lord Ganesha, please give us shelter.
O Lord Ganesha, along with Mother Durga,
please give us shelter.

Vocabulary:

Teaching:
Ganesha (or Ganapatī), the elephant-headed god, is the son of Shiva (the Third Person of the Trinity of the Godhead) and his consort Parvati (or Gaurī). He is one of the most popular Hindu deities. Ganesha is the remover of all obstacles. It is said that those who begin work or devotions without first praying to Ganesha may encounter obstacles. Ganesha is often shown attended by or riding a mouse, which can slip through tiny spaces and chew its way through obstacles. He is gentle and kind and freely bestows good fortune. Various legends explain how Ganesha got his elephant head. According to one legend, Parvati asked Ganesha to stand guard while she was bathing. When Shiva came unexpectedly to the house, Ganesha tried to prevent him from entering. A battle ensued and, in the midst of it, Ganesha’s head was cut off. This so infuriated Parvati that Shiva sent the gods to bring back the head of the first living creature they found. They returned with an elephant’s head. Another legend states that Parvati, proud of her offspring, asked Sani (Saturn) to admire her child, forgetful of Sani’s powers. The child’s head was burnt to ashes by his glance. Brahma told Parvati to replace it, and the first head she found was an elephant’s. Ganesha represents the basic principle that the Macrocosm is reflected in the microcosm, that God dwells in man. The elephant-headed man symbolizes the unity of the small being (man) and the Great Being (God), pictured as the elephant, the king of the animal world.

They include such beings as the divinities of the sky, the atmosphere, the wind and the earth. They attend Lord Shiva and are under the command of Ganesha. The pranava (the sacred syllable Om, or Aum) is associated with Ganesha. In Hindu cosmology the universe was created out of the sound of the Om. According to some, Ganesha’s trunk represents the Om and his huge body represents the universe; others believe that he is embodied within the Om. The Ganapati Upanishad says of Ganesha: “Unfailing, merciful, the origin of the worlds, he appears at the beginning of creation, alone, beyond Nature, beyond the Cosmic Person. He who meditates on his form becomes great among the reintegrated.” See also teachings on songs 635 and 637.

Teaching:
Vinayaka, which means “great leader” or “leader of all,” is a name for Ganesha. Ganesha is depicted as a plump elephant-faced man. He has four arms, which indicate he is Universal Ruler and has control of the four elements. In his hands he often holds a noose (to capture delusion, the adversary of the spiritual seeker) and a goad (to prod man on to the path of righteousness). With his two other hands he grants boons and removes fear. Ganesha is revered as the god of wisdom and the patron of learning and letters. He was the scribe who wrote down the sacred scripture the Mahabharata, dictated to him by the sage Vyasa. Worshiping Ganesha is said to strengthen the memory and clear and organize the mind. One symbol of Ganesha is the svastika, a sign of auspiciousness and the good fortune he bestows. The cross that forms the svastika is composed of the vertical bar (the macrocosm of Spirit) and the horizontal bar (the microcosm of Matter). The lines drawn at right angles to the cross are in a clockwise direction. They focus the return of energy back to the center over the spiral formed by the turning of the cross within the Circle of Life. (Hitler perverted this sacred symbol and made it the focal point of the power of destruction in Germany, 1933–1945.)

O say! can you see
By the dawn’s early light
What so proudly we hailed
At the twilight’s last gleaming
Whose broad stripes and bright stars
Through the perilous fight
O’er the ramparts we watched
Were so gallantly streaming.
And the rockets’ red glare
The bombs bursting in air
Gave proof through the night
That our flag was still there.
O say! does that star-spangled banner yet wave
O’er the land of the free and the home of the brave!

On the shore dimly seen
Through the mists of the deep
Where the foe’s haughty host
In dread silence reposes
What is that which the breeze
O’er the towering steep
As it fitfully blows
Half conceals, half discloses.
Now it catches the gleam
Of the morning’s first beam
In full glory reflected
Now shines on the stream.
’Tis the star-spangled banner—O long may it wave
O’er the land of the free and the home of the brave!

(over)
O thus be it ever
When free men shall stand
Between their loved homes
And the war’s desolation.
Blest with vict’ry and peace
May the heav’n-rescued land
Praise the pow’r that hath made
And preserved us a nation.
Then conquer we must
For our cause it is just
And this is our motto:
“In God we do trust!”
And the star-spangled banner, in triumph does wave
O’er the land of the free and the home of the brave!

I pledge allegiance to the Flag
Of the United States of America
And to the Republic for which it stands
One nation under God, indivisible
With liberty and justice for all.

America, we love you! (3x)
And our love is great enough to hold you
Eternally victorious in the Light!
PLEDGE OF ALLEGIANCE TO THE FLAG (song)

I pledge allegiance, pledge allegiance
Pledge allegiance to the Flag
To the Flag of the United States
   of America, America
And to the Republic for which it stands:  (hold 4 beats, rest 3)

One nation under God  (2x)
Indivisible with liberty and justice for all.  (2x)
(Repeat last 2 lines)

(speaking)

And our love is great enough to hold you
Eternally victorious in the Light!

Music by Irving Caesar
MY COUNTRY, 'TIS OF THEE

My country, 'tis of thee
    Sweet land of liberty
    Of thee I sing.
Land where my fathers died
    Land of the pilgrims' pride
From ev'ry mountainside
    Let freedom ring!

My native country, thee
    Land of the noble free
    Thy name I love.
I love thy rocks and rills
    Thy woods and templed hills
My heart with rapture thrills
    Like that above.

Let music swell the breeze
    And ring from all the trees
    Sweet freedom's song.
Let mortal tongues awake
    Let all that breathe partake
Let rocks their silence break
    The sound prolong.

Our fathers' God, to thee
    Author of liberty
    To thee we sing.
Long may our land be bright
    With freedom's holy light
Protect us by thy might
    Great God, our King!

Words by Samuel F. Smith (hymn tune "America")
O beautiful for spacious skies
   For amber waves of grain
For purple mountain majesties
   Above the fruited plain.
America! America!
   God shed his grace on thee
And crown thy good with brotherhood
   From sea to shining sea.

O beautiful for pilgrim feet
   Whose stern, impassioned stress
A thoroughfare for freedom beat
   Across the wilderness.
America! America!
   God mend thine every flaw
Confirm thy soul in Self-control
   Thy liberty in law.

O beautiful for heroes proved
   In liberating strife
Who more than self their country loved
   And mercy more than life.
America! America!
   May God thy gold refine
’Til all success be nobleness
   And every gain divine.

AMERICA THE BEAUTIFUL
(continued)

O beautiful for patriot dream
That sees, beyond the years
Thine alabaster cities gleam
Undimmed by human tears.
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea.

GOD BLESS AMERICA

While the storm clouds gather
far across the sea
Let us swear allegiance to a land that’s free
Let us all be grateful for a land so fair
As we raise our voices in a solemn prayer.

Chorus:
God bless America
Land that I love
Stand beside her and guide her
Through the night with a light from above.
From the mountains, to the prairies
To the oceans white with foam—
God bless America!
My home sweet home.
God bless America!
My home sweet home.

Mine eyes have seen the glory
of the coming of the Lord
He is trampling out the vintage
where the grapes of wrath are stored
He hath loosed the fateful lightning
of His terrible swift sword
His Truth is marching on.

Refrain:
Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah!
His Truth is marching on.

I have seen Him in the watchfires
of a hundred circling camps
They have builded Him an altar
in the evening dews and damps
I can read His righteous sentence
by the dim and flaring lamps
His day is marching on.

I have read a fiery gospel
writ in burnished rows of steel
“As ye deal with my contemners
so with you my grace shall deal”
Let the hero born of Woman
crush the serpent with his heel
Since God is marching on.

(over)
He has sounded forth the trumpet
    that shall never call retreat
He is sifting out the hearts of men
    before His judgment seat
O be swift, my soul, to answer Him!
    be jubilant my feet!
Our God is marching on.

(softly)
In the beauty of the lilies
    Christ was born across the sea
With a glory of His bosom
    that transfigures you and me
As He died to make men holy
    let us live to make men free

(full voice)
While God is marching on.

(Sing chorus twice)
AMERICA, AWAKE! I AM THAT I AM

Awake, put on your strength!
I AM the arm of the Lord
God’s freedom to defend.
Marching with the hosts of Light
Our freedom’s now at hand
Our vict’ry’s sure when we trust in God
He’s always in command!

Time now to congregate and
Fan those freedom flames
Conquer the fallen ones and
Bind their evil ways.
Awake, put on your sword of fire and
Slay the dragon cold
Our vict’ry’s sure when we trust in God
To win we must be bold!

   Arise, come lend a hand!
Our vict’ry’s sure when we trust in God
   The name I AM THAT I AM.

For all who would our nation mold.

Within our land, burst forth in song:

That by their might and by their right
It waves forever.

A-riding on a pony
He stuck a feather in his hat
And called it macaroni.

Climbing high into the sun

From the halls of Montezuma

Anchor’s aweigh, my boys, anchor’s aweigh
Until we meet once more
Here’s wishing you a happy voyage home.

Over hill, over dale
We have hit the dusty trail
And the caissons go rolling along.
And where e’er you go, you will always know
That those caissons go rolling along. (hold 3 beats)

O say! can you see
By the dawn’s early light
What so proudly we hailed
At the twilight’s last gleaming
Whose broad stripes and bright stars
Through the perilous fight
O’er the ramparts we watched
Were so gallantly streaming.
And the rockets’ red glare
The bombs bursting in air
Gave proof through the night
That our flag was still there.
O say! does that star-spangled banner yet wave
O’er the land of the free and the home of the brave!

Right back where I started from
Where bowers of flowers
Bloom in the sun
Each morning at dawning
Birdies sing and everything.
A sun-kissed miss said
“Don’t be late”
That’s why I can hardly wait
Open up that Golden Gate
California, here I come.

GIVE US TEN THOUSAND

Great Central Sun, our great Source, we adore
Eternal One, we give thanks to thee and all
Thy creation ever appearing
Manifesting wondrous designs.
Mighty I AM, Cosmic Light, Cosmic Pow’r
We call to thee through the Holy Christ Selves of all:

(Chorus):
Give us ten thousand to carry the Light
   To uphold the decree of the Word
Give us ten thousand, an army of might
   Who will serve with the hosts of the Lord!
Give us ten thousand to blaze forth the Light
   Ever ready to wield Michael’s sword!

Marching on at thy command,
   Ascended hosts of Light
Marching on with love that gives
   To all the victory!

Great Karmic Board, gracious ones, love to you
Masters of Light, blessings for your judgments true
For God’s light rays ever expanding
Shedding forth his merciful beams.
Lords of the Light, cosmic masters of Love
We come to you for assistance on the way:

(over)
Chorus:
Send us the students, the faithful and strong
Who will fight for the Light we adore
Send us the students, all those who belong
In the vanguard of right—in the fore
Send us the students, the stalwart and true
Who will hallow the Christ and the Law

Marching on at thy command,
Ascended hosts of Light
Marching on with love that gives
To all the victory!

Angelic hosts from God’s heart, hail to thee!
Elohim true, we send praise and gratitude
For protection, healing, and guidance
For your ministry to the earth.
We now invoke all thy love, all thy pow’r
To expand God’s plan for the victory of all men:

Chorus:
Ten thousand hearts with the will to unite
In the fight we will win for the right
Ten thousand hearts with the fire to inspire
All mankind to attain victory!
Ten thousand hearts full of faith to aspire
To the heights of divine mastery!

Ascended hosts of Light
Marching on with love that gives
To all the victory!

Mighty I AM, Father/Mother God of all Light
Great Threefold Flame, spark of Universal Life
We implore thee now by thy power
Help us give our earth victory.
Send us thy sons from thy heart, Cosmic Christs
Avatars to lead thy children back to thee:

Chorus:
Out from the Sun come the Christs of thy heart
They descend to do thy will
Blazing the Light, they carry the torch

Paving the way for the mankind of earth
To ascend to become one with thee

Marching on at thy command,
Our Father/Mother God
Marching on in Light, the Christs
Are come to free all men!
STOUTHEARTED MEN

You who have dreams, if you act,
    they will come true!
To turn your dreams to a fact, it’s up to you!
If you have the soul and the spirit
Never fear it, you’ll see it through.
Hearts can inspire other hearts with their fire
For the strong obey when a strong man
    shows them the way!

Chorus:
    Give me some men who are stouthearted men
Who will fight for the right they adore.
Start me with ten, who are stouthearted men
And I’ll soon give you ten thousand more, oh!
Shoulder to shoulder and bolder and bolder
They grow as they go to the fore!
Then there’s nothing in the world
    can halt or mar a plan
When stouthearted men can stick together
    man to man!

(Sing chorus again)

BELOVED LIBERTY FLAME

1. O sons of Light, awake to glory!
   God’s legions bright now come again
   To bring to earth perfection’s story
   The plan divine and goal of all men.
   As they aspire, so the Christ takes command
   And God’s own Light will banish the shadows
   That now enfold this planet round
   As man then bursts his bonds asunder
   The bells of freedom will resound.
   Arise! To God now call
   For peace and liberty!
   March on, march on!
   Light is supreme
   And master over all!

2. O God of Light, belov’d I AM in us
   Come now, in mercy, set us free!
   We now invoke, in adoration
   Thy gift, the Flame of Liberty.
   Within our hearts, let it now take command!
   Our love to thee, dear Paul the Venetian
   And brothers of thy blest retreat
   The guardians of this mighty focus
   Of Threefold Flame on earth so sweet.
   Love’s pow’r and wisdom, too
   Its mighty balance true
   March on, march on!
   Liberty’s flame
   The victor over all!
TO THE MOTHER OF EXILES

O Liberty, bless’d Mother dear
By thy great love, hold me clear
Nearer to thy mighty flame
To serve our blessed Saint Germain.
He is thy son in freedom’s birth
Who lifts on high the souls of men
Invoking vict’ry for the earth
The golden age shall come again.

Freedom is Liberty’s gift to all
Divine intention manifest
I AM actively making the call
For peace to set men’s hearts arest.
The kingdoms of this world are thine
For God is in thee through and through
I AM the guardian of thy shrine
Liberty’s law, God’s will to do.

O blessed Mother, I AM thine own
Thine eye is focused on my goal
I know that Life helps me to atone
And flames of freedom raise my soul.
Let all the earth now listen well
To tones of love now ringing clear
For love divine can break the spell
Exalt God-freedom year by year!
LIBERTY TREE

Plant the seed in our homeland, boys
Let it grow where all can see
Feed it with our devotion, boys
Call it the Liberty tree.

Refrain:
   It’s a tall old tree
   And a strong old tree
   And we are the sons
   Yes, we are the sons
   The sons of Liberty.

Save it from the storm, boys
Water down its roots with tea
And the sun will always shine
On the old Liberty tree.

March along with the fifer, boys
Always pay the tyrant’s fee
Never give up the struggle, boys
Fight for the Liberty tree.

(Sing one step higher)
Stand for the rights of man, boys
Stand against all tyranny
Hang the lamps of freedom, boys
High on the Liberty tree.

Work together forever, boys
Don’t forget the enemy
Loyally watch forever, boys
Over the Liberty tree.

(over)

Words by Tom Blackburn. Music by George Bruns
It will grow as we grow, boys
Don’t forget the enemy
We must cling to our faith, boys
Faith in the Liberty tree.

(Sing one step higher)
We have won us a battle, boys
We have won a victory
We have stood as one, boys
For the old Liberty tree.

Plant the seed in our homeland, boys
Let it grow where all can see
Feed it with our devotion, boys
Call it the Liberty tree.

Give me your tired, your poor
Your huddled masses yearning to breathe free
The wretched refuse of your teeming shore
Send these, the homeless, tempest-tost to me
I lift my lamp beside the Golden Door!

(Sing three times. Each repetition modulates up one-half step.)

O Canada! Our home and native land
True patriot love in all thy sons command.
With glowing hearts, we see thee rise
The True North strong and free
From far and wide, O Canada
We stand on guard for thee.

Refrain:
God, keep our land glorious and free!
O Canada, we stand on guard for thee
O Canada, we stand on guard for thee.

O Canada! Where pines and maples grow
Great prairies spread and lordly rivers flow
How dear to us thy broad domain
From East to Western sea
Thou land of hope for all who toil
Thou True North strong and free!

O Canada! Beneath thy shining skies
May stalwart sons and gentle maidens rise
To keep thee steadfast through the years
From East to Western sea
Our own beloved native land
Our True North strong and free!

Ruler Supreme, who hearest humble pray’r
Hold our Dominion in thy loving care.
Help us to find, O God, in thee
A lasting, rich reward
As waiting for the Better Day
We ever stand on guard.

OUR LOVE TO BONNIE BLUE

O Bonnie Blue* dear
   Silent pow’r supreme
Watcher of millions
   O’er this vast domain.
Majestic mountains
   Plains and wooded dells
Their story of this land
   To thee they tell.

We love thee for thy
   Tender, watchful care
And for thy tossed and
   Flaxen, windblown hair.
Master of love and
   Wisdom’s holy pow’r
Guard well our Canada
   Each passing hour.

Blue as the skies and
   Clear as golden light
Thine eyes so dear have
   Pierced through winter’s night.
Springtime and roses
   Bring thee closer home
To hearts in Canada
   Where’er they roam.

*Bonnie Blue is the Silent Watcher for Canada. She is a magnificent being with beautiful blue eyes and hair like flowing gold.

THIS IS MY COUNTRY!

Chorus:
This is my country! Land of my birth
This is my country! Grandest on earth
I pledge thee my allegiance, America the bold!
For this is my country, to have and to hold!

What diff’rence if I hail from North or South
or from the East or West?
My heart is filled with love for all of these.
I only know I swell with pride
and deep within my breast
I thrill to see Old Glory paint the breeze.

Chorus:
This is my country! Land of my birth
This is my country! Grandest on earth
I pledge thee my allegiance, America the bold!
For this is my country, to have and to hold!

With hand upon my heart, I thank the Lord
for this my native land
For all I love is here within her gates,
My soul is rooted deeply in the soil
on which I stand
For these are mine, my own United States.

This is my country! Land of my choice
This is my country! Hear my proud voice:
I pledge thee my allegiance, America the bold!

YOUR LAND AND MY LAND

America, we're a hundred million strong
And we believe in you
America, call on us if things go wrong

Whatever it may be
America, you're our own, our native land
The shining light of Liberty!  (hold 2 beats, rest 2)

Your land and my land

Come one, come all and pledge allegiance
To our own red, white, and blue!

HOME IN THE MEADOW

Away, away, come away with me
Where the grass grows wild
    where the wind blows free
Away, away, come away with me
And I’ll build you a home in the meadow.

Chorus:
    Come, come, there’s a wondrous land
    For the hopeful heart, for the willing hand
Come, come, there’s a wondrous land
Where I’ll build you a home in the meadow.

The stars, the stars, O how bright they’ll shine
On a world the Lord must have helped design
The stars, the stars, O how bright they’ll shine
On that home we will build in the meadow.

Melody: “Greensleeves”
THE BATTLE CRY OF FREEDOM

Yes, we’ll rally ’round the flag, boys
We’ll rally once again
Shouting the battle cry of Freedom
We will rally from the hillside
We’ll gather from the plain
Shouting the battle cry of Freedom.

Refrain:
The Union forever
Hurrah boys, hurrah!
Down with the traitor
And up with the star!
While we rally ’round the flag, boys
And rally once again
Shouting the battle cry of Freedom.

We are springing to the call
Of our brothers gone before
Shouting the battle cry of Freedom
And we’ll fill the vacant ranks
With a million free men more
Shouting the battle cry of Freedom.

Words and music by George F. Root
YOU’RE A GRAND OLD FLAG

There’s a feeling comes a-stealing
And it sets my brain a-reeling
When I’m list’ning to the music of a military band
Any tune like “Yankee Doodle”
Simply sets me off my noodle
It’s that patriotic something
That no one can understand.

“Way down south, in the land of cotton”
Melody untiring; ain’t that inspiring?
Hurrah! Hurrah! We’ll join the jubilee
And that’s going some, for the Yankees, by gum!
Red, White, and Blue, I am for you
Honest, you’re a grand old flag!

Chorus:
You’re a grand old flag, you’re a high-flying flag
And forever, in peace, may you wave
You’re the emblem of the land I love
The home of the free and the brave.
Ev’ry heart beats true, under Red, White, and Blue
Where there’s never a boast or brag
But, should auld acquaintance be forgot
Keep your eye on the grand old flag.

Interlude—11 measures, 1 beat, 2/4 time

(next page)
I'm a cranky hanky-panky
I'm a dead-square, honest Yankee
And I'm mighty proud of that old flag
That flies for Uncle Sam.
Though I don't believe in raving
Every time I see it waving
There's a chill runs up my back
That makes me glad I'm what I am.

Here's a land with a million soldiers
That's if we should need 'em
We'll fight for freedom!
Hurrah! Hurrah! For every Yankee tar
And old G.A.R., every stripe, every star.
Red, White, and Blue, hats off to you
Honest, you're a grand old flag!

Chorus:
You're a grand old flag, you're a high-flying flag
And forever, in peace, may you wave
You're the emblem of the land I love
The home of the free and the brave.
Ev'ry heart beats true, under Red, White, and Blue
Where there's never a boast or brag
But, should auld acquaintance be forgot
Keep your eye on the grand old flag.  \(\text{(hold 2 beats, rest 1)}\)

(Repeat chorus)
I’m the kid that’s all the candy  
I’m a Yankee Doodle Dandy  
I’m glad I am; so’s Uncle Sam.  
I’m a real live Yankee Doodle  
Made my name and fame and boodle  
Just like Mister Doodle did by riding on a pony.

I love to listen to the Dixie strain  
I long to see the girl I left behind me  
And that ain’t a josh, she’s a Yankee, by gosh!  
Oh, say, can you see  
Anything about a Yankee that’s a phoney?

Chorus:

I’m a Yankee Doodle Dandy  
A Yankee Doodle, do or die  
A real live nephew of my Uncle Sam’s  
Born on the Fourth of July.  
I’ve got a Yankee Doodle sweetheart  
She’s my Yankee Doodle joy.  
Yankee Doodle came to London,  
just to ride the ponies  
I am a Yankee Doodle boy.  

Father’s name was Hezikiah  
Mother’s name was Ann Maria  
Yanks, through and through! Red, White, and Blue.  
Father was so Yankee-hearted  
When the Spanish war was started  
He slipped on his uniform and hopped upon a pony.  

(next page)
My mother’s mother was a Yankee, true
My father’s father was a Yankee, too
And that’s going some, for the Yankee, by gum!
Oh, say, can you see
Anything about my pedigree that’s phoney?

Interlude—4 measures, 2/4 time

Chorus:
I’m a Yankee Doodle Dandy
A Yankee Doodle, do or die
A real live nephew of my Uncle Sam’s
Born on the Fourth of July.
I’ve got a Yankee Doodle sweetheart
She’s my Yankee Doodle joy.
Yankee Doodle came to London,
   just to ride the ponies
I am a Yankee Doodle boy.  (hold 3 beats, rest 1/2)

Oh, I’m a Yankee Doodle Dandy
A Yankee Doodle, do or die
A real live nephew of my Uncle Sam’s
Born on the Fourth of July.
I’ve got a Yankee Doodle sweetheart
She’s my Yankee Doodle joy.
Yankee Doodle came to London,
   just to ride the ponies
I am a Yankee Doodle boy.  (hold 3 beats)
HOME ON THE RANGE

Oh, give me a home where the buffalo roam
Where the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day.

Chorus:
Home, home on the range
Where the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day.

Oh, give me a land where the bright diamond sand
Flows leisurely down the stream
Where the graceful white swan goes gliding along
Like a maid in a heavenly dream.

How often at night when the heavens are bright
With the light of the glittering stars
Have I stood here amazed and asked as I gazed
If their glory exceeds that of ours.

Oh, I love these wild flowers in this dear land of ours
The curlew I love to hear scream
And I love the white rocks and the antelope flocks
That graze on the mountaintops green.

(next page)
Where the air is so pure, the zephyrs so free
The breezes so balmy and light
That I would not exchange my home on the range
For all of the cities so bright.

Oh, I would not exchange my home on the range
Where the deer and the antelope play
Where seldom is heard a discouraging word
And the skies are not cloudy all day.
I think that it’s the time that I pack my bags and go
Up to a Treasure State that I know
It’s a place for growin’, it’s where I wanna be
They call it Big Sky country wide and free
Mountains and those blue skies above
Stretch across that land that I love

Chorus:
So, I’m Montana bound
Gonna leave this ol’ town
To a better place I’ve found
Yes, I’m Montana bound

Friends of mine all wonder just why I’d wanna stay
But I expect them soon to come and see
Life may not be easy, but it’s the cowboy way
And nothin’ that’s worthwhile comes easily
Mountains, lakes and fine country streams
These are all a part of my dreams

(Chorus)

I hope to see you soon travelin’ north to Yellowstone
To see for yourself what I mean
Magic of Montana will hold you in its charm
Before you know you’ll find it hard to leave
Land of beauty far as you can see
Feel the friendly hospitality

(Chorus) (3x)

Momentums of the years
My burdens I relinquish
Surrender all my fears!

WALTZ OF THE FLAME

Introduction—9 measures, 2-1/2 beats, 3/4 time

The flame with all its joy supreme
Comes spiraling through our worlds serene
We hear its melody again
And feel the Presence’ glad refrain.
The flame with all its cleansing power
Comes dancing through our worlds each hour
Our hearts are filled with gladness—
Every flame a being bright
Every being filled with Light.
Ah, what beauty in their voices!
Love abounding everywhere
Joy and peace beyond compare
Violet flame, set us free evermore.

(Flame beings, waltz with me
To this sweet melody
Our hearts will be so free
In that great joy d’esprit—
Dancing in living flame
Circled by Saint Germain
Helios with Oromasis
and Diana, too.)

Sweeping through, blazing up
To the depths of our world
From the heart of Saint Germain!

And sounds much like a sweet violin
Its joy and love in currents ascending
Blesses each cell of our world

Should auld acquaintance be forgot,
And never brought to mind?
Should auld acquaintance be forgot,
And days of auld lang syne?

We’ll take a cup o’ kindness yet,
For auld lang syne.
